Liquor and Public Life.—The reaction against the trade in alcoholic liquors and against the influence exerted by it and through it upon the public life, has been one of the most notable recent developments on this continent. There is no evidence of any tendency to remove the restrictions upon "the trade" which have already had salutary effects in purifying politics and ameliorating some of the most fragrant of social evils.—Winnipeg Free Press.

MEMORIAL TO OUR HEROES.

Fourteen citizens (men) responded to the Reeve's call to consider a suitable memorial to the men from Markdale and district who have paid the supreme sacrifice in the interest of human freedom. The Reeve presided and Mr. Harvey Lucas was appointed Secretary.

In opening the proceedings the Reeve in a very feeling manner, referred to the everlasting debt humanity owes to the men who so heroically faced the greatest sacrifice that man can make for his fellowmen—that of the giving of his life that others might be free and happy. Before Mr. Boyd resumed his seat he submitted the following, which was submitted to the County Council at its last session:

"In view of the undoubted desire of the great majority of the people of the County to have an opportunity of contributing to the cost of a Memorial to "THE FALLEN", and that irrespective of municipal boundaries, and in order to ascertain the wish of the people you are asked to indicate which of the following alternatives you favor:

1. A Memorial, purely local in scope, and in honour of those who enlisted from your municipality only.

2. A Memorial to be erected in the Market Town in honour of those who enlisted from that Town or Village and from the adjoining township or townships, or part or parts thereof, specifying which township or townships, or part or parts thereof.

3. A County Memorial alone, recording the names of the The Fallen by Municipalities.

4. A Combination of #1 and #3.

5. A Combination of #2 and #3.

There were many practical suggestions but the one that seemed to carry the favor of all present was the obtaining control of the Armouries to be devoted to such purpose or purposes that would lead to the development — physically, mentally and otherwise—of the boys and girls, young men and young women of the community—that all kinds of games including billiard and pool tables, toilet accomodations for both men and women, and that a large tablet be erected on one side of the hall, on which the names of the men who have fallen in the world's war, and on the other side a similar tablet containing the names of those who went overseas and were spared to return.

In accordance with a wish of the meeting a motion was carried requesting the council to take the matter up of the control of the Armouries, with the Minister of Militia, through the member, R. J. Ball, Esq., M.P., and to report at next "memorial meeting."

The matter of re-organization of Band was under discussion at the same meeting. It was unanimously resolved to ask the Council to take up the matter with Mr. Perkins, and report.

Meeting then adjourned and will be recalled by Reeve when intimation re control of Amouries is received.

PRESBYTERIAN SUPPER AND ANNIVERSARY.

The annual fowl supper in connection with the Anniversary Services of Cook's Church took place on Tuesday evening, December 3rd. It is gratifying to know that the supper was up to the high standard of previous occasions, while the serving was not one whit behind the perfection that has marked all such accasions under such auspices. There were a record crowd from the rural district, which the Presbyterians highly appreciated. The supper was a grand success financially and otherwise, the receipts being $240.00.

The program was supplied by the Banner Corresponding Club of the Church, under the direction of Mrs. A. M. Brown. It consisted of a one act drama entitled "A Church Bazaar at Markdale." The play proved to be humorous, instructive and entertaining, and was thoroughly enjoyed by the large audience. In addition to the play recitations were given by Annie Irving and Eva Teeter. One of the most pleasant features of the evening was the presentation of a bouquet to Mrs. Brown, from those who provided the paper [illegible] B. C.
