NEWS OF THE DAY.

SATURDAY MORNING, July 4, 1868.

THE VOLUNTEER CAMP.—An inspection of the 47th Battalion, Frontenac Vol. Infantry, at present in Camp at the Crystal Palace, will take place on the grounds this morning at half-past eleven o'clock. To-morrow afternoon the Lord Bishop of Ontario will hold a special service at the Palace for the benefit of the Volunteers. The Kingston public are invited thither.

CRICKET.—The Kingston Cricket Club plays the Ottawa Club on the grounds of the latter on Wednesday next.

THE 4TH OF JULY.—To-day is the anniversary of American Independence, and grand celebrations are on foot all over the country. An Excursion party starts from Kingston for Oswego, and numbers besides have left to witness the doings in other places in New York State.

THE JAPANESE TROUPE.—These wonderful performers gave two more exhibitions in the City Hall yesterday. Their astonishing feats have surprized every one so far.

THE FLORAL SHOW.—The summer Horticultural Show was held yesterday afternoon and evening, and was highly successful. More anon.

CHANGE IN TELEGRAPH ARRANGEMENTS.—In future the Montreal Telegraph Company will keep open all the principal offices on Sunday, from 9 to 10:30 a.m., and from 8 to 9 p.m., complaints of the unnecessity of such an arrangement having become frequent.

AGE OF CANADIAN NEWSPAPERS.—The oldest Daily Newspaper in the Province of Ontario is the Daily British Whig, January, 1849. It is also the oldest Daily Newspaper in Canada, for tho' there are older newspapers in Montreal and Quebec, yet none were issued daily all the year round until after January, 1849. The oldest Weekly Newspaper in Ontario is the Brockville Recorder; the next oldest is the Toronto Patriot; the third is the Cobourg Star, 1831; the fourth in age is the Weekly British Whig, 1834, and the fifth is the Bathurst Courier, 1835. All the others are much younger. Dr. Barker is the only Publisher or Editor who has remained attached to the British Whig newspaper from the date of its commencement. There are now upwards of two hundred newspapers published in Canada, but the precise number cannot be ascertained correctly.

☞ The German Society of Montreal have erected a handsome monument in Mount Royal Cemetery to the memory of about a hundred German emigrants who were killed at the Belœil Bridge catastrophy some years ago, and interred in the cemetery in that city.

POLICE COURT, Friday.—Bridget Keys, an old offender, was charged with being a vagrant, and sent to gaol for 30 days. Mary Healey, for the same offence, with the addition of drunkenness, was sent back to her place of service. Patrick Doyle was charged with stealing $1 from James McCummiskey, an old blind man from Smith's Falls. As the charge was clearly proved, Doyle was sentenced to two months in gaol. Four boys were charged with trespassing on the Queen's College grounds and using abusive language towards Mr. McCormick. Two of them were fined $1 each, the others not appearing. Mary Wheeler was charged with using abusive language towards Mrs. Nobbs on Wednesday last. She was fined $2 and costs.

RECOVERED.—The Rev. Mr. McDonagh who, as we announced last week, was saved from choking to death by having his throat cut open at Prescott not only survived the operation, but was actually able to get up and go about as usual a few hours after! When he came to himself he remembered nothing of what had befallen him, the operation of having his throat cut to save his life, he knew nothing of until he was told. He was insensible about three hours after the operation was performed.

CALOMEL COMPLETELY SUPERSEDED.

In driving out one disease with mercury you substitute another. When a man is saturated with calomel or blue pill his health is ruined. Who can wonder then at the boundless popularity of Radway's Regulating Pills, which produce all the good results of the corrosive mineral, and entail none of its frightful consequences.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds; they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
