Won by Kingston with 23 runs to spare.

Yesterday morning Jones and Dell'Armitage, and Minnie Smith, were, by consent of His Honor Judge Draper, bailed out to appear on trial, the proper bondsmen and security being given. In the afternoon the other prisoners, the girls King, Lewis and Margaret Smith, were liberated from confinement on bail furnished by Minnie Smith.

The Fenians.

The Montreal News publishes a letter from a special correspondent, who has been for the past week at St. Albans, Chateauguay, Four Corners, Plattsburgh, Malone and Ogdensburg, obtaining information as to the probabilities of a Fenian raid. In the neighbourhood of St. Albans there are faint indications of a movement, but nobody believes it will ever come off. In all the other places Fenianism is morally and physically defunct.

JUVENILE PIC-NIC.—The annual Pic-nic of the Wesleyan Methodist Sabbath Schools took place on Thursday, at Dr. Yates' farm. About 500 pupils, as well as parents and friends, mixed in the cool enjoyment of the trip down in the steamers Gazelle and Pierrepont, and joined heartily in the pleasures of the Pic-nic.

☞ The gunboat Rescue is lying off the city.

☞ To-morrow (Sunday) evening at 6:30 the Rev. Mr. Moffett will preach the annual sermon to the Orangemen in St. James' Church, Union Street.

OUR DIT.—Reported that Mr. James E. Smith is to be made Collector of Toronto, Mr. Angus Morrison, County Judge, and that Mr. H. S. Howland is to run for West York.

The action of the business men in Toronto on the silver question has so far been perfectly successful, and it is meeting with a hearty reception in other parts of the Province.

☞ The Paris Exhibition medals, just received at Ottawa, are beautifully executed. Each medal has the name of the winner stamped upon it. The number of medals is 55, and of diplomas 54. Among the recipients of the latter, are Mr. W. E. Evans, Kingston, malleable castings; E. E. Abbott, Gananoque, pegs, &c.; C. Irwin & Co., Belleville, sewing machine; Anglo Canadian Company, Leeds, copper ore.

☞ People are either ignorant of the provisions of the Thistle Act, or else pay it most willful disrespect. In many parts of this city most promising fields of this noxious weed, sufficient to inoculate the whole province, prosper, but no crop is so flourishing as that one on Bagot street, on a vacant lot in rear of Mr. Sullivan's the grocer. Who should attend to these thistles?

The Canada Thistle is spreading so rapidly throughout New York State, that it is thought the extirpation will soon become impossible. The uncut weeds on the railway banks are said to be the cause.

POLICE COURT, Friday.—Archy Buchanan, was up on his old charge, drunkeness. Mr. McIntyre went Archy's security for his future good conduct, as they were both from the same county, and offered to pay his passage to Gananoque, which Archy declined, saying he wanted to go to Pittsburg for some clothes. The Magistrate thought that before he got up the Barrifield hill the sun would take effect on him and he would become "dry." To this Archy gave his word and that of his countryman, that he would not touch a drop, and he was finally allowed to go. A crew from Little's Lane were charged by Mr. Carter with keeping a disorderly house and with frequent swearing on the public street. Their names are Jane Pogue, Mary Pogue, Eliza Pogue, Lydia Davis, Eliza Fowler, and Mrs. McCullagh. Mr. Carter's evidence went to show that there was a continual row inside the house throughout the night, much to the annoyance of the neighbors. The Magistrate suspended judgment in the case of Mrs. McCullagh, and adjourned the case of the others until this morning. One drunk from the States was allowed to go. Two cabmen were fined two dollars each for solicting passengers from the steamboats. These were the only cases.

BATCHELOR'S HAIR DYE.

This splendid Hair Dye is the best in the world. The only true and perfect Dye—Harmless, Reliable, Instantaneous. No disappointment. No ridiculous tints. Remedies the ill effects of Bad Dyes. Invigorates, and leaves the hair soft and beautiful, Brown or Black. Sold by all Druggists and Perfumers, and properly applied at Batchelor's Wig Factory, No. 16, Bond street, N. York. 1yll

Philosophy of Marriage.

A new Course of Lectures, as delivered at the New York Museum of Anatomy, embracing the subjects: How to Live and what to Live for; Youth, Maturity, and old Age; Manhood generally reviewed; The cause of Indigestion; Flatulence and Nervous Diseases accounted for; Marriage philosophically considered, &c., &c. Pocket volumes containing these Lectures, will be forwarded post-paid, on receipt of 25 cents, by addressing "SECRETARY, New York Museum of Anatomy and Science, 618 Broadway, New York." 1y1

CALOMEL COMPLETELY SUPERSEDED.

In driving out one disease with mercury you substitute another. When a man is saturated with calomel or blue pill his health is ruined. Who can wonder then at the boundless popularity of Radway's Regulating Pills, which produce all the good results of the corrosive mineral, and entail none of its frightful consequences.

Price 25 cents per box, coated with sweet gum free from taste. Sold by Druggists.

AMERICAN HOUSE
BOSTON, MASS.

THE very important and extensive improvements which have recently been made in this popular Hotel, the largest in New England, enable the proprietors to offer to Tourists, Families, and the Travelling Public, accommodations and conveniences superior to any other Hotel in the city. During the past summer additions have been made of numerous suites of apartments, with bathing rooms, water closets, &c., attached; one of Tufts' magnificent passenger elevators, the best ever constructed, conveys guests to the upper story of the house in one minute; the entries have been newly and richly carpeted, and the entire house thoroughly replenished and re-furnished, making it, in all its appointments, equal to any hotel in the country.

HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

STOVE and  PLOUGH

FOUNDRY,
Kingston, Ontario.

CHOWN & CUNNINGHAM,

DESIROUS of retaining the liberal patronage hitherto accorded to them by the public generally, beg to intimate that they have lately added several new patterns to their already large assortment of Stoves, and are now in a position to offer their customers, both wholesale and retail, a large and varied stock of

Cooking, Parlor & Box Stoves,
FOR BOTH COAL AND WOOD.

We would particularly solicit attention to our new Parlor and Hall Self-Feeding Coal Stove,

THE ORIENTAL, (Assorted Sizes.)

In which all the good qualities of a base burning Stove are combined. In this Stove, when a fire is once made the work is done for the season; the fire can be kept with great ease from Autumn to Spring. All that is required for the successful operation of the Stove is to replenish with fuel once or twice a day, and to shake the ashes from the Grate and empty the Ash Pan.

We also continue to manufacture Steel and Iron Ploughs, Rollers, Harrows, Cultivators, Lumber Waggons, Iron Sinks, Hollow Ware, Ornamental Railing for Cemeteries, and Castings in general.
