NEWS OF THE DAY.

SATURDAY MORNING, AUGUST 8, 1868.

REGATTA.—A Regatta is in progress, intended to take place in this harbor about the 10th instant, and is expected to be of a close to merit the attention of the yachting public. It is expected that a large number of our friends from Cape Vincent, interested in aquatics, will pay us a visit, and embrace the opportunity of retaking the laurels wrested from them by our men at the late races there. The principal prizes for yachts will be—First prize, $40; second, $20, and $10 for the third, with a saving of entrance fees.

Seven Scandinavian emigrants, who arrived by the steamship Moravian, are lying at Quebec destitute of the means for their transport to the United States.

The temperance people of Trenton intend having an excursion to Kingston today by the str. Bay of Quinte.

The silver movement continues to work well in Belleville. Some little difficulty was experienced at first, but that has been removed. Farmers demand the discount on the market, and of course pay the discount to those with whom they deal.

Several additional locomotives and tenders for the Grand Trunk Railway have arrived at Montreal by the ship Abyssinia.—Many of the locomotives which came out a short time ago, are now running on the road and give great satisfaction. These lately arrived are described as equally powerful and well built.

The Ottawa Times, in an article referring to the new ministerial appointments, says that when the Privy Council is filled, as it will be, in time to prepare for next session of Parliament, if it be found to contain three Conservatives to two Reformers from Ontario no government supporter could find just cause of offence or opposition.

Hon. Mr. Rose is expected at Quebec by the first steamer.

POLICE COURT, Friday.—The only name on the docket this morning was that of Margaret Spooner, who was charged with being a vagrant. She was sent to gaol for one month. Inspector Martyn summoned up several carters who were in arrears for license, some of whom appeared and arranged the matter, and means were taken to enforce the sums due by those who did not appear.

FROM QUEBEC.

Quebec, Aug. 6.

The steamer Napoleon the Third has left for Pictou to bring Sir John A. Macdonald, Sir Geo. E. Cartier, and Messrs McDougall and Mitchell.

The Glenliffer sailed yesterday, being the first ship cleared on her second voyage.

S.S. Ottawa arrived from Glasgow yesterday.

The two steamers engaged by the Montreal Steamship Company has paid the Government $12,000 head money since the 1st. May.

FROM MONTREAL.

Montreal, August 5.

Another shooting case occurred this morning. Two constables were passing Victoria barracks when a rifle shot was fired from the window of the second flat by private Myland, of the 10th. The ball grazed constable Labosier's head without hurting him much. The military authorities refused to deliver Myland over the civil authorities, and are investigating the matter themselves.

Attorney-General Ouimet will hear an application for a writ of error in Notman's case to-morrow.

The new St. Paul's Church, erected in the early English gothic style, will be opened for divine worship next month. The organ is being built by Warren, and will cost $4,000.

HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

SARSAPARILLIAN,
Pareira Brava.

Newly Discovered Virtues—Hidden for 300 Years—The Discovery of the True Virtues of the Roots Brought to Light and Made Manifest in

Dr. Radway's Sarsaparillian Resolvent,

By a new process recently discovered by Dr. Radway, for obtaining the active properties from vegetable substances.

SARSAPARILLIAN,
PAREIRA BRAVA,

Associated with other newly discovered Roots, enters into the composition of RADWAY'S RENOVATING RESOLVENT; secures a remedial agent, that cures all forms of Chronic, Scrofulous, Skin Glandular, Kidney, Bladder and Uterine Diseases, by communicating its curative, reparative and fruitful efficacy, through the BLOOD, SWEAT AND URINE.

The ordinary Sarsaparilla decoctions, and Syrups are mere washes, compared with the Sarsaparillian of the Resolvent. It is a well known fact that Sarsaparilla as ordinarily prepared either as officinally or as a proprietary remedy, never possessed the confidence of medical men, and all the reputation it enjoyed was deemed by well informed Chemists, Physicians, and medical writers to be due to other remedial agents associated with it.

The true curative virtues of Sarsaparilla for 300 years has laid hidden in the Crystaline principle of the Root, under Dr. Radway's New Process, Sarsaparillian is secured and brought to light, and associated with other ingredients, it fulfils the most extravagant expectations and views of men. One ounce of Dr. Radway's Sarsaparillian contains more of the curative principle than ten pounds of the extracts from the crude roots, as prepared officinally or in the popular advertised Sarsaparillas.

PAREIRA BRAVA—Another of the ingredients of the Radway's Resolvent, held in high estimation by the most eminent medical men of Europe, South America and United States, as the best remedial agent, for the diseases of the Kidneys, Bladder, Uterus, and as a lithontriptic for dissolving Calculi, as a curative for Jaundice, Rheumatism, Leucorrhœa, etc.; since 1688 has never been properly prepared.—Under Dr. Radway's process, the Cissampaline principle of this valuable Root is secured, and associated with Sarsaparillian and other ingredients in the Resolvent, makes it a perfect cure in every form of disease of the Kidneys, Bladder, and Urinary Organs—Dropsy, Gravel, Incontinence, or Stoppage of water, Diabetes, or Urinary Diarrhœas, and every kind of weakening, irritating, or purulent discharges, not proper to mention in an advertisement, is rapidly cured by this remedy.

BUCHU, Turpentine Junipers, Gin, Copaiba, Cubebs, and other direct Diuretics are in many cases hurtful. In Diabetes, Urinary Diarrhœas, Catarrh of the Bladder, Dropsy, and in weakness or ulceration of the Kidneys, are unsafe to use as a continued remedy, and should never be given unless under the supervision of a Physician, as the strain these direct remedies may produce on the Kidneys, may in the course of a few hours, require Opiates to change or modify their action; this fact is self-evident to any medical man, a compensating Remedy like the SARSAPARILLIAN RESOLVENT, is the true remedy to use in these cases.—Even as a diuretic,

Pareira Brava,

as prepared by Dr. Radway, and one of the ingredients of the Resolvent, is as superior to all forms of Buchu, etc., as rich cream is to watered milk.

Let all suffering from unnatural drains from the system—caused either by self-abuse, depraved habit of body—bad blood, impure association, weakness of the genital organs, or Skin Diseases, Scrofula, uncured Secondary Disease, Syphiloid Ulcers, Chronic Disease—or from Consumption of the Lungs, as well as degeneration of the Kidneys—or Chronic Diseases of the Liver, Spleen, etc., commence a course the use of the SARSAPARILLIAN RESOLVENT. It commences its work of purification at once; it repairs the waste of the body, with new and healthy material. It restores functional harmony to every organ in the system, and secures the natural secretions of the proper constituents of each. Persons have been cured, and have children now living that were deemed incapacitated, by self-abuse, etc., through the use of this remedy. Ask for Dr. Radway's SARSAPARILLIAN, or RENOVATING RESOLVENT.

Price $1 per bottle, or 6 bottles for $5.
