NEWS OF THE DAY.

MONDAY MORNING, AUGUST 10, 1868.

☞ GLORIOUS RAIN.—The rain of Saturday did an immensity of good. Had it not been for the bountiful rain, the Potato Crop would have been an utter failure. As it is, the drought has done it much injury.

☞ The report that the steamer Bay of Quinte had collided with the str. Bruce at Bath is incorrect. The Bruce, if at all injured, was damaged by striking a wharf.

THE NOTMAN CASE.—At Montreal on Thursday, Messrs Devlin and Kerr applied to Attorney General Ouimet and Solicitor General Irvine for a writ of error in the case of R. Notman, now in the Penitentiary. The application was based on the fact that a newspaper containing reports of the evidence and speeches of the Crown Counsel had been handed to the jury after they had retired. Prisoner's counsel contended that the trial should be declared a mis-trial. By a granting of the writ of error, the present punishment of the prisoner would not be interrupted, nor would any interference with the sentence be sought for until judgment was obtained in the Court of Queen's Bench. The Attorney General said he would give his decision next week.

Brantford has suffered also from burglars. Professionals have blown open a safe and secured $300 booty.

The meeting of the Medical Association of Canada, in Montreal on September 2nd, will be celebrated by a conversazione on the first day; and a farewell breakfast on the morning of departure. The Gazette urges a public reception to the Association.

Dr. Adamson, Chaplain of the Senate, died at Ottawa on Friday, aged sixty-eight. He has been in poor health since March last.

The workingmen of Ottawa are organizing an association to establish co-operative stores.

The Gulf Ports Steamship Company have purchased the Steamer Dumbarton at New York, to run between Quebec and the Lower Provinces.

Several Merchants of Ottawa state that they have suffered considerable in following out the system for abating the silver nuisance, through persons refusing to pay the discount and leaving without buying. The banks are charging 6 per cent. on silver, and the brokers are selling at 4½.

POLICE COURT, Saturday.—Emma Sherwood was charged with being drunk and a vagrant. She pleaded hard, and was allowed to go on promising to leave the city. Bob Elliott, drunk, as usual, was also let off with a caution. Sarah Moran, a soldier's wife, was charged with assaulting Mrs. Hogan on Friday last, by striking her on the head with a tin pail. After hearing the evidence of several witnesses, the Magistrate said he would reserve his decision until a future day. These were the only cases before the Court.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and* falling out of the hair; *and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

SARSAPARILLIAN,

Pareira Brava.

Newly Discovered Virtues—Hidden for 300 Years—The Discovery of the True Virtues of the Roots Brought to Light and Made Manifest in

Dr. Radway's Sarsaparillian Resolvent,

By a new process recently discovered by Dr. Radway, for obtaining the active properties from vegetable substances.

SARSAPARILLIAN,
PAREIRA BRAVA,

Associated with other newly discovered Roots, enters into the composition of RADWAY'S RENOVATING RESOLVENT; secures a remedial agent, that cures all forms of Chronic, Scrofulous, Skin Glandular, Kidney, Bladder and Uterine Diseases, by communicating its curative, reparative and fruitful efficacy, through the BLOOD, SWEAT AND URINE.

The ordinary Sarsaparilla decoctions, and Syrups are mere washes, compared with the Sarsaparillian of the Resolvent. It is a well known fact that Sarsaparilla as ordinarily prepared either as officinally or as a proprietary remedy, never possessed the confidence of medical men, and all the reputation it enjoyed was deemed by well informed Chemists, Physicians, and medical writers to be due to other remedial agents associated with it.

The true curative virtues of Sarsaparilla for 300 years has laid hidden in the Crystaline principle of the Root, under Dr. Radway's New Process, Sarsaparillian is secured and brought to light, and associated with other ingredients, it fulfils the most extravagant expectations and views of men. One ounce of Dr. Radway's Sarsaparillian contains more of the curative principle than ten pounds of the extracts from the crude roots, as prepared officinally or in the popular advertised Sarsaparillas.

PAREIRA BRAVA.—Another of the ingredients of the Radway's Resolvent, held in high estimation by the most eminent medical men of Europe, South America and United States, as the best remedial agent, for the diseases of the Kidneys, Bladder, Uterus, and as a lithontriptic for dissolving Calculi, as a curative for Jaundice, Rheumatism, Leucorrhœa, etc., since 1688 has never been properly prepared.—Under Dr. Radway's process, the Cisampaline principle of this valuable Root is secured, and associated with Sarsaparillian and other ingredients in the Resolvent, makes it a perfect cure in every form of disease of the Kidneys, Bladder, and Urinary Organs—Dropsy, Gravel, Incontinence, or Stoppage of water, Diabetes, or Urinary Diarrhœas, and every kind of weakening, irritating, or purulent discharges, not proper to mention in an advertisement, is rapidly cured by this remedy.

BUCHU, Turpentine Junipers, Glis, Copaiba, Cubebs, and other direct Diuretics are in many cases hurtful. In Diabetes, Urinary Diarrhœas, Catarrh of the Bladder, Dropsy, and in weakness or ulceration of the Kidneys, are unsafe to use as a continued remedy, and should never be given unless under the supervision of a Physician, as the strain these direct remedies may produce on the Kidneys, may in the course of a few hours, require Opiates, to change or modify their action; this fact is self-evident to any medical man, a compensating Remedy like the SARSAPARILLIAN RESOLVENT, is the true remedy to use in these cases.—Even as a diuretic,

Pareira Brava,

as prepared by Dr. Radway, and one of the ingredients of the Resolvent, is as superior to all forms of Buchu, etc., as rich cream is to watered milk.

Let all suffering from unnatural drains from the system—caused either by self-abuse, depraved habit of body—bad blood, impure association, weakness of the genital organs, or Skin Diseases, Scrofula, uncured Secondary Disease, Syphiloid Ulcers, Chronic Disease—or from Consumption of the Lungs, as well as degeneration of the Kidneys—or Chronic Disease of the Liver, Spleen, etc., commence at once the use of the SARSAPARILLIAN RESOLVENT. It commences its work of purification at once; it repairs the waste of the body, with new and healthy material. It restores functional harmony to every organ in the system, and secures the natural secretions of the proper constituents of each. Persons have been cured, and have children now living that were deemed impotent, by self-abuse, etc., through the use of this remedy. Ask for Dr. Radway's SARSAPARILLIAN, or RENOVATING RESOLVENT.

Price: $1 per bottle, or 6 bottles for $5.
