Walters Falls

(Special to The Standard.)

We are sorry to report that the Molsons Bank found it necessary to close the branch here. Four years ago last May it was opened and we had thought of it as a fixture, but now we will have to do without this very convenient business in our village. The removing of the furniture is nearly completed this (Tuesday) morning. Mr. Long, the teller, has returned to Meaford and Mr. Pope goes to Montreal in a day or so.

Mr. W. Shepherdson is assisting his son in Markdale for a few days.

Another of the older residents of the vicinity was called to the Great Beyond last week in the person of Mrs. George Heighes, who had passed the allotted span of life. After living for many years on the Blind Line she moved to Owen Sound and spent her latter years there with her son James at whose home she passed away on Thursday morning. The body was brought to the old place at home on Friday and was borne thence to McLean's Cemetery on Saturday afternoon. Rev. Burgess and Rev. Vivian conducted the services. Our sympathy is extended to the bereaved husband and family, namely: Mrs. Mustard and Mrs. Widdifield, of Toronto; Mr. James Heighes, of Owen Sound, and Mr. John Heighes, all of whom were present at the funeral and Mr. Wm. Heighes and Mrs. McColl, of the West, who were unable to be present.

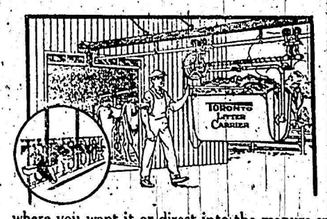
The Quicker, Better Method of Stable Cleaning



With one of my Toronto Litter Carriers, one man can clean your stable as fast as three in the old way. Do it, too, without the unpleasantness and muss of the wheelbarrow method. Dump the manure into a pile where you want it or direct into the manure-spreader when desired.

The Toronto Litter Carrier has several special features I know will appeal to you. Let me explain the advantages of its chain pull, why it turns on the smallest radius, its unleakable bucket and others.

I have other Toronto Stable Equipment which will make for cleaner and healthier cattle, bigger profits. Ask me about it as well. I have some interesting literature free for the asking.

ON THE NEW PIPE LINE.

It isn't very pleasant there these days but the work progresses. The excavation work is almost accomplished and the stave work will begin shortly. Mr. Gerald Large, of Alliston, and brother Kenneth, of Weston, are assisting with the carpenter work as is also Mr. Roy Wood, a young carpenter from Wodehouse. Mr. J. H. Duckett who has the contract of supplying gravel and sand for the work has his own and his four sons' teams drawing daily. Owing to the condition of the roads now they can only make two trips each per day.

NEW PASTOR FOR UNION CHURCH.

Mr. Harrower, the newly called pastor for the Presbyterian Church, Flesherton, and for the Union Church here and at Proton, preached a fine sermon on Sunday. He is a young married man and a graduate of Knox College, Toronto. He will be ordained in the near future. We extend a hearty welcome to Mr. and Mrs. Harrower and wish them success in our midst.

A LITTLE TRAPPER.

Wasn't he tickled and wasn't he pleased when he arrived at his traps which he had set a few days ago? Yes, Glen Pedlar, the little nine year old son of Mr. F. Pedlar, was certainly pleased. Why? Because there fast in the jaws of the trap was Sir Reginald Fox, yet alive. Glen soon curtailed Mr. Fox's life and released him from the trap and proudly carried his prize home. You're a good sport, Glen. Try again.

Mr. William Duckett witnessed quite an incident the other day. While returning home to dinner with his team and wagon he jumped from the wagon just a few yards from the gate. The horses took fright and away they went at full speed. Never thinking of dinner, they continued their course and were halted after a mile's run by Mr. Wm. Hawkins. As a result the wagon was badly smashed but the horses were none the worse after their little excitement. You had better stay in the wagon and hang on the lines the next time, Willie.

THE LATE MRS. HUMBERSTONE.

Last spring the late Mrs. Humberstone received a paralytic stroke from which she never fully recovered. Then again a few days preceeding her death she took a second stroke which proved fatal. She peacefully passed away on Monday, November the 5th. Her maiden name was Miss Ellen O'Brien, and she spent her girlhood days on the East Back Line, near Markdale. From there the O'Brien family moved to the East Mountain. She was first married to John Kennedy. To them was born one daughter, Kate, (Mrs. Wm. Orr.) After a few years of married life death called Mr. Kennedy. Then she lived with her two brothers, Will and Ed., who predeceased her a few years ago. She kept house for them for a number of years, after which she married Mr. William Humberstone and settled down on his farm on the Sixth Line, Euphrasia. There they lived for many years until now when death has separated them. We might say of Mrs. Humberstone that she was a kind and loving wife in all her ways. To the end of her days she tried to keep down her sorrows, losses and troubles by being cheerful and bore her suffering with great patience. She was a good neighbor and friend and was ever faithful to her church. She was in her seventy-fifth year. Interment took place to the Roman Catholic Cemetery, Glenelg, Rev. Father McGoey, of Markdale, officiating. She leaves to mourn her loss a sorrowing husband, three daughters and a son, namely:—Mrs. Wm. Orr, (Kate Kennedy) Orangeville, Mrs. Peter Somers, (Mary), 8th Line Artemesia, and Miss Alma (teacher) and Carrol at home. Another daughter, Eugenia, (Mrs. E. Cross), Wiarton, died a number of years ago.

We join in extending our sympathy to the bereaved family.

Miss Tyler, of the Centre Line, is assisting Mrs. Wm. Walker at present. Mr. Walker, who was very low last week, is somewhat better at the time of writing.

"Polly wants a cracker." Apparently she was a "parrot" expressing her feelings when it wants some cake. Our Epping Cor. evidently does not require any chicken feed. But even though they haven't got the goods to feather their nest we would surmise from their recent parrot-like repitition of Riverdale statements that they would nevertheless be a very valuable addition to our Wonderful Zoo. We offer a reward of twenty-five cents to any person or persons who will capture this tropical specimen at Epping and deliver it to our address. We will pay the freight.

Walters Falls W. I.

The regular meeting of Walters Falls Women's Institute was held at the home of Mrs. R. Quinton on Wednesday, Nov. 21st, with twenty members and four visitors present. With the President in the chair the meeting was opened by singing the "Ode" followed by the Lord's Prayer repeated in unison. The roll call was answered by "Hints on Winter care for flowers". The Secretary read several items of correspondence. A donation of infants' layette is to be brought to the next meeting to be sent to the North. A small amount of money was donated to the Library Secretary to complete this year's expenses. Two pyrex dishes are being sent to Mrs. M. Dickie (nee Cora Olmstead) Bridgeburg, Ont., from the Institute. The first number on the program was community singing by the ladies. Mrs. John Reid read a well prepared paper on "The Home, its Work and Influence". Several exhibits of made-over garments were shown. Miss Hilda Quinton favored the ladies with a pleasing vocal solo. Miss F. Abercromble and Mrs. W. J. McLean each gave an interesting reading. The next meeting, which is to be held at the home of Mrs. R. Olmstead, is to be conducted by the girls. The meeting closed by singing the National Anthem. The hostess served a dainty lunch assisted by her daughters, Mrs. Matheson, Misses Melba and Hilda.

Eczema Covered Arms of This Healthy Child

Mrs. Alex. Marshall, Sprucedale, Ont., writes:—

Baby Marshall.

"When my little son was three months old he broke out in sores on his chest and arms. We did all we could to heal those terrible sores, but nothing did him much good. Finally I ventured on a box of Dr. Chase's Ointment and kept on using it. At last we were rewarded by the steady healing of the sores, and finally he was completely relieved of them. He is now three years old, and has had no return of the trouble since."

Chevrolet now rated as Class "A" Insurance Risk

Less than a dozen motor cars—all much higher in price—have similar insurance rating, which is the lowest possible.

THE sound construction of Chevrolet Superior Models has again been proved by the fact that the Underwriters have given to Chevrolet Class "A" Insurance Rating. This means that the Chevrolet owner gets the lowest possible rate of insurance on his car.

Less than a dozen other cars so low, and they are all cars of much higher price.

This new ruling is further evidence of the attention to detail which Chevrolet engineers have given to the design and production of the Chevrolet Car.
