PUBLIC OPINION IN GRIFFINTOWN.—The Irish of Montreal are a peculiar people. They idolized Mr. McGee till he gave them some sound and sensible advice, and then they turned against him with great bitterness, and they now all but idolize his supposed assassin. In like manner they magnified Mr. Devlin as long as they supposed he was leading them to the verge of rebellion, but, the moment he stops short and gives them good advice in a kindly and respectful way, they spit in his face. We not of course speak of all the Irish,—there are many sensible, worthy men among them, but timely of the main current of their public feeling,—a feeling which would probably be best gratified by elevating Whelan (if they can get him acquitted) to the position of their political leader and representative in parliament, until (were such a thing possible) he in turn should give them sound and judicious advice.—Witness.

NEWS OF THE DAY.

SATURDAY MORNING, SEPT. 5, 1868.

CONFEDERATION IN CARIBOO.—Dominion Day was most enthusiastically celebrated in Cariboo. The Colonist, speaking of the Confederation movement in that Colony, says:—The recent action of the people of Cariboo in favor of Confederation, settles forever that question on the Mainland. New Westminster, Yale, Lytton, Bonnaparte, Clinton, and Bakerville, are all in earnest—all determined to have Confederation and have it without delay. The next step in contemplation we learn is a convention of delegates from all parts of the Colony to frame a memorial to the Queen and the Government of Canada, demanding Confederation and representative institutions,—and to send the memorial to both Governments by a delegate.

LA CROSSE MATCH.—Our Indian friends, the Caughnawagas at Garden Island, have taken a kindly hint, and through Mr. Henry Rooney sent, on Thursday, a challenge to the Kingston La Crosse Club to play them a match on Thursday next, at Hitchcock's Grove, Wolfe Island, where a pic-nic of the Wolfe Islanders is to be held. These Indians, whose challenge has been accepted, are young, lithe and active, and besides having a long practice and knowledge of the game in all its points, are possessed of indomitable pluck and endurance. Some of them have played at Montreal with the crack Clubs there. A return match is likely to come off a few days later on the Kingston Ground. As the Kingston Club is quite out of practice, a large muster is desired on Monday morning at five o'clock.

In consequence of this match, the Kingston Club are unable to meet the Grenville Club of Prescott here on the 9th, but have signified their intention of playing them early next month.

EXCURSIONS.—The steamer Bay of Quinte, yesterday, brought down from Tyendinaga quite a crowd of excursionists, who visited the lions of the city. The annual Orange pic-nic, to celebrate the events occurring at the visit of the Prince of Wales in 1860, was held yesterday, the anniversary day. The affair came off at Knapp's Point, Wolfe Island, whither great crowds were conveyed from the city. The threatening weather, culminating at one time in a shower, deterred a large number from participating in the pleasures of the day.

DISTINGUISHED VISITOR.—The Right Rev. Dr. Machray, Bishop of Ruperts' Land, will preach in St. George's Cathedral to-morrow (Sunday) morning at 11 o'clock; at St. John's, Portsmouth, at 4 o'clock in the afternoon; and at St. James', Union St., at 6:30 in the evening.

An interesting public meeting will be held in St. George's Hall on Monday evening, when Dr. Machray will give an account of his mission in the Red River. A collection will be made in aid of St. John's College, Ruperts' Land, which has been established for educating young men for the ministry. We hope that his appeal will be heartily responded to and the Hall crowded on this occasion.

PROMPT SETTLEMENT.—On the arrival at Toronto of the passengers who had lost baggage through the burning of a car at Mallorytown station, East of Kingston, they were requested to send in at once a statement of their losses. They were all through passengers and therefore had no time to lose. The company acted promptly and liberally. They disputed no account, but settled every claim on the spot. They paid out in all about $1,690 for baggage destroyed, and the passengers interested were thus enabled to continue their journey yesterday.

POLICE COURT, Friday.—There was very little business at the Court to-day, and the only cases disposed of were those of James Ellerbeck, who was fined $2 and costs for assaulting Thos. Kinsale on Thursday last, and one drunk, who was ordered to pay the usual $2.

GOOD NEWS FOR MOTHERS.—Croup, Diphtheria and Ulcerated Sore Throat are now controllable diseases. In the most acute and violent cases, the application of Radway's Ready Relief (by rubbing) to the outer surface of the throat, and to the inner surface by gargling or with a swab, produces an immediate change in the malignant character of these maladies.

ANSWER TO MEDICAL INQUIRIES.

MEDICAL DEPARTMENT, R. R. OFFICE,
No. 87 Maiden Lane, New York.

DEAR DOCTOR:

We are compelled to answer your inquiries relative to the curative properties of SARSAPARILLIAN and its associates as constituents in your RENOVATING RESOLVENT in Lung affections, and its wonderful power in arresting waste and decay of the Lungs, healing Ulcers, loosening the phlegm, and enabling the patient to expectorate freely the thick sloughing matter deposited in the air passages and cells of the Lungs and Bronchi and at the same time keeping up the general strength of the patient, repairing the waste with good sound and healthy material, imparting nourishment as well as purification of the blood,—through the medium of the press:—that hundreds of others daily writing us information may know that we have a remedy in the RESOLVENT that will arrest the progression of Consumption, either of the Lungs, Liver, Kidney's or Bowels.

The Resolvent is a compensating remedy, it communicates its curative powers through the blood, sweat, and urine; it restores functional harmony and enables each secreting organ to secrete its proper constituents. Direct remedies, as Lung Balms, Cough Syrups, Pectorals given to act directly on the Lungs, as a regular remedy, are hurtful, as they augment the functions of the Lungs at the expense of suspending or interrupting the functions of the Liver, Kidneys, and Skin. If a patient suffering with a severe cough, with a sense of suffocation or weight in the chest, irritation or soreness in the throat, pain in the shoulders, difficulty of raising or expectorating phlegm, dryness of the skin, or if there is constipation of the bowels, unnatural appetite, great thirst, or if the water discharged, deposits substances like the white of an egg, or brick dust, or thread like skeins, or if there is pain in the small of the back, hips, stomach or bowels, chest, etc., from a dessert to a table spoonful of Resolvent, half an hour after each meal, and if the cough is troublesome one tea spoonful at night, and will afford immediate ease, and will soon remove all unpleasant symptoms.

As aids to the Resolvent, if pain is present, the spine should be rubbed with the Ready Relief, and one to four of Radway's Pills (coated) to insure perfect digestion and regular evacuations from the bowels. The nourishing properties of RADWAY'S RENOVATING RESOLVENT increase the strength and flesh of the patient. We do not claim that this remedy will make new lungs, new kidneys, or other wasted organs, but it will arrest decay, heal ulcers, and supply the waste that is daily passing off, with new sound and healthy material.

The public have but a faint idea of the great importance of RADWAY'S RESOLVENT, in the treatment of chronic disease and disease of the Kidneys and urinary organs. Sarsaparillian and Pareira Brava, two of its ingredients as prepared by Dr. Radway's process, supplies a want that has ever existed, in repairing the waste of the body with pure and healthy material out of new rich blood, of arresting dissolution and decay, of restoring functional harmony, of securing strength, of dissolving calculous concretions, of curing every form of Kidney, Bladder, and Uterine diseases; of stopping all kinds of weakening, purulent, and irritating discharges; of restoring the vigor of life to all, whether induced by self-abuse, impure association, bad habit of system, exposure or accident.

As the RENOVATING RESOLVENT SARSAPARILLIAN enters immediately into the circulation, it commences its work of purification and expulsion of scrimonious humors from the blood at once. Skin Eruptions, Blotches, Pustules, Tetters, Worms and Insects, Black Spots, etc., are removed by a few doses, and the skin changed to a clear and beautiful appearance.

This remedy is superior to all preparations of Bucha, Cubebs Juniper etc., in Diabetes, Catarrh of the Bladder, Gravel, Brick Dusts, and other morbid state of the Urine. The RENOVATING RESOLVENT does not augment the functional secretions of others.

Ask always for Dr. RADWAY'S RESOLVENT, or SARSPARILLIAN RESOLVENT.

Price: $1 per bottle; or, 6 bottles for $5.

In the Spring like most persons are more or less the subjects of disease emanating from a low state of the blood. The causes are various, but it is only necessary to know that in order for the complete purification of that fluid the patient should use

FELLOWS' COMPOUND SYRUP,

with full assurance of obtaining the desired results. This Syrup will also strengthen the organs of digestion, promote healthy assimilation, nourish the system, and renovate the nervous system.

We are enabled to speak with as much confidence in the cure of cases of this character, uncomplicated with organic disease, as of the setting raise grumbling vegetation, or of the sun's rays being followed by light and heat. Persons then who wilfully avoid the use of this remedy, and perish from debility, may be chargeable with felo de se.

Sold by Apothecaries. Price $1.50 per bottle, or six for $7.50.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
