THE GREAT PURGATIVE

DR. RADWAY'S PILLS.

FOR THE CURE OF

ALL DISORDERS OF THE

Stomach, Liver, Bowels, Kidneys, Bladder, Nervous Diseases, Headache, Constipation, Costiveness, Indigestion, Dyspepsia, Biliousness, Bilious Fever, Inflammation of the Bowels, Piles, and all derangements of the internal Viscera.

ONE TO SIX BOXES ARE

Warranted to effect a Positive Cure.

DR. RADWAY'S

PILLS

ARE COMPOSED OF VEGETABLE EXTRACTS PREPARED IN VACUO;

Superior to all Purgative, Cathartic, or Alterative Medicines in general use,

COATED WITH GUM,

Which renders them very convenient, and well adapted for children, and persons who have a dislike to take medicine, and especially pills. Another great superiority of Radway's Pills over all other pills in general use, is the fact of their wonderful medicinal strength, being highly concentrated. One to six of these pills will act more thoroughly, and cleanse the alimentary canal, without producing cramps, spasms, piles, tenesmus, etc., than any other Pills or Purgative Medicine in use.

THE GREAT WANT SUPPLIED.

It is a well known fact that Physicians have long sought to discover a vegetable purgative as a substitute for Calomel, and that would cleanse the Alimentary Canal of all diseased and retained humors, as thoroughly as Lobelia will the stomach, without producing sickness at stomach, weakness, or irritation of the mucous membrane.

In Dr. Radway's Pills, this very important and essential principle is secured. A dose of two to six (according to the condition of the system) of Dr. Radway's Pills will produce all the positive alterative change—from a sluggish or torpid, to a healthy action of the Liver—as the physician hopes to obtain by a dose of Blue Pills, or Calomel; and will as thoroughly cleanse the Stomach, and purge from the bowels the diseased and retained humors as the most approved emetic, or cathartic without occasioning inconvenience or sickness to the patient.

R. R. R.

90

OUT OF

100

OF DEATHS, that annually occur, are caused by Preventible Diseases, and the greater portion of those complaints would, if Radway's Ready Relief or Pills (as the case may require,) were administered when pain or uneasiness or slight sickness is experienced, be exterminated from the system in a few hours. PAIN, no matter from what cause, is almost instantly cured by the Ready Relief. In cases of Cholera, Asiatic or Canadian, Cramps, Spasms, Bilious Cholic, in fact all Pains, Aches and Infirmities either in the Stomach, Bowels, Bladder, Kidneys, or the Joints, Muscles, Legs, Arms, &c., will in a FEW MINUTES yield to the soothing influence of the Ready Relief.

Every Family should keep these life-saving remedies in the house; they are cheap, only 25 cents a box or bottle, can be used on all occasions, where pain or sickness suddenly seizes you, or accidents occur—are safe and rapid in their effects—can be taken or used by infants as well as adults—and all who use them, no matter how sick, or great may be their sufferings—a few hours in the worst cases and a few minutes in ordinary complaints, will afford ease and comfort.

DR. RADWAY

Is in receipt of an important official document signed by the Professors of the Medical College of Breslau, Prussia, embodying the result of an analysis of

RADWAY'S REGULATING PILLS.

Instituted for the satisfaction of the Prussian Government and people. It appears that the great popularity of the pills throughout Germany, as an aperient, antibilious and alterative medicine, had provoked the malice of the apothecaries, who caused a report to be circulated that the ingredients were poisonous. Therefore, a scientific inquisition into their nature and properties was ordered, the issue of which was a most triumphant vindication of the sanitary value of the Pills.

The Faculty of the College state in their report that *after a careful and minute examination*, they have the honour to state that "the pills are not only free from every substance injurious to health, but are composed wholly of substances and elements promotive of digestion, and certain at the same time to act favourably upon the nervous system," &c., &c. They state, further, that the injurious rumours set afloat by the Prussian apothecaries originated "in a mean spirit of trade jealousy, excited by the great celebrity attained by the Pills within a very brief period."

Signed in behalf of the College,

DR. PHIL. THEOBALD WERNER, *Director of the Polytechnic Bureau.*

DR. HEISE, *First Assistant.*

DR. RADWAY'S Pills are sold by Druggists and Country Merchants everywhere. Principal Depot for the New Dominion of Canada, 499 St. Paul, corner of Francois Xavier Street, Montreal, P. Q. D. C.
