PEACE AND ORDER INDEED.—The French papers are at war on the subject of the Spanish revolution. The Pays manifests sympathy with the movement, which the Nouveau Monde characterizes as a blow to the principles of justice, authority, order, and public peace. From a renewal of such justice, authority, order, and tranquility as Spain has enjoyed, may it long be delivered!

THE PASSPORT SYSTEM.—The absurdity of the passport system was lately illustrated in a Russian frontier. A farm house took fire, and the flames might easily have been confined to one building by a single fire engine, but the Russians had none. An engine from a neighboring Prussian village, however, hurried to the rescue, but as the firemen had no passports they could not cross the frontier, and the whole village, except there houses, was destroyed by the fire.

The French fashion of having a male modiste is said to have been adopted by one of the large establishments of New York. It is claimed that men have better taste relative to the female figure than women.

NEWS OF THE DAY.

MONDAY MORNING, OCT. 5, 1868.

G. PISATI.—The Public of Kingston and Vicinity will be pleased to know that Mr. Pisati, the excellent Dealer in Preserved Meats, &c., so long and so favorably known to the lovers of good things, and who left us last Spring to return to Italy, has come back to Canada with the intention of resuming his old business here. Mr. Pisati adds one to the thousands who leave Canada for good, and return in less than a year. See his advertisement.

THE HANLONS.—The Hanlon Troupe gave their extra performance on Saturday night last before an overflowing house. The success they have met here is unprecedented. That truly daring young and handsome Russian, Plan, gave on Friday night the first exhibition here of his acts on the flying trapeze, and excited the most intense wonder and admiration. His movements are very difficult and dangerous, and at the same time neat and graceful. His swinging to the top of the hall on one trapeze, their turning a summersaults and catching on to the other in mid air is a feat calculated to cause quite a thrilling sensation. His acts seem perhaps more agreeable when read about than when seen. He was most rapturously applauded. The Hanlons during their stay in Kingston have won a host of friends.

TOWNSHIP OF PITTSBURGH.—A very large and influential meeting of the friends and supporters of Mr. Calvin was held at the School-house at McNeil's Corners, on Friday evening. Wm. Germain, Esq., occupied the chair, and Mr. Mathew Joyce acted as Secretary. Mr. Calvin explained his views concerning the principles contained in his address, and of his desire, if elected, to carry out in the Assembly the same economy by which he believed he had been distinguished in the County Council. The address was well received. After this a very effective speech was made by Mr. Donald B. Sherwood. Mr Ryan and Mr. M. W. Strange followed, after which it was moved by Mr. Donaldson, seconded by Mr. John Burns, "that this meeting have heard the explanations of Mr. Calvin, and having every confidence in his honesty and integrity, hereby pledge him our cordial support," which was carried almost unanimously. From the tone of the Pittsburgh meetings it is very evident that the candidature of a Grit lawyer (could it take place) would meet with little or no support in that section of the constituency. After a vote of thanks to the Chairman, the meeting separated.

THE VOLUNTEER CONCERT.—The Concert to be given to-morrow evening in the City Hall, in connection with the recent rifle match, will bring forth the best efforts of the leading professional and amateur talent in the city. It is sure to be well attended.

POLICE COURT, Saturday.—One drunk alone this morning put in a plea for the clemency of the Court, but he was subjected to the usual fine of $2, as unalterable as the laws of the Medes and Persians.

HOSTETTER'S STOMACH BITTERS.—Positive pain is preferable to the gnawings, sinkings and flutterings of the stomach, which are sometimes experienced by Dyspeptics. HYPOCHONDRIASIS
Is one of the most difficult to treat successfully of all nervous diseases. Reasoning with nervous or hypochondriacal and insane persons rarely proves serviceable. The mind cannot be overcome while the nervous system is weak. In many instances the deriding laugh at the unfortunate or the more temperate appeal to the reason is absolutely injurious, by exciting irritation in the mind of the sufferer, who thinks his advisers either unfeeling or incredulous toward his complaint. There is, however, no longer necessity of resorting to such treatment. Both the feeling and the reasoning faculties are now successfully treated by
FELLOWS' COMPOUND SYRUP,
through its direct and potent action on the nervous centres.
Sold by Apothecaries. Price $1.50 per bottle, or five for $7.50.

A CARD.

A CLERGYMAN, while residing in South America as a Missionary, discovered a safe and simple remedy for the cure of Nervous Weakness, Early Decay, Diseases of the Urinary and Seminal Organs, and the whole train of disorders brought on by baneful and vicious habits. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any one who needs it, FREE OF CHARGE. Address

R. R. R.
A Great Sensation!—A Good Sensation!!
PAIN CURED IN AN INSTANT.
In 1847, the great grand principle—of stopping the most excruciating pain in an instant, without employing such a dangerous agent, as Chloroform, Opium, Morphine, Aconitine, Ether, ect., was first made in
Radway's Ready Relief.
This Remedy accomplished this wonderful and delightful desideratum in all cases of external and internal pain. In an instant it afforded relief, the moment it was applied to the parts of the body, where inflamation or pains existed—it at once relieved the patient of the most violent and excruciating pangs and throbs of pain, and imparted the delightful sensation of ease and comfort.

Every kind of pain, whether Rheumatism, Neuralgia, Toothache, Pains in the Chest, Side, Lungs, Stomach, Bowels, Kidneys, Spine, Legs, Arms, Feet, one application was sufficient to kill and exterminate the pain.

Taken internally 20 drops to a teaspoonful would cure and will cure, Asiatic Cholera, Fever, and Ague, Chills and Fever, Bilious Cholic, Inflammation of the Bowels, Cramps, Spasms, Diarrhœa, Dysentery, and every pain that may exist in the inside of man, woman or child; this was Radway Ready Relief, of 1847, and it is Radway's Ready Relief greatly improved in 1868.

We then started it in its mission of relieving the infirm, pain stricken, sick, diseased and crippled of all nations throughout the world, and now to-day it is used, and patronized and revered as a household necessity, in palaces of Sultans, Emperors, Princes, Kings, High Priests, Nobles, as well as in the cottages of the laboring classes of every nation on the face of the earth.

In every war that has taken place within the last 30 years, this remedy has been used as a preventive of malarious and infectious diseases—as well as a cure for wounds, stiff joints, bruises, accidents, and to relieve the soldiers from pain. Letters from Army Surgeons and distinguished Generals and soldiers in our late war are on file, certifying to the wonderful service of the RADWAY'S READY RELIEF. It will prevent all against a dose of the worst diseases that prevail, as plagues or epidemics, and those who are so fed will at once check the disease and cure the patient sometimes with, and at others without much medial assistance. This is Radway's Ready Relief. Persons afflicted with external pains or rheumatism, neuralgia, tooth ache, cramps, spasms, etc. Bathe the parts affected, either by rubbing with the hands or with a sponge dipped in the RELIEF, and will pain cease to exist.

The miserable stuff, scented with the Oil of Cassia or Peppermint, sold under the name of paint, etc., are nothing but weak imitations of RADWAY'S READY RELIEF, sent forth to the world under our old advertisements of 1847, etc. They are but imitations, and will die out in a few months. Their makers—nothing but a set of vagrants, street hawkers, and camp followers of side shows to circuses, after the fashion of the "For Four Cent Man," knowing as much, or rather little, about medicine as Barnum's "What is it?" The doggrel advertisements, they pay hungry Bohemians to write for them. The existence of these miserable imitations of the great and good Ready Relief of Dr. Radway, will be brief—old patrons of Radway's Ready Relief are daily coming back, and so it will ever be—Radway's Ready Relief will ever stand the first, the best, and the cheapest and quickest remedy for the instant cure of pain in the world.

RADWAY'S READY RELIEF is sold for 25 cents in bottles holding three times as much as any 35 cent bottle of any other remedy for the same purpose—and as much as $1 of the Pain Killers. One bottle will hold out longer and do more good than half a dozen bottles of any other remedy. Sold by Druggists everywhere at 25 cents per bottle and at 439 St. Paul Street, Montreal.

ALBION HOTEL,
MONTREAL, P. Q.
IN 1857 MR. DECKER purchased the "Albion," when then contained fifty rooms. In 1859 he added a New Wing of Forty Rooms. The steady and rapid increase in the business compelled him, in 1862 to build a second New Wing of Fifty Sleeping Rooms, with large Dining Room, capable of seating Two Hundred Guests. Notwithstanding all this additional accommodation, hundreds of merchants and others, patrons of the "Albion," have been obliged to seek accommodation elsewhere during the Spring and Fall Business Seasons. Encouraged by the liberal patronage extended to the "Albion," the proprietor has built a third addition of Ninety Sleeping Rooms, large Parlors, Reading Rooms, Office, etc., fronting on McGill Street. Fifty of the Sleeping Rooms will be furnished and ready for the Fall Trade. In the Spring of 1869 all the improvements will be completed, when the "Albion" will have an entrance on McGill Street instead of St. Paul Street.
The charge will be $1.50 per day, as heretofore.

HALL'S
Vegetable Sicilian Hair Renewer
Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.
It is recommended and used by the First Medical Authority.
The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

The County Election.

To the Electors of the County of Frontenac:

GENTLEMEN,—The death of your late member, Sir Henry Smith, having rendered vacant the representation of the County of Frontenac in the Legislative Assembly of Ontario, I am induced to think that the offer of my services might be acceptable to the Electors. Long identified with the County Interests, and having, as an old member of the County Council, and a Warden, become thoroughly conversant with your local affairs, I am, I think, in a position to be of service to you in the Legislature. Many of you, too, have had knowledge of me in my business transactions, and you can thus in both respects form an opinion of my fitness for the honor which I seek at your hands.

Agriculture will save in me a warm and active friend, and I shall always be ready to lend my aid to all measures having its advancement in view.

The promotion of the settlement of the country I shall endeavor to further by seeking to have the Back Roads completed, by endeavoring to secure the passage of a generous Homestead Law, and the adoption of a more liberal policy with respect to Free Grants of Public Lands.

Education has been greatly fostered in Canada for many years past by grants of public money. I believe that most good can be done with such grants by adopting the channels which the various denominations of Christians among us have selected for the expenditure of their own means, and I will advocate the continuance of the Grants to the several Colleges in Ontario which they have hitherto received.

The present Government of Ontario has met the just expectations of the people in the economical administration of public affairs, and is entitled to my cordial support.

I will endeavor to see you as far as time will permit, between now and the Election, and will be ready to explain my views on all public questions.

D. D. CALVIN.
