Tremendous Fire in Cariboo.

THE PRINCIPAL TOWN IN ASHES—LOSS OVER ONE MILLION DOLLARS.

From the British Columbian, Sept. 23rd.

It becomes our painful duty to chronicle a fire in comparison with which all that have previously happened in this colony are as a drop to the bucket. On Wednesday, the 16th inst., about 2 p.m., a fire broke out in Barry's saloon, Barkerville, and before five o'clock the entire town was one mass of smouldering ashes. When it is understood that Barkerville was the principal town in Cariboo, the depot, in fact, for that entire region, some idea may be formed as to the extent of the disaster. The loss is variously estimated from one to two millions of dollars; and if the cost, or indeed, the market value of the buildings be taken into the account, we fear that the higher figure would not be found out of the way. We are still without details; but respecting the extent and main features of the deplorable disaster, there can be no doubt. It appears that so great was the rapidity with which the fire spread, that in most instances little or nothing could be saved, even books, valuable papers and bank notes themselves falling a prey to the devouring element. Of all the merchants, we are told that but one, Mr. Strouse, had taken the precaution to insure; and he only to the extent of $40,000, upon a stock of something like $120,000. So far as at present known, the only parties who succeeded in saving anything worth mentioning were Mr. Strouse, Messrs Gunbaum Bros., and Mr. J. T. Scott, the last mentioned having saved his saloon, and a greater portion of his stock. The Hudson Bay Company had a warehouse beyond the precints of the town, which, of course, escaped, but their retail store met the common fate. It is difficult to estimate the extent of injury that must accrue to the country from this disaster. With Winter so near, and no time to replace much that has been burned, it is to be feared that the mining interests must suffer, and that many who would otherwise have remained in Cariboo, will now have to leave the mines. Unquestionably there must be a very large quantity of goods in transitu between the seaboard and Cariboo, for shipments were never so heavy as they have been during the last six or eight weeks. But, view the matter in the most favorable light, one cannot evade the conclusion that to have some two million dollars' worth of property swept away in a moment, and so large a population left not only penniless but houseless at this late season, is a blow sufficiently heavy to make itself felt throughout every district and in every interest

NEWS OF THE DAY.

FRIDAY MORNING, NOV. 13, 1868.

The Auctioneers.

The Police, doubtless by order, have of late been interfering with the City Auctioneers, by preventing them from selling in the streets. Allowing the restriction to be a legal one, is it a necessary or equitable one? We think not. The Auctioneers do no harm by selling in the streets; on the contrary they do good; by obtaining larger audiences than when inside their rooms, and thereby obtaining better prices for the goods of poor people which they sell. The inconvenience to the public is really nothing. Many things cannot be sold otherwise than in the street; to wit, horses and cattle, carriages of all kinds, and farming implements. We know not why the Auctioneers have been thus wantonly interfered with, but hope that the restriction will be withdrawn. It will be time enough to put a cruel by-law into force, when the practice it forbids is injurious to the public weal.

THE RECOVERY OF STOLEN HORSES.—Some time ago Mr. Sigsworth, of the Township of Portland, had a valuable mare stolen from his stable a second time, but was fortunate enough to recover it again on the 3rd inst., three days afterwards. The thief was not arrested, and is believed that he is the same person who stole the mare on the first occasion. The last time the mare was taken it was sold to Mr. Rathburn, of Mill Point, for $45, after which the thief decamped. Mr. Sigsworth offers a reward of $20 for his apprehension. He is also, no doubt, the thief who stole the horses of Mr. Lyman, of Mill Point, and Mr. Black, of Tyendinaga. Those of the last named person has since been recovered.

INFANT FOUND.—On Thursday morning a female infant, about six months old, was found in the water closet, on the premises of Mr. John Hunter, near the Lower Depot, by one of his neighbors. The child was clad in the ordinary clothes of an infant of poor people. No clue has as yet been obtained to the inhuman parents, save that a man was seen going in that direction with an infant in a basket some days previous, but nothing has transpired to determine who that person was, or to identify the circumstance with the present desertion. The child is well, and has been taken charge of by the City Authorities.

POLICE COURT, Thursday.—Two liquor cases were the only business before the Court this morning. Michael McGinness was charged by Inspector Mostyn with selling liquor on Sunday. Three witnesses were examined and testified to having bought and paid for liquor on the above day. The defendant was fined $20 and costs. The other case was that of Wm. Shanaghan, charged with the same offence, but acquitted, and fined $10 for allowing gambling to be carried on in his house. The case of Le Page was further adjourned.

At a session of the Court this afternoon, Edward Kinchley, constable of Pittsburg, was charged with assaulting Mrs. McPherson. Particulars of the case to-morrow.

FELLOWS' COMPOUND SYRUP.

To Mr. JAMES I. FELLOWS, Manufacturing Chemist, St. John, N.B

We the undersigned, have much pleasure in recommending your Compound Syrup. After a fair and protracted trial of the same, we consider your preparation a very valuable nervous tonic, far surpassing many others of considerable repute, and well worthy the confidence of the profession generally.

We beg to remain, yours very truly,

A. H. CHANDLER, M.D.
H. A. JACOBS, M.D.

Moncton, N. B., November 9, 1867.

Mr. JAMES I. FELLOWS, Manufacturing Chemist.

Sir,—For several months past I have used your Compound Syrup in the treatment of Incipient Phthisis, Chronic, Bronchitis and other affections of the Chest and I have no hesitation in stating that it ranks foremost amongst the remedies used in those diseases. Being an excellent nervous system, and through it it invigorates the body.

It affords me pleasure to recommend a remedy which is really good in cases for which it is intended, when so many advertised are worse than useless.

I am Sir, yours truly,

Z. S. EARLE, Jr. M.D.

PHILOSOPHY OF MARRIAGE.

A new Course of Lectures, as delivered at the New York Museum of Anatomy, embracing the subjects: How to Live and what to Live for; Youth, Maturity, and old Age; Manhood generally reviewed; The cause of Indigestion; Flatuence and Nervous Diseases accounted for; Marriage philosophically considered, &c., &c. Pocket volumes containing these Lectures, will be forwarded post-paid, on receipt of 25 cents, by addressing "SECRETARY, New York Museum of Anatomy and Science, 618 Broadway, New York." 12

A CARD.

A CLERGYMAN, while residing in South America as a Missionary, discovered a safe and simple remedy for the cure of Nervous Weakness, Early Decay, Diseases of the Urinary and Seminal Organs, and the whole train of disorders brought on by baneful and vicious habits. Great numbers have been cured by this noble remedy. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any one who needs it, FREE OF CHARGE. Address

JOSEPH T. INMAN, Station D, Bible House, New York City.

Sarsaparillian.

Associated with other powerful vegetable ingredients that form RADWAY'S SARSAPARILLIAN RESOLVENT, is curing the worst cases of Chronic, Scrofulous, Syphiloid, and Urinary Diseases, as well as Skin Diseases.

A medical gentleman inquires "if the Resolvent is a cure for Spermatorrhea, Impotence, and Discharges from the System, that threatens dissolution," &c.

THE RENOVATING RESOLVENT, when prepared under the old process, cured many persons in this city and elsewhere, who, from self-abuse, had almost placed themselves beyond the reach of cure, but who were cured, and since married, and have children. This is good evidence of its powerful curative and fruitful efficacy.

As a Blood Purifier, it is superior to all Sarsaparillas—these decoctions are mere washes compared to the powerful, stimulating strengthening, and life-invigorating effects of the true SARSAPARILLIAN RESOLVENT. So quick as this remedy is passing into the circulation, that it may be detected in the Blood and Urine in ten minutes after it is taken.

In ordinary Pimples, Blotches, Worms or Insects in the Skin, Black Spots, Sores, Eruptions, &c., a few doses is sufficient to make the skin clear, smooth, and healthy.

In aggravated Disease of the Skin, Sores, Ulcers, Fever Sores, Salt Rheum, Syphiloid, Secondary or Primary, this remedy cures permanently, and has cured after the treatment of Ricord, Velpeau, Du Barry of Paris, and the same treatment in this country, failed. (For the theory of cure, see Dr. Radway's new medical book, False and True, now ready;) also, many other diseases not preper to mention in a public advertisement. But so powerful is this remedy, that physicians, who formerly had no faith in Sarsaparilla, are deeply interested in its wonderful effects, a prepared by Dr. Radway in the SARSAPARILLIAN RESOLVENT.

It is acknowledged to be a superior, a safer and more rapid cure than Buchu, Juniper Cubebs, Turpentine, Copaiba, &c., for all diseases of the Urinary, Bladder, or Uterine Organs, and the only sure cure for Teleration and Degeneration of the Kidneys. Dr. Radway has for several years given special attention to diseases of these organs, and his treatise on Kidneys, Bladder, and the Urine in "False and True" is the most thorough and explicit of any published.

THE SARSAPARILLIAN RESOLVENT is the best remedy in the treatment of Consumption of the Lungs and Bronchitis.—It purifies the Blood and loosens the phlem, so that expectoration is easy. It supplies the waste and decay of the body with new and healthy material, and repairs the emaciated body with new strength—it secures a good appetite, and checks the waste and dissolution of the lungs. A few doses in consumption will do good.

Read FALSE AND TRUE. Send one letter-stamp to RADWAY & CO., No. 87 Maiden Lane, N. Y. Information worth thousands will be given you. Price of RESOLVENT SARSAPARILLIAN, $1 per bottle, or $10 per dozen.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
