Letter from Garibaldi—Fenians Arrested—Riots in Dublin.

London, Nov. 20.

A letter is published to-day from Gen. Garibaldi, urging Spain to choose a dictator for two years and then to establish a republic.

London, Nov. 20.

Peter Burns and Merton Constantine were arrested at Ashton yesterday, on suspicion of belonging to the Fenian organization. Valuable papers understood to give details in regard to the organization were found on the prisoners.

London, Nov. 20.

The corporate authorities of Brighton yesterday presented an address to the Minister of the United States. Mr. Johnson, in his response, gave a history of the negotiations with the Foreign Office. From what Mr. Johnson let fall concerning the terms of the Convention for the settlement of the Alabama claims, it appears that a majority of the Commissioners are to decide upon individual claims in case the Board should select an umpire.

The citizens of Sheffield propose a popular testimonial in honor of Mr. Roebuck, the defeated candidate for parliament from that city.

Dublin, Nov. 20.

Violent riots took place at Drogheda during the election. The troops were called out and fired on the mob. One of the rioters was killed and several were wounded.

Berlin, Nov. 20.

The Prussian Diet has adopted a resolution in favor of entire freedom of debate, and the resolution has been approved by the Crown.

The following are N. Y. Democrat Specials:—

London, Nov. 19.

This evening a deputation of the Liberal members of the House went to the residence of Mr. Gladstone, to congratulate the distinguished statesman upon the triumph of his party in the late election. Mr Gladstone said in reply that he declined the honor of attributing to himself the victory, but that it was rather to the efforts of the members present than to his own exertions, that success was due. He though the campaign just concluded had proved two things—the aptitude of the people to participate in the government of the country, and the desire of all England to cement the national union between England and Ireland.

The Reform Club, the headquarters of the Liberals, in Pall-Mall, is illuminated.

Dublin, and all the large cities of Ireland, participate in the satisfaction expressed by the English Liberals.

St. Petersburg, Nov. 19.

An order issued from the cabinet of the Minister of Foreign Affairs compels all travellers through Russia to be provided with a passport, and to have it registered in all the cities.

Vienna, Nov. 19.

A despatch from Agram (Crotia) states that a band of brigands have invaded, in open daylight, the city of Palanko, and robbed the city treasury, containing $500,000.

LATEST.

Naples, Nov 20.

The eruption of Mount Vesuvius is very threatening. The lava has set a whole forest of chestnut trees on fire, causing immense devastation.

London, Nov. 21.

The Times gives the following as the result thus far of the elections:—Liberals, 310; Conservatives, 168.

The Daily News claims a Liberal majority of 146.

SAD CONCLUSION OF A GUILTY ACT.—Some time ago a farmer named Gloin, and aged sixty odd years, residing in the neighborhood of Whitby, left wife and family and bolted with a young woman about twenty. For some time their whereabouts was unknown, but it was at last discovered that they were living at Yarmouth Centre, in the county of Elgin. News having reached them that the husband of the woman had ascertained where they were, and that he was coming speedily to square accounts with the old seducer, and that his manner of balancing would be prompt and decisive if not according to rule, Gloin and his mistress made up their minds to flight. But he took another notion, and while preparations for their departure were making he slipped out quietly and cut his throat with a razor. Happily for the injured husband his vengeance was forestalled. His wife has returned to him, but the manner of her reception is not made known.

STEAMBOAT COLLISION.—There are always two sides to the same story, so we give the Globe's version of the recent collision, evidently on the information obtained from the officers of the propeller:

Through some misunderstanding as to the 'right of way,' the steamer Corinthian on a down trip, and the propeller St. Lawrence coming up, came into collision on Thursday morning about four o'clock, when about two miles below Kingston. The stem of the Corinthian struck the propeller on the starboard quarter, and the shock of the latter is described as being like that of an earthquake. The Captain, however, having ascertained that no thing but the smashing in of his staunchions was the result of the collision, concluded to proceed to this port, and arrived here safely this morning.

JUST APPRECIATION.—The conduct of the Hamilton Times in ferreting out and exposing the enormities committed at Niagara Falls, on visitors, by the Saul Davis gang, has been justly appreciated. Their course, so greatly in the public interest, involved them in an expensive law suit, and it is proposed to get up a subscription to indemnify them. The movement is a good one, and should receive a wide support.

NEWS OF THE DAY.

MONDAY MORNING, NOV. 23.

CHANGE OF MAILS.—The United States mails will now close daily at 10:45 a.m., and the English mails, by the Cunard and Bremen steamers, will consequently be made up at an earlier hour than heretofore. See advertisement.

☞ On Saturday the indications of a snow storm were more promising, but none fell beyond a few flurries throughout the day.

MUNICIPAL ELECTIONS—ST. LAWRENCE WARD.—Mr. G. Brown is the retiring Alderman in this Ward this year, and in another column he solicits through a card, the votes and interest of the electors of the Ward, and a renewal of the confidence they have placed in him for the last twelve years. It is understood that a large requisition to Mr. S. T. Drennan, requesting him to come forward as a candidate, has emanated from a portion of the ratepayers of the Ward.

LECTURE AT ST. GEORGE'S HALL.—The second Lecture of the course to be held during the coming winter in St. George's Hall, every alternate week, was delivered on Friday evening by J. H. Allen, Esq. There was a fair average attendance, being an improvement in this respect over the preceding lecture. The subject selected was "the great boon geology touches," and Mr. Allen, as might be expected, did full justice to the subject, and rendered it interesting. We feel that when greater publicity is obtained for these lectures, they will not fail to be thoroughly appreciated.

MILITARY SCHOOL.—The following cadets obtained certificates during the past week:—2nd class, Solomon Stewart, Matilda; George Kerr, Perth. 1st class, J. Lloyd, Simcoe; Richard T. Steele, Brockville.

SARSAPARILLIAN RESOLVENT

Is a better remedy and a surer curative for Kidney, Bladder and Urinary difficulties and Buchu, Turpentine, Cubeb, Juniper, Gin, or any other direct diuretic known.

SARSAPARILLIAN RESOLVENT is a quicker cure for the removal of spots, blemishes, sores, eruptions of the skin, black spots or worms in the flesh, than any of the ordinary Sarsaparillas in use. These decoctions are mere washes to the powerful, stimulating and purifying efficacy of DR RADWAY'S SARSAPARILLIAN RESOLVENT. A few doses will restore the vigor of life to the weak, deliberated an infirm.

RADWAY'S SARSAPARILLIAN RESOLVENT is the consumptives' hope. It loosens the phlegm, repairs the waste of the body with new healthy material, made from pure, rich blood, and stops decay. Let it be tried.

Buchu is not a safe or safe remedy to take as a general medicine; it is subject to the same objections, as Blue Pills Quinine, Corrosive Sublimate Mercury, etc., and other direct or exclusive properties. Persons that have taken either of these renowned agents for a length of time, are aware of the serious trouble involved—the liver, spleen, and other glands suffer. So with Buchu—its exclusive diuretic action on the kidneys, when used continuously, suspend the secreting functions of other organs. Buchu, as if well known, is a direct diuretic, and is chiefly employed by medical men to secure an increased action of the kidneys.

But in most cases when thus employed, its use after a few doses is suspended and opiates administered, to modify his action, or to compensate the kidneys from the great strain they suffer from the direct influence of Buchu. Now Buchu indiscriminately used in cases of diabetes, gravel, brick dust deposits, urea, uric, or lithic acid; and in granular degeneration of the kidneys, catarrh of the bladder, dropsy, etc., is like taking salts to check diarrhœa.

PAREIRA BRAVA, associated with SARSAPARILLIAN and other remedial agents, in RADWAY'S REGOVATING RESOLVENT, is compounding remedy. It cures every kind of disease of the Kidneys, Bladder, Skin, and Urinary Organs. A few doses will make the extraordinary change—for the better.

One ounce of Dr. Radway's Extract of the Pareira Brava Root, is worth all the Buchu Leaves that ten generations of Hottentots or other Savages can gather. Try it, and be cured.

Ask for Dr. Radway's Sarsparillian Resolvent. Price, $1 per bottle, or 6 bottles for $5. Address.

RADWAY & CO.,

SARSPARILLIAN RESOLVENT stops all weakening discharges that threaten to destroy life. The Resolvent, when prepared under the old process, cured many persons of diseases brought on by self-abuse, who have since married and have children. This ought to be good evidence of its powerful purifying and fruitful efficacy. As prepared now, under Dr. Radway's new process, there is no disease that can be reached through the blood, urine and sweat, but that it will cure. Many diseases, not proper to mention in an advertisement, is explained, and means of cure pointed out, in Dr. Radway's new Medical Publication, FALSE AND TRUE, now ready. Address RADWAY & CO., 439 St. Paul Street, Montreal. Price of RESOLVENT SARSPARILLIAN, $1 per bottle, or 6 bottles for $5. 277

PHILOSOPHY OF MARRIAGE.

A new Course of Lectures, as delivered at the New York Museum of Anatomy, embracing the subjects: How to Live and what to Live for; Youth, Maturity, and old Age; Manhood generally reviewed; The cause of Indigestion; Flatulence, and Nervous Diseases accounted for; Marriage philosophically considered, &c., &c. Pocket volumes containing these Lectures, will be forwarded post-paid, on receipt of 25 cents, by addressing "SECRETARY, New York Museum, of Anatomy and Science, 618 Broadway, New York." 12

AFFECTIONS OF THE CHEST AND THROAT.—Persons afflicted, however slightly, with any weakness of the Chest or Throat involving either the Larynx, Trachea, Bronchial Tubes, or the Lungs themselves, should on the first symptom, commence with FELLOWS' COMPOUND SYRUP, as by its use diseases of those organs (even consumption in its primary stage,) are speedily cured, and more alarming symptoms prevented. This we are enabled to state most positively.

The Blood is restored to purity and health; the Nerves and Muscles are strengthened, while tuberculous or consumptive deposit is retarded.

The extraordinary effect of this preparation is due to its power of imparting the vital principle to all constitutions impaired by wasting or debilitating maladies. It is acceptable to the palate, and suitable for all ages and all constitutions.

Sold by Apothecaries. Price $1.50 per bottle, or 6 for $7.50.

Price 50 cents per bottle. Sold by Druggists. 271

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
