The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or Cacao) of MARAVILLA is the true THEOBROMA OF LINNEUS. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa have, by the skilful application of their double principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homœpaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 14 1868.

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which superseded every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

ANYONE CAN USE THEM.

REPUBLISHED BY THE LEONARD SCOTT PUBLISHING CO., NEW YORK.

INDISPENSIBLE TO ALL DESIROUS OF BEING WELL INFORMED ON THE GREAT SUBJECTS OF THE DAY

4. THE NORTH BRITISH REVIEW, now in its 51st volume, occupies a very high position in periodical literature. Passing beyond the narrow formalism of schools and parties it appears to a wider range of sympathie and a higher integrity of conviction.

5. BLACKWOOD'S EDINBURGH MAGAZINE was commenced 52 years ago. Equalling the Quarterlies in its literary and scientific departments, it has won a wide reputation for the narratives and sketches which enliven its pages.

A REPOSITORY OF FASHION, PLEASURE AND INSTRUCTION."

Harper's Bazar.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight, and occasionally an elegant Colored Fashion Plate.

HARPER'S BAZAR contains 16 folio pages of the size of Harper's Weekly, printed on superfine calendered paper, and is the largest weekly

Critical Notices of the Press.

HARPER'S BAZAR contains, besides pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress, and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and it has, besides, good stories and literary matter of merit. It is not surprising that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its publishers have filled the demand. The young lady who buys a single number of Harper's Bazar is made a subscriber for life.—New York Evening Post.

The Bazar is excellent. Like all the periodicals which the Harpers publish, it is almost ideally well edited, and the class of readers for whom it is intended—the mothers and daughters in average families—can but profit by its good sense and taste, which we have no doubt, are to-day making very many homes happier than they may have been before the women began taking lessons in personal and household and social management from this good-natured mentor.—The Nation.

It has the merit of being sensible, of conveying instruction, of giving excellent patterns in every department, and of being well stocked with good reading-matter.—Watchman and Reflector.

SUBSCRIPTIONS.—1870.

SARSAPARILLIAN RESOLVENT.

NEW PRINCIPLES OF CURE

Of all Wasting, Scrofulous, and Eruptive Diseases of the Eyes, Nose, Mouth, Throat, Ears, Head, LUNGS, Kidneys, Bladder.

THE SKIN MADE PURE, CLEAR, SMOOTH, AND BEAUTIFUL.

Dr. Radway's Sarsaparillian Resolvent establishes a new principle of Cure of all Chronic diseases, and proves to the medical world that Consumption and other Scrofulous diseases are curable. This fact has been demonstrated in over

One Hundred Cases of Confirmed Consumption,

where one lung in over seventy cases was destroyed and dried up, and in over

500 CASES OF SUSPECTED CONSUMPTION.

Dr. Radway, three years since, published to the world his analysis of the Blood in the several stages of **Consumption,** showing in every stage, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial Glands, Intestines, establishing Consumption of these organs, the **Blood** is thin, weak, pale, watery, and is deficient of such constituents as fibrin, albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of these constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation, it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. Radway was the first to advance this theory of the cause of Consumption and to kindred diseases, and prepared the **Radway's Resolvent** to supply the Blood, with such constituents it was deficient of, in these conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. Radway's theory was published in England, France, Germany, and America, and was seized upon by the scientific men of both hemispheres. From his text medical books have been since published by medical writers, claiming to have discovered the cause of Consumption, but have *failed* to produce the remedy to cure. Dr. Radway was the first to advance this theory, and the first and only discoverer of a medicine that will cure. **Radway's Sarsaparillian Resolvent** the public have a remedial agent that will cure Consumption and all diseases of the Lungs, **Bronchial, Kidneys, Bladder, Womb, Throat, Glands, and Urinary Organs.**

In all Wasting Discharges, such as Involuntary Loss of Sperm, Emissions, Weakness of the Genital Glands, Leucorrhœa, and all Uterine difficulties, Gravel, Lime Stone, Brick Dust, Uric Acid, and Calculous Concretions, the **Sarsaparillian Resolvent** is a positive cure. In Dropsy, Diabetes, uncured Venereal Syphilis in its many forms, it cures when all other medicines fail.

EVERY DAY

an increase of flesh, weight, and strength is experienced. It is Fat-tissue, Calorie or Heat-making. It is to the blood what oxygen is to the atmosphere—it supplies the life principle. It swiftly removes from the surface all Spots, Blemishes, Pustules, Tetters, Rash, Flesh Worms, Sores, &c., imparting a **Clear & Beautiful Complexion to all.**

CERTIFICATE OF BEAUTY.

The following letter is from a highly-gifted lady, well known in the "circles of our best society:"

LAWRENCE, Feb 9, 1869.

I feel not much confidence in your SARSAPARILLIAN RESOLVENT. THREE days have elapsed for the last four months with BLOTCHES and PIMPLES. I received, at all events, to try it, and THE TWO TEASPOONFUL have done a day or two. To be sure, quite ONE MONTH elapse I commenced to use. To-day there is not a BLOTCH, spot, blemish, or defaction of any kind on my person.
