NOW here's how it's done. Abitibi Price Inc. swing foreman Les Palmer of Monteith describes the woodcutting process to Heather Laverdiere. 730

Railway St., Porcupine. The forestry display was one of many historical and informative exhibits at the Northeastern Ontario

heritage festival held during the weekend at Northern College. The festival, two years in the making, was described as an over-

whelming success by organizers. Some 800 persons from across the northeast attended the event sponsored by the Ontario Heritage Foundation.
