TEA TIME TALK

(BY WILMA J. MARCH)

The Year's at the Spring! It's in the air, the skies, the trees and the flowers. Warm balmy breezes, wondrous blue skies, orange blossoms bursting with their fragrant loveliness, and violets, blue and white and yellow—iris by the brook and nasturiums in the garden! Fruits, luscious and sweet! Mulberries for pies, guavas and loquats for jam. Raindrops and sunshine and moonlight so bright!

The past week has brought a great deal of splendid rainfall, but always interspersed with golden sunbeams and between the clouds the moon- [illegible] a newspaper by that light alone. A few years ago a report was published that in Yuma, Arizona, there had been just one day in 47 years when the sun had not shone. Folks said it was monotonous, but how much better that way than to have had that period with only one day of sunshine and those years without it? It won't be long till the sap will be running in the good old Canadian Maple trees. I learned recently that "maple" comes from a Latin word meaning sharp because of the ancient use of the wood for spearheads and other weapons.

Sonny and I hiked to this delightful paradise, called "Crystal Springs" and I wish you all could be here to see its beauty. The outline of the stream is broken by many bends and curves, with overhanging trees from which is hung swaying ponds of Spanish moss. The water is so very clear that the tiniest fish or plant life on the sandy bottom is plainly visible. Around this peaceful dreamy scene one would never think that the outer world could hold rumors of war and the greed for wealth and power, yet in the far East stands Japan, Russia and Manchuria and the propresies of the Bible are being fulfilled. Some of the most powerful organizations in America pleaded with President Roosevelt to not recognize Russia and her demands. The American Legion begged for this. But the President cooly disregarded such pleas and single-handed, without even the advice of the Senate, accepted Russia's wish for recognition. It was to happen and happen it did, and the beginning of the outcome is not far off. Did not that Russian envoy sail straight from American shores to Mussolini? A cloud hangs over the far East and just when the storm will break remains to be seen. But we may rest assured that no matter how impossible it might seem, if its God's plan, then it will come. Religion will enter into it too—it has already in Russia.

Speaking of religion reminds me that the seven days of the week are designated as a day of worship by various nationalities and religions—Monday by the Greeks, Tuesday the Persians, Wednesday the Assyrians, Thursday the Egyptians, Friday the Turks, Saturday the Jews and Sunday the Christians.

I've wandered far. To get back to my surroundings. Excitement! Sonny just discovered a water moccasin snake about four feet long. Not one indeed—but two—well only one lives now for either Mr. or Mrs. Moccasin is dead. The camp manager ended his career. [illegible] fish gave him a "run". Folks say these creatures do not bite while under water. We ought to be grateful for such courtesy. Well snakes are good for something in Brazil, at least, for there they have a species called the anaconda, instead of a cat to kill mice.

The diving towers are filled with beach-clad girls and boys playing ball with oranges and grapefruit while many of these golden orbs float slowly down the now empty pool.

Folks from the ocean or gulf flock to the fresh water lakes for a change and the inland folks love a day in the salt water. Nothing gives one such an appetite as that strong, exhilarating breeze from across the Gulf of Mexico. Swim, eat, sleep, that is the routine of the day at those beaches. Incidentally the humming bird, the smallest of birds, crosses the Gulf of Mexico, a distance of 500 miles in a single night.

There is a regular boom of tourists in St. Petersburg and Miami especially. Accommodation is hard to find at any price. The winter stores such as novelty and frock shops will be reducing prices to gather in their harvest while the money is still in their midst. Strawberries are four cents a quart if you bring your own baskets and we are picking wonderful mushrooms. Doesn't that make you hungry? But wait till I tell you about a house trailer in camp pulled by a Reo speed wagon. It is owned by Mr. Linn, a wealthy New York man from Oneonta. It is a rolling palace just like a Pullman parlor coach, with every known luxury. It was longer when first built but the Florida law refused to admit it for safety reasons. The original coach cost $20,000 and the present one $11,000. The chauffeur drives this coach and his wife drives the twelve cylinder Packard. Mr. Linn is "flying down to Florida" in a few days to join his family.

A few weeks ago Flesherton curlers took the Cooper Shield home with them after defeating the locals and since that time several rinks from here have gone to Flesherton to bring it back but all failed in their efforts until Tuesday evening when two rinks were successful. Milt Perkins, Louis Thibaudeau, B. Hamilton and W. J. Plewes won from Cecil McTavish's rink by 8 to 6 and Harold Bowler, Jack Dillon, Jack Elliott and Carman King beat Mark Wilson's outfit by 9 to 5.

A fire in the Knott block on the south side of Main Street had a good start before being discovered about eleven o'clock Tuesday night, but after the alarm had been given it was only a few minutes until the brigade had it under control. The blaze evidently started from a defective chimney on Jos. Hammer's shoe shop and before the alarm was given the flames were coming out of the roof and the rear wall. There was good pressure and when the water was turned on it took but a very few minutes to subdue the flames. The roof and rear wall were considerably damaged and the interior of the Hammer shop and King's grocery were soaked with water. It was lucky the blaze was discovered before gaining too much headway.

This was the tenth game this year for the locals who now have a record of 9 wins, 1 tie and no losses.

ROBERT J. BOYD

A sad gloom was cast over the community when it was learned that Mr. R. J. Boyd had passed away. Deceased was in his 82nd year. He had been in failing health for some time and about a month ago he contracted a cold. Owing to his advanced age he was unable to overcome his weakness and passed peacefully away on Friday morning, March 2nd, 1934, at his home in Holland township.

Deceased was born in the township of Cartwright in the year 1852. He came to the township of Holland when 20 years of age and settled on the farm where he resided ever since. He leaves to mourn three daughters, Nettie, Charlotte and Eleanor, and one son, Albert. His wife, the late Marie Speer, sister of Robert Speer, predeceased him 17 years ago and one daughter, Martha (Mrs. Bert Carter), died 10 years ago. He is also survived by one sister and one brother.

He was of a cheerful and loving disposition, a good neighbor, always ready to lend a helping hand. He will be greatly missed in this locality and especially in his own home.

The deceased was a son of the late Mr. and Mrs. James Boyd of Desboro.

Mr. Boyd was a devoted member of the Presbyterian Church at Berkeley until the services were discontinued, when he was connected with the United Church there.

He was a member of the Orange Lodge at Berkeley and in the year 1921 was made an honorary member.

On Monday, March 5th, the remains were conveyed to the Presbyterian Church in Markdale, where service was conducted by the pastor, Rev. T. O. Miller, assisted by Rev. A. Laycock of Holland Centre. Some of the favorite hymns of the deceased were sung among them a solo by Mr. Alex. Stewart, "Death is Only a Dream". The members of L.O.L. No. 176, Berkeley, attended in a body and conducted the service at the cemetery. The pallbearers were all members of the Lodge: Messrs. A. Gillespie, A. Ritchie, W. Walker, W. Black, W. J. Middleton and T. Anderson.

Many beautiful floral tributes covered the casket showing the high esteem in which the deceased was held. Among them were a pillow from the family; wreaths from L.O.L. No. 176, Berkeley, Mr. and Mrs. J. Woodard, Drs. S. and H. Milburn, Mr. R. A. Milburn, Mr. and Mrs. J. Lloyd of Chesley; sprays from Mr. Bert Carter of Markdale, Mr. and Mrs. A. Gillespie and Harold of Berkeley, Mr. and Mrs. O. Gillespie of Owen Sound, Messrs. J. S. and W. T. Price of Berkeley.

Those from a distance who attended the funeral were Mr. Russell Milburn of Chesley; Mr. Edward Speer of Tara; Mr. A. O. Gillespie and Mr. George Walker of Owen Sound; Mr. and Mrs. Milton Gillespie of Toronto.

A precious one from us has gone,
The voice we loved is stilled;
A chair is vacant in our home
That never can be filled.

Dearest Father you have left us,
In this world of grief and care;
And you passed away so happy,
To your Saviour over there.
