Better Cream and Better Butter

In the last twelve months or more buyers of second grade butter have become noticeably scarcer, with the result that instead of the usual 2c or spread between it and first grade butter there is now as much as 3c to 5c difference and it also helps to accumulate a standing surplus of butter in the country. This is why we are glad to contribute towards Cream Quality Competition.

We urge as many farmers as possible to take part in this contest and help eliminate second grade cream which makes second grade butter.

The following are the rules which govern the competition:—

Two Classes of Competition Are Open to Fair Members

1. To Producers of Cream:—
   To enable all producers to take part in this competition two contests are provided, with awards of first, second and third prizes for each contest. The first set will be given for a can containing at least 45 lbs. of Churning Cream and the second set for a can containing at least 25 lbs. of Churning Cream. The prizes given will be awarded on basis of quality and cleanliness of cream.
2. To the Junior Farmers:—
   Three prizes will be awarded for Ability to Judge Cream.

Cream Quality Competition

Class 12 — Section 7

Can of Cream, weighing 45 lb. or over $6 ..... $4 ..... $2 .....

Class 12 — Section 8

Can of Cream, weighing 25 lb. or over $4 ..... $2.50 ..... $1.50 .....

We urgently ask all cream producers who can enter these competitions to do so. You will find it most interesting and profitable because LEARNING HOW TO PRODUCE A BETTER GRADE OF CREAM MEANS DOLLARS AND CENTS TO YOU, with the possibility of winning the prize. These competitions will be conducted by Instructors from the Dairy Dept. of Ontario with the assistance of the local Dept. of Agriculture and the Markdale Creamery.

Rules Governing Cream Quality Competition

1. Please Note—Cream must be delivered the first day of the Fair, and exhibitors must become members of the Markdale Agricultural Society.
2. Cream must be delivered to Markdale Creamery before 1 p.m. on Monday, September 16th.
3. A sample will be taken from each can of cream by the Dairy Instructor for judging. These samples will be taken to the Fair and judged by the Instructor.
4. All cream samples will be left at the Fair till 5 p.m., Sept. 17th.

Boys and Girls Cream Judging Competition

Class 12 — Section 9

Boys and Girls Judging Competition $3 ..... $2 ..... $1 .....

A Cream Judging Competition will be held on Sept. 17th. The competition will be in charge of the Grey County Branch of the Dept. of Agriculture and under the auspices of the Markdale Agricultural Society and the Markdale Creamery, with the assistance of the Instructor of the Dairy Dept. of Ontario.

Rules Governing Cream Judging Competition

1. No entry fee required for this section.
2. Competition open to all boys and girls 12 years of age and over.
3. Judging will start at 3 p.m. in the Secretary's Office at the Fair.
4. Ten minutes will be given to judge, place and write remarks on grade of cream.

A CHALLENGE TO CANADIANS

EMERGENCY CALL!

From the shores of our Motherland comes an appeal for help which no true Canadian can fail to heed. While we live in comfort, death drops on that embattled island. The need for Red Cross assistance is urgent. Our sons and brothers are over there. On land, at sea, in the air, they face death daily. We must be prepared to help them when they are sick or wounded.

Red Cross help is needed on behalf of soldier and civilian alike. Hospitals and hospital equipment, surgical supplies and dressings, ambulances and X-Ray equipment will be needed. Overnight the need may become so urgent that lives may be sacrificed if help cannot be sent at once.

Never before has there been so great a need for Red Cross assistance. This challenge to humanity must be answered. Give to the Red Cross. Give to the utmost NOW!
