The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNEUS. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their soluble principle and elaborate machinery, produced what is undoubtedly the perfection of prepared Cocoas, that it has not only secured the preference of homeopaths and cocoa-drinkers generally, but many who had hitherto not found Cocoa a preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

(See following Extract from the Globe of May 14 1868.)

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success has been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which must ever stand unrivalled in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homeopaths and invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

The New Remedy for Worms in Children or Adults.

BARKER'S WORM SYRUP.

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.

The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.

SARSAPARILLIAN RESOLVENT.

NEW PRINCIPLES OF CURE

Of all Wasting, Scrofulous, and Eruptive Diseases of the Eyes, Nose, Mouth, Throat, Ears, Head, LUNGS, Kidneys, Bladder.

THE SKIN MADE PURE, CLEAR, SMOOTH, AND BEAUTIFUL.

Dr. Radway's Sarsaparillian Resolvent establishes a new principle of Cure of all Chronic diseases, and proves to the medical world that Consumption and other Scrofulous diseases are curable. This fact has been demonstrated in over

One Hundred Cases of Confirmed Consumption,

where one lung in over seventy cases was destroyed and dried up, and in over

500 CASES OF SUSPECTED CONSUMPTION.

Dr. Radway, three years since, published to the world his analysis of the Blood in the several stages of Consumption, showing in every stage, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial glands, Intestines, establishing Consumption of their organ, the Blood is thin, weak, pale, watery, and is deficient of such constituents as fibrin Albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of these constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation, it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. Radway was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the Radway's Resolvent to supply the Blood with such constituents it was deficient of, in these conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. Radway's theory was published in England, France, Germany, and America, and was seized upon by the scientific men of both hemispheres. From his text medical books have been since published by medical writers, claiming to have discovered the cause of Consumption, but failed to produce the remedy to cure. Dr. Radway was the first to advance this theory, and the first and only discoverer of a medicine that will cure. In Radway's Sarsaparillian Resolvent the public have a remedial agent that will cure Consumption and all diseases of the Lungs, Bronchial, Kidneys, Bladder, Womb, Throat, Glands, and Urinary Organs.

In all Wasting Diseases, such as Involuntary Loss of Sperm, Emissions, Weakness of the Genital Glands, Leucorrhea, and all Uterine difficulties, Gravel, Lime Stone, Brick Dust, Uric Acid, and Calculous Concretions, the Sarsaparillian Resolvent is a positive cure. In Dropsy, Diabetes, uncured Venereal, Syphilis in its many forms, it cures when all other medicines fail.

EVERY DAY

an increase of flesh, weight, and strength is experienced. It is Fat-tissue, Calorie or Heat-making. It is to the blood what oxygen is to the atmosphere, air—it supplies the life principle. CERTIFICATE OF BEAUTY.

The following letter is from a highly-gifted lady, well known in the "circles of our best society":

LAFAYETTE, Feb. 25, 1868.

I feel not much confidence in your SARSAPARILLIAN RESOLVENT. Having been disfigured for the last four months with BLOTCHES AND PIMPLES, I received, at all events, to try it, and took TWO TEASPOONFUL three times a day, as directed. To-day there is not quite ONE MONTH since I commenced its use. To-day there is not a BLOTCH, spot, blemish, or defection of any kind on my person.
