

Town Beautification Committee and Royal Canadian Legion Awesome job done by these groups

Editor, The Enterprise:

Far too often as citizens of Iroquois Falls we accept the efforts of people without comments or commendation. With no official status but merely as a resident speaking for many silent ones I'd like to thank two groups.

The Town Beautification Committee is doing a terrific job

July 24/08

with trees and flowers. They make our daily travels around town a genuine pleasure. This didn't happen by accident. A lot of planning and effort went into it and it is appreciated.

The Legion has done an awesome job on the monument. It is not only a testament to the honour deserved

by our vets but will be a place of quiet reflection where one can consider how much they gave. I'm sure in time to come this will appear on postcards of Iroquois Falls.

A sincere thank you to both groups.

Thanksgiving is a time to reflect on how blessed we are to have God in our lives and how he has filled our lives with family and friends to appreciate.

Law Enforcement Torch Run raises funds and awareness for Special Olympics

Submitted by Donna Bujold

Recreation Officer at Monteith Correctional Complex and Regional Representative of the Law Enforcement Torch Run

Monteith Correctional Complex staff, OPP, Special Olympics athletes and students from St. Anne's, Saints-Martyrs-Canadiens, Étoile du Nord and Iroquois Falls Public School braved the rain to participate in the Law Enforcement Torch Run for Special Olympics.

Special Olympics Ontario is a worldwide program providing year-round sports training and competition for people with an intellectual disability. Athletes range in age from eight to 80 and have the opportunity to train in 16 official sports and numerous demonstration sports.

The Law Enforcement Torch Run raises funds and awareness for these athletes.

Carrying the torch wearing his medals is a local athlete (Marco Aumont) from Val Gagné.
