# LET US BE THANKFUL!

Let us give thanks that we are living to-day—even though there is a world war raging—instead of 40, 50 or 60 years ago.

A few decades ago the average person had to travel miles to buy the bare necessities of life, and the travelling then was something to write home about on a rainy day. When you got to the store—such as it was—the selection was confined to the bare necessities of those days, and you couldn't compare the prices with other "shopping centres."

But even with all those difficulties, folks bought at home, from their nearest store or business place. Those business places were the hubs around which communities grew. Every Ontario community to-day owes its existence to its merchants and business men.

From the beginning created by those pioneers in the business world most of us to-day owe the chance we have to earn our daily bread. Without them any community—large or small—would wither and decay into emptiness.

The bulk of our taxes are paid by business places. The great bulk of the flow of business—which means money—comes from our shopping centre and helps keep us all in the comforts of modern civilization, directly and indirectly.

This is just ONE reason why we should be loyal to our local business men. Just ONE reason.

Take advantage of the advertisements and let them help you do your shopping AT HOME. Let them be your guide to better buys and satisfaction. The home merchant stands behind his goods.

# Subscription Arrears

Owing to the advance in prices of everything we have to purchase we need all moneys owing us, and would ask those in arrears for subscriptions to make settlements as soon as possible. We will accept potatoes, grain or other farm products at the market prices. The amounts as a rule are quite small but when multiplied by four or five hundred they mean much to us. If you are indebted to us in any way please give us the same square deal you would like yourself.

Uniformity—standardization—is the big factor in telephone service, too. You can talk practically anywhere, any time, for one reason, because telephone equipment is made with meticulous care fits to a T in all parts of the system. ## CEYLON

Miss Agnes Macphail and Miss Lottie Whitaker left Monday for Toronto where they will reside for the fall and winter.

Mrs. M. Heaney, Jean and Edith, of Palmerston were Sunday visitors with Miss Macphail.

Anniversary services were conducted here on Sunday by Rev. J. A. Irwin of Holland Centre. There was a pleasing congregation at both afternoon and evening services. The music at the evening service was under the direction of Mrs. Blackburn and the Flesherton choir. This was followed Monday with a box meat supper served by the Ceylon Ladies' Aid in the former Patterson store. A program followed in the church after the supper. Competitive singing of nursery rhymes opened the program. Miss Swanton's pupils gave a couple of numbers. Mrs. W. I. Henry's recitations brought forth loud applause; also recitations and comic selections by Rev. McMillan. Flesherton church quartette, composed of Mr. and Mrs. G. Cairns, Mrs. Alf. Down and Mr. Frank Duncan, gave several numbers. Miss Mary R. Stewart sang and a trio composed of Mrs. Blackburn, Mrs. Down and Mrs. Henderson, accompanied by Mrs. Buchanan was greatly enjoyed. At the close of the program J. B. Whitaker acted as auctioneer and baking found a ready sale. About $50.00 was realized for the supper. The Ceylon church people were very appreciative of the assistance given them by their Flesherton friends.

Mrs. Gordon Bell and two children are occupying Miss Macphail's house for the winter.

Mr. and Mrs. Bert Haw, Erle and Billy of Sutton Park, Sta. Mr. and Mrs. Archie Sinclair of Dundalk attended the anniversary supper on Monday of last week.
