THE WORKING FOREST

Donation to Friendly Warehouse

The Enterprise

Students from St. Anne's Catholic School and Iroquois Falls Secondary School have been working with Father Leo Rancourt in preparation for the sacrament of confirmation. As part of a volunteer service to the community, candidates were asked to bring in a box of food that would be donated to the Iroquois Falls Friendly Warehouse. On hand to receive the donation from the confirmation candidates was Chairman of the Friendly Warehouse Mr. Roch Cyr who took the opportunity to thank the candidates for the kind gesture of generosity. He also spoke of how many local residents access the food bank at the Friendly Warehouse and how donations such as this one helps to fill the shelves at the local food bank.
