TOWN AND COUNTY.

THURSDAY MORNING SEPT. 25, 1879.

—GATHER autumn leaves.

—LOTS of strangers in town.

—THE nights are growing longer.

—THE ice cream man grows despondent.

—THERE are fifty-three Wednesdays this year.

—BUTTER is exceedingly scarce in our markets.

—THE weather appears anxious to please everyone.

—THE Thanksgiving fowl will soon begin to suspect it.

—THE evenings will soon begin to lengthen very sensibly.

—THE merchants are displaying their fall stock of goods.

—IN THE average household the coal scuttle is being substituted for the picnic basket.

—THE white frosts, cold sky and chilly winds all tell us that the fall is rapidly approaching.

—REV. R. Hobbs will preach a sermon to the Sunday School on Sunday morning next at 10:30 o'clock.

—THIS is the time of the year when the small boy swaps off his father's superannuated watch for a double-barrelled gun.

—YOU can clearify your rain water by putting into the cistern from one to two ounces of powdered alum and the same quantity of borax.

—BRENTLER Church, (Mr. McKenzies), Nassagaweya, was re-opened on Sunday last by Rev. Mr. Williams, of Guelph, chairman of the district.

—GRITE fires are about the best thing to make one comfortable just now. Heavy frost has already appeared and the first thing you know Vennor will be predicting snow for Christmas.

LOYAL CITIZENS.—We notice in the list of those presented to the Marquis and Princess, at the reception in Guelph on Wednesday last, the names of Mrs. C. S. Smith, Mrs. J. H. Smith, and Rev. C. R. Lee.

AN INVITATION TO ALL.—Read the advertisements in this issue over carefully. If you want to purchase anything, they will be interesting to you, as they unmistakably indicate where the cheapest goods are to be purchased.

ILLEGAL LIQUOR SELLING.—John McQuarrie was fined $20 and $3.75 costs, and Richard Merlihan was fined $20 and $4.50 costs, for selling liquor in the Agricultural Park, Guelph, during the week of the Central Exhibition.

SAD ACCIDENT.—Mr. James Hewitson, of Paisley Block, who was kicked by a horse on the exhibition grounds on Wednesday last, died of his injuries on Friday morning. His wife died about a year ago. He leaves a large family of young children.

CHEEKY.—An exchange says that parties who will go to another office for bills because they can get them fifteen or twenty cents cheaper, and then send them one with a request to give a free notice of the matter it refers to, are possessed of a super-abundance of cheek. We quite agree with our contemporary.

—FROM information received by R. A. Hartley, Esq., Collector of Inland Revenue, that officer proceeded to the Village of Streetsville, and found in a building occupied by one Richard Montgomery a whiskey still in full running order, and also a quantity of grain in the steep. The whole was seized and destroyed or taken away by that officer. It appeared as though the still had been in operation four or five months.

Personals.

Mr. W. Blackbrook, of Toronto, was in town on Monday.

Mr. T. J. Starret, of the Milton *News*, gave us a short call on Saturday last.

Mrs. Killmaster, formerly Miss Nellie Hill, is paying her Acton friends a visit.

Mr. Wm. Cunningham and wife spent a few days with their friends in Acton last week.

Miss Maggie Ross, of Springhill, is the guest of Mr. Thos. Moore, principal of the Public School.

Mr. Geo. Secord, Head Accountant of Bank of Commerce, Berlin, accompanied by Mrs. Jennie Secord of the same place, were the guests of Mrs. S. A. Secord, of this village this week.

Rev. Mr. Warner, of Beamsville, preached in the Methodist church on Sunday evening last. The reverend gentleman visited Acton about forty-five years ago, and says it has considerably improved since then.

Mr. Trueman Hall, who has had the management of Beardmore's sole leather tannery in this village during the past three years, left this week for Orangeville, where he has been engaged to manage a large tannery.

Mr. Wm. Mooney, formerly of Acton, now of Ellengowan, Bruce Co., was in town last week. He looks hale and hearty, and all his old friends were glad to see him. Since leaving here four years ago, he and his three sons have cleared 70 acres on their farm.

—TAKE kindly to the bitter.

—CHILLY evenings and mornings.

—The Scott Act petitions are being circulated.

—CLOTHING men are beginning to look happy.

—GET in your winter fuel, or see that your neighbor does.

—WHY is the post office like a meat-market?—Because it furnishes the young men with *tender lines*.

—HAVE you recorded your name on the petition for the submittal of the "Scott Act"? Don't reject it.

—MR. Haslett's new building is being rapidly pushed forward. The brick work will be completed in a few days.

—SEVERAL of our citizens took advantage of the cheap excursion from Georgetown to Bracebridge and Rosseau, on Tuesday last.

—CALL at the FREE PRESS office for your sale bills. You can have them home with you the same day, and a good local on your sale in the next issue of the paper.

HOME AGAIN.—Mr. John Ramage, of Eden Mills, has just returned from Manitoba, where he has been prospecting since last spring. He has taken up a quantity of land near Emerson.

—THIRTEEN weeks from to-day and then Christmas. The young man who finds himself impecunious and unable to buy his lady-love a present, don't want to come on us for not having given timely warning.

—THE brickwork of Mr. Storey's new residence is gradually advancing, and thus far presents a very neat appearance, which clearly shows that the contractor for this part of the work, Mr. Edwards, thoroughly understands his business.

"The summer days have glided by,
Bright autumn is at hand,
And soon you'll hear those dreary notes
Throughout this blessed land—
"My love, where is my overcoat?"

—It's funny that when you ask a man to advertise he generally declines with the statement that nobody will see it. But if you advertise some little caper of his in the news columns gratis, he gets indignant over the certainty that everybody will see it.

CHANGE OF BUSINESS.—Mr. Wm. Leith, who has been engaged in the tinsmith business here for the past two years, has disposed of his stock and trade to Mr. Geo. Havill, of Galt. We wish the new proprietor success. Mr. Leith removes to Beamsville.

ACCIDENT.—On Wednesday last Mr. Duncan Robertson, of Eramosa, met with a severe accident. He was using a sharp axe in making a wedge. By a slip the axe glanced off the wedge and nearly severed the hand at the wrist. It is thought that the hand can be saved.

—CORRESPONDENCE is solicited for THE FREE PRESS from everybody. Items should reach us on Tuesday at latest for insertion that week. Give us farm notes, personal mention of new arrivals, births, marriages, deaths, accidents, meetings, social organizations, and other items of interest.

BALL & SUPPER.—We are informed that the Volunteers' Ball and Supper, held in the Drill Shed on Friday evening, was well attended, and was a success financially and every other way. The supper which was prepared by Mr. Bennett, of the Rossin House, was excellent in every respect. So say those who were present.

—THE next semi-annual meeting of the Halton Teachers association will be held in the public school, Burlington, on Thursday, Friday, and Saturday, 2nd, 3rd, and 4th prox. A number of addresses will be delivered and essays read on subjects of interest to teachers. An invitation is extended to trustees, and the friends of education, to attend.

—THE Toronto *Graphic* comes to hand this week in a brand new bib and tucker, looking as fresh as a healthy country girl at a corn husking. It now contains sixteen pages, and will be more acceptable for binding or preservation. We congratulate the *Graphic*, one of the best literary and humorous papers in the Dominion, on this new evidence of prosperity. Long may the *Graphic* wave.

TO WHOM IT MAY CONCERN.—Give your poultry double rations, in view of Thanksgiving. If intended for market, keep them well supplied with gravel. It helps to digest their food. There is nothing that so liberally repays investment. Gravel can be got for hauling and brings a shilling a pound when sold as poultry. The farmer who sells a chicken with empty gizzard has mistaken his calling.

SERENADE.—On Thursday evening last the members of Acton Brass Band proceeded to the residence of Mr. J. E. McGarvin, and very efficiently played a number of excellent selections of music. Mr. McGarvin then called them in and introduced them to his newly-made bride, and after lunch had been partaken of, speeches and general conversation were indulged in and a pleasant hour was passed. After again playing several pieces the boys quietly retired to their homes.

OPEN DIVISION.—An Open Division under the auspices of Prospect Division No. 233, S. of T., will be held in the Union Hall, Brookville, on Friday Evening, 26th inst. The entertainment is in the hands of a good committee, who have prepared an excellent programme, and we have no doubt but the meeting will be a success. This Division has won for itself a reputation for good entertainments and it is expected that the approaching one will be fully up to the usual standard.

THE NORTH WEST.—On Monday evening last Rev Mr. Warner, of Beamsville who has recently returned from the North West Territory, delivered an excellent lecture, in the Methodist church, to a very large and appreciative audience. In his lecture he described his journey out to the Rocky Mountains, the hardships he endured during the 74 days he was on the road, and the mode of living while there. He gave the young men of this country some good solid advice concerning the country of the North West, and we think the majority of the people present have a more extended knowledge of that country than they possessed previous to hearing the lecture.

Mr. Gibson's Lecture.

According to announcement a lecture by Mr. Joseph Gibson, of Ingersoll, was delivered in the Temperance Hall, on Tuesday evening, 23rd inst. Mr. Eli Snyder occupied the chair, and on the platform, besides the lecturer, there were Rev's. Messrs. Warner, Hobbs, and R. B. Cook. The hall was crowded, and the best of order prevailed. Mr. Gibson's subject was Prohibition and its various bearings. Before commencing the chairman extended an invitation to any anti-Scott Act representative to take a place on the platform, but no response was made. Mr. Gibson then proceeded, and delivered one of the best if not the best temperance lectures we have ever had the pleasure of hearing. Throughout his discourse he brought forth plain facts and figures, representing the evils of liquor selling and the benefit of Prohibitory Legislation. He did not require to go outside of our own Dominion for the pith of his remarks, but produced the most of it from our government reports. He also took the greater number of the arguments used at the meeting in August by Mr. Dodds, and proved by solid facts how fallacious were the arguments used by that gentleman.

The meeting was decidedly in favor of the submittal of the "Scott Act," and we are of opinion that our village will record a majority of votes in favor of the Act.

The Heated Term—Look Out.

DON'T SIT ON THE GRASS.

The most stubborn case of Dysentery which is nothing more nor less than inflammation of the rectum, produced not infrequently by sitting on the grass—may be cured by that most efficient cathartic, Castor Oil. Its soothing and healing properties are wonderful, but its nauseating effects make it impossible for the patient to retain it. To Scott & Bowne the public are indebted for an Emulsion of Castor Oil that is not only palatable but is pronounced by thousands who are using it, absolutely agreeable to the palate. No family can afford to be without it through the heated term. Price 25 cents.

Unless these rules are observed we cannot insure the insertion of any advertisement in that week's issue.

Hamilton.

At No. 85, James St., in the Ambitious City of Hamilton, the attention of the traveller will be attracted by the splendid large Drug store of Messrs. Archdale Wilson & Co., the manufacturers and sole proprietors of Wilson's Compound Syrup of Wild Cherry. This most popular cure for Coughs, Colds, Bronchitis, Croup, Whooping Cough, Loss of Voice, &c., is having a most astonishing run. Even at this season, when diseases of the respiratory organs are comparatively rare, orders are coming in for half gross and gross lots, from druggists who have sold out of last year's stock; and the proprietors have found it necessary to purchase new and improved apparatus to enable them to turn out the Compound Syrup of Wild Cherry in sufficient quantity to meet the demand. 11 4

—MANY a youthful Actonian would like to live in Tuscarora. And why? Well, according to the Virginia City *Enterprise*, onion parties are popular in Tuscarora. Six young ladies take an onion with them into a room, and one of the number takes a bite of it. Then a young gentleman is admitted, and after kissing all of them, if he fails to tell which one of them, bit the "onyun," then the girls eate all of them compelled to kiss him, or he is compelled to kiss them ever again, the chronicler forgets which. Lots of fun in Tuscarora.

SCOTT'S EMULSION
PURE COD LIVER OIL
WITH
HYPOPHOSPHITES OF LIME AND SODA.
This preparation combines the two best remedies ever discovered for **Consumption, Colds and Chronic Coughs, Scrofula, Rheumatism and Diseases of the Blood, General Debility, and all Wasting Diseases of Children.** It not only contains the well known and highly esteemed virtues of Cod Liver Oil in a form that is perfectly tasteless and acceptable to the most delicate stomach, but in addition, the wonderful tonic and life-giving properties of the Hypophosphites, so incorporated that the remedial powers of both are largely increased. Physicians universally acknowledge the vastly superior virtues of this combined food and medicine in all the above diseases. It is not only better tolerated, but much more readily assimilated by the system than plain Cod Liver Oil, and a better agent in enriching and purifying the blood, allaying the irritation of the throat and lungs, restoring the impaired functions and giving strength and vigor to the whole body. It is sweet and palatable to the taste, never separates, deposits or spoils. Be sure and ask for **Scott's Emulsion.** For sale by all druggists at 50c. per bottle.
