Ayer's Cathartic Pills,
For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this most perfect purgative *Pill*. The obvious reason is, that it is a more reliable and far more efficacious remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of special cases of their remarkable cures of the following complaints, but such cases are known in every neighborhood, and we need not publish them. A trial is all we ask. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.
They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.
Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—
For **Dyspepsia or Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.
For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.
For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins**, they should be continued by taken, as required, to change the diseased action of the system. With such change those complaints disappear.
For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.
For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.
As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.
An occasional dose stimulates the stomach and bowels into healthy action, reduces the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
PREPARED BY DR. J. C. AYER & CO., Practical Chemists, LOWELL, MASS., U.S.A.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.
Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men, it has risen higher and higher in their estimation, as it has become better known. Its generous character, and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.
Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the diseases of the Lungs and Throat, that the most obstinate of them yield to it. What nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.
Singers and Public Speakers find great protection from it.
Asthma is always relieved and often wholly cured by it.
Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.
So extensively are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.
As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Mercury, Zinc, nor any other mineral or poisonous substance whatever, it in no case injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgements we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.
Unacclimated persons, either resident in, or travelling through malarious localities, will be protected by taking the *AGUE CURE* daily.
For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.
For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
Prepared by DR. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
PRICE, $1.00 PER BOTTLE.

FARM TO LEASE.
THE undersigned wishes to lease for a term a Farm of about 400 acres, nearly all cleared, within one mile and a half of the city limits, and capable of keeping from 60 to 70 cows the year round. The owner would stock the farm with cows, if desired, as he has about half the number required. There are new Stables for nearly that number, and five large Barns, and it is one of the best Dairy Farms in the County, having water in nearly every field.
I would sell the farm or divide it in two, to suit purchasers, on very reasonable terms of payment.
I wish to engage a married man by the year, who is a good farmer, as I have other farms to work.
Possession could be had on the first of March.

The Corporation has granted Assurances on Lives for nearly a Century and a Half, having issued its First Policy on the 7th June, 1721.
Two-thirds of the entire Profits without any deduction for expenses of management, are allotted to the Assured. This arrangement will be found to be more advantageous to the Policy-holders than an apparently larger proportion of the Profits, subject to the expenses of management. The Profits are declared at the end of every five years, and the share of the Policy-holders may be appropriated either in increase of the Sum Assured or as an immediate Cash payment.
