Ayer's
Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color
A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
The reputation this excellent medicine enjoys is derived from its cures, many of which are truly marvellous. Inveterate cases of scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.
Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its baleful forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcers upon some part of the body. Hence the economical use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and speedily cure, by the use of this *SARSAPARILLA*:—*St. St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterous* affections of the nervous and nervous systems.
Syphilis or Venereal and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Hemorrhages*, and *Female Diseases*, are speedily seen relieved and ultimately cured by its purifying and invigorating effect. Minute directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation of the Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the effections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.

FARM TO LEASE.
THE undersigned wishes to lease for a term a Farm of about 400 acres, nearly all cleared, within one mile and a half of the city limits, and capable of keeping from 60 to 70 cows the year round. The owner would stock the farm with cows, if desired, as he has about half the number required. There are new Stables for nearly that number, and five large ones, and it is one of the best Dairy Farms in the County, having water in nearly every field.
I would sell the farm or divide it into two, to suit purchasers, on very reasonable terms of payment.
I wish to engage a married man by the year, who is a good farmer, as I have other farms to work.
Possession could be had on the first of March.

PARLOR ALBUM
IN FIVE QUARTO VOLUMES.
Price $2 00 per volume or
$10 00 Per Set Complete.
Description of the Work.
THE PARLOR ALBUM is doubtless the most expensive ART GALLERY ever published, and, by those who have examined the several portions of the work, it has been pronounced "THE CLIMAX OF BEAUTY." Each volume contains 20 full page Chroma Lithographs, in Oil Colors, 40 full page Steel Engravings, 40 full page engravings on wood and 250 pages of reading matter, descriptive of the illustrations, the whole making each volume about one half as thick, and same sized pages, as Webster's largest Dictionary. Each volume is complete in itself and will be sold separately, if desired. SOLD BY SUBSCRIPTION, ONLY.
Vol. 1 is devoted to Wild American Birds.
Vol. 2 Contains Wild American Animals.
Vol. 3. American Domesticated Birds and Animals.
Vol. 4. Foreign Birds and Animals.
Vol. 5, Fishes, Reptiles and Insects.
This work will at once commend itself to the cultivated American people, and no library will, hereafter, be complete without this addition to its treasures; while as a parlor amusement it is unequalled by American publications.
Agents Wanted.
We will give Agents very liberal terms for selling the above described publications, and wish to appoint an Agent in every town in the United States and British Provinces. Experienced book agents and all other persons of respectability should apply at once. Any Young Man, or Young Lady, can, by devoting a short time during the day or evening, secure a complete set, free of expense, or, if preferred, we will allow a large Commission in Cash.
We have prepared a most beautiful SPECIMEN BOOK FOR AGENTS, containing 5 of the Oil Chromos, 10 Steel Engravings, 10 Wood Engravings, and 50 pages of descriptive reading, being selections from each volume, together with blank paper, specimens of binding, &c., &c.

THE "OBSERVER," the only paper published on the Upper Ottawa, is a FIRST-CLASS LOCAL NEWSPAPER, devoting particular attention to the early completion of the Kingston and Pembroke Railway.
The probabilities being that the inhabitants of Kingston and Pembroke are to be brought closely together by the construction of this road, it is desirable that those of the one should become acquainted with all that is possible of the Ottawa, &c., of the other. The Proprietor of the *Observer*, believing that the best means of doing this is by taking and perusing the local paper, intends sending an Agent in the course of a few days to canvass the city, who, he hopes, will be successful in obtaining a good number of subscribers.
