THE HIGH GIANTS
COMMISSION.
THE American Giant says to the British Giant: What can you give us to recompense us for depredations committed on our very pregnable navy during our late civil war? We'll leave the matter to arbitration, says the British Giant. That won't do, says the American big Giant, and turning to the wary Canadian Giant he says, Have you nothing to offer. The Canadian at once said, Yes, I have: there lives on the shores of Ontario, at a place called Kingston, a man named MORRISON, who has now in Stock and Arriving:
400 Choice Sugar Cured Hams,
5000 lbs. Choice Breakfast Bacon,
1000 bags Baking and Family Flour.
500 bbls " " "
100 " XXX Pastry Flour,
300 sacks Boiled Corn Meal.
100 bbls Kiln Dried Oat Meal.
10 Barrels Granulated Wheat,
10 " " Wheat Meal.
10 " Split Peas.
And any quantity of Bran and Shorts.
All of this we will give you, says the Canadian Giant: will that do? Sir Giant, says the American, I am satisfied and the Nation is satisfied. Hallo! what noise is that outside, says the British Giant? They looked out and saw a large eagle perched on a tree outside of the window clapping his wings, and from his Beak floated a streamer, on which was emblazoned in golden letters—"Liberty," and one of MORRISON'S SUGAR CURED HAMS proudly dangling from each end of it. The American again exclaimed with emotion, We are satisfied, and says, Gentlemen Giants, do you ever take anything? Never, but water, say both giants in one breath; except when hot with work we add a little brandy to cool us, and if cold, we repeat the same dose often to warm us. You are smart sort of men any way, says the American, take what you will; and more, says he, turning to the Canadian Giants, You are, sir, a credit to the country which you so intellectually and ably represent. Says the Canadian, before departing, I would inform your Giantship that **Morrison's Toronto Flour Store is Removed to the Store on Princess Street, lately occupied by CHOWN & SONS,** near HEATH & GUNNS DRUG STORE.
Don't make a mistake and drop into any other store for Morrison keeps the very best goods in his line to be found in Ontario. But, says the American, you were to deliver those goods. Not a bit of it, says the cunning Canadian, it will repay you well for the trouble to pay a visit to the city and visit MORRISON'S NEW STORE.

CANADA
Life Assurance Com'y.
ESTABLISHED 1847.
THE unprecedented success of this Company may be seen by the following comparison of the new transactions of each year:
1868, 437 new policies for.... $ 567,894
1869, 831 " 1,156,856
1870, 1,062 " 1,584,456
1871, about 1,550 policies for.. 2,350,000
While this extraordinary and gratifying increase of public support and confidence is due in some measure, to the large profits the company was lately able to divide among its policy holders, it is doubtless also to attribute to the fact, that this is a strictly Canadian Institution, charging low rates of premium, and offering every reasonable advantage which prudence and safety can suggest.

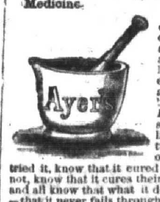
Ayer's Cathartic Pills,
For all the purposes of a Laxative Medicine.


Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.
They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.
Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—
For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.
For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.
For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.
For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.
For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.
As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.
An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.
Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.
Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.
Singers and Public Speakers find great protection from it.
Asthma is always relieved and often wholly cured by it.
Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.
So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.
Ayer's Ague Cure,
For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.
As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it is powerless to injure any patient. The number and importance of its cures in the same districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.
Unprofitable as it is to the manufacturer, unprofitable as it is to the druggist, unpalatable as it is to those who make money by selling the *AGUE CURE* daily, yet the fact that it does cure, and that it does not fail, is a source of pleasure to us, and we believe it will be productive of much good to the sick and suffering everywhere.
For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.
For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.
Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all around the world.
