NO RISK
Thomas' Eclectric Oil! Worth Ten Times its Weight in Gold. Do you know anything of it? If not, it is time you did.
Pain cannot stay where it is used. It is the cheapest Medicine ever made. One dose cures common Sore Throat. One bottle has cured Bronchitis. Fifty cents worth has cured an Old Standing Cough. One or two bottles cures the cases of Piles and Kidney Troubles. Six to eight applications cure any case of Excoriated Nipples or Inflamed Breast. One Bottle has cured Lame Back of eight years standing. Daniel Plank, of Brookfield, Tioga County, Pa., says: "I went thirty miles for a bottle of your Oil, which effected a Wonderful Cure of a Crooked Limb by six applications." Another, who has had Asthma for years, says: "I have half of a 50 cent bottle left, and $100 would not buy it if I could get no more."
Rufus Robinson, of Nunda, N.Y., writes: "One small bottle of your Eclectric Oil restored the voice where the person had not spoken above a whisper in Five Years." Rev. J. Mallory, of Wyoming, N.Y., writes: "Your Eclectric Oil cured me of Bronchitis in one Week." Dealers all over the country say: "We have never sold a medicine that has given such complete satisfaction as this."
It is composed of Six of the best Oils that are known. Is as good to take as for external use, and is believed to be immeasurably superior to anything ever made. Will save you much suffering and many dollars of expense. Is sold by one or more dealers in every place. Price 25 cents.

HALL'S
Vegetable Sicilian Hair Renewer
Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatory notices from clergymen, physicians, the press, and others. We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best Medical and Chemical Authority.
