THURSDAY MORNING, JUNE 7, 1883.

OUR YOUNG FOLKS.

PUSSY'S PORTRAIT.

"Bring Pussy here and hold her still.
I'll draw her picture if you will.
There, turn her round toward the light,
And make her hold her head up right.

"She mustn't jump to catch the flies,
But sit up sober and look wise;
And now she wants to wash her face—
Do try to keep her head in place.

"Now, hold her paws a little out.
Don't let her switch her tail about.
She mustn't shut her eyes like that—
She's going to sleep—the lazy cat!

"Miss Pussy, this will never do.
I'll pinch her tail—now, hear her mew!
There! off she goes upon the run—
Well, never mind, I'm almost done.

"I'll write above it, C A T.
Now, Nellie, you may look and see."
She turned away to hide a laugh.
It looked exactly like a calf.

An Incompetent Boy.

Last Fall a Baltimore hardware dealer, who had a bill against a blacksmith in an adjoining village, sent it out by his collector for payment. Upon arriving in the village the collector found the shop, but not the smith, and after a long hunt discovered him on his own doorstep, elbows on his knees and chin on his hands.

"I pay no bills," replied the smith, as the account was handed him.

"Why, what's the matter, Mr. Coon?"

"Vhell, der matter ish dot I haf failed in business and I doan pay nobody."

"Failed! Have you actually failed?"

"I haf."

"Well, you'll have to pay me in full just the same. Under the laws of his State no man can fail unless he locks his doors, and as I passed the shop yours were wide open."

"Bunder und blitzen! dot vhas the carelessness of my son Show. How much is dot bill? I pays him queek and runs down und nails oop der doors myself! Dunder! but dot boy uefer makes a Yankee if he lifs here a thousand years!"

Medicinal Qualities of the Tomato

As an incentive to farmers to see that tomatoes are well represented in their gardens, a writer in *Home and Farmer* dilates: "Their slight acidity has a cooling effect and renders them very grateful in the heat of summer. So effective is the juice of the tomato that I know from experience and observation that an abundant use of tomatoes at all meals goes a long way toward warding off the malarial fevers that are common in some farming districts. There are many sections of the country where farmers' families suffer every summer from mild types of malarial fever, and in such cases, while the abundant use of tomatoes may not wholly prevent development of the ailment, it will always greatly alleviate it."

Holloway's Pills and Ointment.—Few persons are so favoured by circumstances, or so fortified by nature, as to enable them to pass unscathed the sore trials of an inclement season. With catarrh, coughs, and influenzas everywhere abounding it should be universally known that Holloway's Ointment, diligently rubbed upon the chest, checks the worst assault of these maladies, and securely wards off more grave and dangerous diseases of the throat and lungs. The truth of this assertion must remain unquestioned in the face of thousands of unimpeachable living witness, who have personally derived the utmost possible benefits from this treatment when their present sufferings were appalling, and their future prospects most disheartening. Both remedies act admirably together.

In order to deserve a good friend we must become one.

It Stands the Test of Time.

Time tries all things, and few are the customs, habits or adjuncts of life that are not swept away before its remorseless march. Remedy after remedy for corns has been introduced, tested, and found wanting. PUTNAM'S PAINLESS CORN EXTRACTOR holds undisturbed away, gathering new strength as years roll on, and holding it with the power that merit alone can give. Take no substitute. Putnam's Painless Corn Extractor never fails to make a complete cure. Sold everywhere. N. C. POLSON & CO., Kingston, Proprietors.

Never borrow more than you can pay back, and never lend more than you can borrow.

Never Give Up.

If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at fifty cents a bottle by J. E. McGarvin.

Shiloh's Consumption Cure.

This is beyond question the most successful Cough medicine we have ever sold, a few doses invariably cures the worst cases of Cough, Croup, and Bronchitis, while it's wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on guarantee, a test which no other medicine can stand. If you have a Cough we earnestly ask you to try it. Price 10 cents, 50 cents and $1.00. If your Lungs are sore, Chest or Back, Lame, use Shiloh's Porous Plaster Sold by J. E. McGarvin.

Dr. J. Corlis, St Thomas, writes: "During ten years' active practice I have had occasion to prescribe Cod Liver Oil and Hypophosphites. Since Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda came under my notice, I have tried it, and take great pleasure in saying that it has given great satisfaction, and is to be preferred to any I have ever used or recommended. I have used it in my own family almost as a beverage during heavy colds, and in every instance a happy result has followed. I cheerfully recommend its use in all cases of debility arising from weakness of the muscular or nervous system."

What we charitably forgive will be remembered as well as what we cannot forgive.

Don't Die in the House.

"Rough on Rats." Clear out rats, mice, roaches, bed bugs, flies, ants, moles, chipmunks, gophers. 15c.

An able man shows his spirit by gentle words and resolute actions; he is neither hot nor timid.

N. McRae, Wyebridge, Writes: "I have sold large quantities of Dr. Thomas' Eclectric Oil; it is used for colds, sore throat, croup, &c., and in fact any affection of the throat it works like magic. It is a sure cure for burns, wounds, and bruises."

He who is puffed up with the first gale of prosperity will bend beneath the first blast of adversity.

Price, in a sealed envelope, only 6 cts. or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
