THURSDAY MORNING, MARCH 11, 1886.

"NOT BUILT THAT WAY."

A boy will eat and a boy will drink,
And a boy will play all day;
But a boy won't work and a boy won't think,
Because he ain't built that way.
Chicago Ledger.

A girl will sing and a girl will dance,
And a girl will work crochet;
But a girl can't throw and hit a church,
Because she ain't built that way.
Lynn Union.

A girl may laugh, a girl may sport,
A girl may attend the play:
But she'll not ride a bicycle into port,
Because she's not built that way.
Minneapolis Tribune.

A girl will powder, a girl will paint,
And keep it up day by day;
But she'll not have hip pockets put in her pants,
Because she ain't built that way.
Western Plowman.

A man will smoke, a man will drink,
He'll be disgusting every way;
But he won't wear a low-necked, short-sleeved shirt,
Because he ain't built that way.
Evening Gazette.

A girl will smile sweet with No. 5 feet
Cramped in No. 4 shoes all day;
But she won't whistle and yell from a theatre back seat,
Because she ain't built that way.
Tallahassean.

A girl will commit one, or, probably more
Fashionable follies each day;
But she won't spit tobacco juice on a church floor,
Because she ain't built that way.
Life Oak Intelligencer.

Now, the girls may do this, and the girls may do that.
May be happy, cross, jolly or gay;
But they all will get married when they get the right chance,
Because they are built that way.
Kissimmee Leader.

The Prince of Patent Medicines.

The stamp upon newspapers was a ready test of the extent of their circulation, whilst it was compulsory, and the Government stamp, which must accompany every Patent Medicine, now serves, in like manner, to show the extent of its circulation. We have recently investigated this interesting subject of home and foreign interest, and find that there are no less than two hundred and forty different Patent Medicines in circulation, which are regularly catalogued. The extent of the sale of each of them, and consequently the public estimation which each enjoys, may be inferred from the number of Government stamps which each of them requires. It is impossible to get at the number of stamps used by each of the two hundred and forty different Patent Medicines, but it appears that Holloway's Pills and Ointment takes just *one-fourth* of all the stamps issued by Government for such articles. Such being the case, it is clear that the Chancellor of the Exchequer could not dispense with Holloway's Pills and Ointment as a matter of mere revenue, even if he did not consider them in other respects a most profitable investment and invaluable boon to the community. The magnitude of the figure, the vast amount expended for Government stamps, and the incalculable number of bushels of pills and tons of ointment required from Holloway's establishment to make up the large expenditure for stamps enables us to conceive the colossal dimensions which Holloway's extraordinary remedies have assumed. But this is not all. Glancing in as you pass, you behold the signs of the vast business done at that establishment. Enter when you please, during business hours, and it is impossible not to be struck with the magnitude of the concern which require so many attentive heads and active pens from day to day, from month to month, from year to year. Not less than thirty clerks and other officials are required to do the work of the establishment—many of these being men of superior attainments, for a correspondence is carried on in almost every language, since every part of the world gravitates towards it as the magnet pole of the healing art, of health and well-being. Such is the present state of the Patent Medicine known by the name of Holloway's Pills and Ointment. No wonder, then, that, *inquire* for them where you please, you not only find them, but on further *questioning* you will be told that everybody takes them—that the demand for them is perpetually increasing. If we ask the cause of this immense demand, the answer invariably is, that they have been found a safe, certain, and perfect remedy in nearly all diseases.—*The Statistician.*

McGregor & Parke's Carbolic Cerate.

Have you an old Sore, Cut, Burn, Bruise, Corn, Bunion, Salt Rheum, Pimple, Blotches, Rough Hands or Face? If so, there is but one cure, namely, McGregor & Parke's Carbolic Cerate. If you but try it, it will convince you. It costs but 25cts. at Dr. McGarvin's Drug Store.

Handy to Have.

Every household should keep some ready remedy at hand for painful diseases, sudden attacks of inflammation and accidental injuries. Such a remedy is best found in Hagyard's Yellow Oil for internal and external use. It cures rheumatism, sore throat, croup, neuralgia, lame back, sprains, bruises and burns.

People who reside or sojourn in regions of country where fever and ague and bilious remittent fever are prevalent, should be particularly careful to regulate digestion, the liver and the bowels, before the approach of the season for the periodic malady. The timely use of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a valuable safeguard against the malarial scourge. It is acknowledged to be the best blood purifier in the market.

McGregor's Speedy Cure.

When we say McGregor's Speedy Cure is the only perfect cure for Dyspepsia, Liver Complaints, Indigestion and Impure Blood, we are telling plain facts, of which hundreds upon hundreds can testify who have been restored to perfect health by its use. We should therefore advise you strongly if you are a subject of any of the above troubles to give McGregor's Speedy Cure a trial and be convinced. It is sold in 50c. and $1.00 bottles at Dr. McGarvin's Drug Store.

Why go limping and whining about your corns, when a 25 cent bottle of Holloway's Corn Cure will remove them? Give it a trial, and you will not regret it.

"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice and try Hagyard's Pectoral Balsam; a safe, pleasant and certain throat and lung healer. Sold by all druggists.

The Last Year, 1886.

After the above year is ended there need be no person suffering from Rheumatism, Neuralgia, Toothache, Headache, Lumbago, or any acute pain, if they only purchase a bottle of Fluid Lightning, as it cures instantly. Pain cannot stay where it is used. The name is Fluid Lightning. Sold by Dr. McGarvin, Druggist.

Mr. H. McCaw, Custom House, Toronto, writes: "My wife was troubled with Dyspepsia and Rheumatism for a long time; she tried many different medicines, but did not get any relief until she used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. She has taken two bottles of it, and now finds herself in better health than she has been for years."

In Good Repute.

James McMurdock, writing from Kinsale, says:—"B. B. B., as a remedy for diseases of the blood, liver and kidneys, has an excellent reputation in this locality. I have used it, and speak from experience as well as observation. It is the only medicine I want, and I advise others afflicted to try it."

Fluid Lightning.

There are but few that have never suffered almost intolerable pain from Toothache, Neuralgia, or like acute pains. To them such an instant relief as Fluid Lightning is an untold blessing in time of trouble. No disgusting offensive medicines to be taken or days. One application of Fluid Lightning cures. Sold at J. E. McGarvin's Drug Store. 29

There is Nothing Like It.

There is no one remedy offered to suffering humanity whose use is so universally and frequently required as Hagyard's Yellow Oil, for rheumatism, neuralgia, colds, sore throat, deafness, croup, lumbago, and aches, pains, lameness and soreness of all kinds, when internally and externally used.

Mineral Poison.

Nothing but pure extracts from plants and roots are used in preparing McGregor's Lung Compound, the modern and now popular remedy for Colds, Coughs, Bronchitis, Croup, Asthma, and all affections of the throat, lungs and chest. All mineral poisons and dangerous substances are avoided, which renders it safe for children or adults. Sold at 50c. and $1.00 per bottle at Dr. McGarvin's Drug Store.

Merit Proves.

Dollar upon dollar is frequently spent on the faith of recommendations for articles entirely worthless. Not so with McGregor's Speedy Cure; you are not asked to purchase it until its merits are proven. Call at J. E. McGarvin's drug store and get a free trial bottle and if not convinced it will cure you of the worst forms of Dyspepsia, Liver complaint, etc., no matter of how long standing, it costs you nothing. Sold in 50c and $1 bottles. See testimonials from persons in your own town. 29

Itching Piles—Symptoms and Cure

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, seems as if pin-worms were crawling in and about the rectum; the private parts are sometimes affected. If allowed to continue very serious results may follow. "SWAYNE'S OINTMENT" is a pleasant, sure cure. Also for Tetter, Itch, Salt Rheum, all scaly, crusty Skin Diseases. Sent by mail for 50 cents; 3 boxes, $1.25, (in stamps). Address, DR. SWAYNE & SON, Philadelphia, Pa. Sold by Druggists. 50

Rest and Comfort to the Sufferin

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quick en the Blood and Heal, as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds" and is for sale by all Druggists at 25 cents bottle. 44

Prominent among the greatest medical discoveries, by the many cures it has effected, *McGregor's Speedy Cure* leads the van. Subjected to the minutest chemical analysis, it has been found to contain one of those injurious ingredients characterizing the worthless specifics daily offered to the public. Every ingredient possesses a peculiar adaptability to the various complaints for which it has been compounded, and its efficacy is being established by testimonials hourly received. We are therefore confident that we have a preparation which we can offer to the public with the assurance that it will be found not only a *relief* but an *absolute cure* for Dyspepsia, Liver Complaint, Indigestion, Constipation and Impure Blood. Free trial bottles at J. E. McGarvin's Drug Store. 31

Bickle's Anti-Consumptive Syrup is a combination of several medicinal herbs which exert a most wonderful influence in curing pulmonary consumption and all other diseases of the lungs, chest and throat. It promotes a free and easy expectoration and gives ease even to the greatest sufferer. Coughs, colds, shortness of breath, and affections of the chest, attended with weakness of the digestive organs, or with general debility, seems to vanish under its use. No other remedy acts so readily in allaying inflammation or breaking up a severe cold, even the most obstinate cough is overcome by its penetrating and healing properties. When children are affected with colds, coughs, inflammation of the lungs, croup, quinsey, and sore throat, this Syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. It is so palatable that a child will not refuse it, and is put at such a price that will not exclude the poor from its benefits.
