Vegetable Sicilian Hair Renewer

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore **GRAY OR FADED HAIR** *to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical* **HAIR DRESSING** *ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the* **BEST PREPARATION** *for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatory notices from clergymen, physicians, the press, and others. We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best* **Medical and Chemical Authority.**

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficacious purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by any body. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite and invigorates the system. Hence it is often advantageous where no serious disorganement exists. One who feels unwell will often find that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine has anything been so widely and deeply upon the confidence of mankind as this excellent remedy for pulmonary complaints. Through a long series of years, and among those of the utmost note, it has proved its power and perfect adaptedness to their dreadful ailments, and as its virtues become better known, its universal character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against the fatal ravages of consumption. Although offered to the public for years, it is at the same time the most efficacious medicine that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a preventive against these, it should be kept on hand in every family, and children as well as adults, should be provided with it on the first appearance of disease. Although so well known, it is again recommended, with the assurance that it will do its work of healing wherever the disease is not beyond the reach of medicine, and the patient restored to health and vigor by the *Cherry Pectoral.* Prepared by Dr. J. C. Ayer, and sold by druggists everywhere, it is within reach of all. When nothing else could reach the disease, resort to the *Cherry Pectoral* they unbiased and despair.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure,* and does not fail. Containing neither Arsenic, Quinine, Bitters, Zinc, or any other mineral or poisonous substance whatever, it is novious to the most delicate invalid, and the number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints,* arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

ANNUAL INCOME, £220,000 Sterling: Yearly Increasing at the rate of £25,000 Sterling.

THE important and peculiar feature originally introduced by this Company in applying the periodical Bonuses, so as to make Policies payable during life, without any higher rate of premiums being charged, has caused the success of the BRITON MEDICAL AND GENERAL to be almost unparalleled in the history of Life Assurance. *Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family,* and a more valuable security to creditors in the event of early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and foresight.

No extra charge made to members of Volunteer Corps for services within the British Provinces.

The New Remedy for Worms in Children or Adults.

BARKER'S WORM SYRUP.

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.

The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.

are supplied with new, healthy and vigorous blood, that furnishes strong structure. Hence all suffering from WEAKENING DISCHARGES, either male or female, or from Ulcers, or Sores, through the reparative process of RADWAY'S SARSAPARILLIAN, are arrested, and the ruptured organs healed.

THE TRUE THEORY OF CURE

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat and structure-making constituents, with Tissue-making, Flesh-making, Heat or Caloric and nourishing, purifying and strengthening. It repairs, heals, restores and drives out of the body the products of Decay and Corruption, consumption, White Swelling, Dropsy, Syphilis, Cancers, Tumors, &c., are within the curative range of the SARSAPARILLIAN RESOLVENT.

That Scrofula, by whatever name designated, is the result of deposits from the blood induced or caused by chronic inflammation. That these deposits take place when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calomel, Corrosive Sublimate, which is the corrosive Oil-ride of Mercury or other agents, given in medicine, and which enters largely into the common advertised Sarsaparillas, not Absorbed or Changed from their natural condition.

That unless the repairs of nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted.

That the decaying body cannot be sustained on any treatment of medication that exhausts the system, or fails to nourish the blood, the only medium through which the vital forces are preserved, and on which the growth of the body depends.

OVARIAN TUMOR CURED.

Never has a medicine taken internally been known to have cured tumors either of the womb, uteri, ovaries, or bowels, the knife has been the sole reliance in the hands of experienced surgeons; but Dr. Radway's Sarsaparillian settles this question for it has cured over twenty persons of Ovarian Cysts and Tumors, as well as Tumors in the Bowels, Uterus, Womb, Liver, Dropsical Effusion, Ascites, and a Calculus Concretions.
