JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

The crazy King Otto now amuses himself by peeling potatoes.

A Severe Attack.

"I never felt better in my life than I have since taking Burdock Blood Bitters. I had a severe bilious attack; I could not eat for several days, and was unable to work. One bottle cured me." John M Richards, Sr., Tara, Ont. For all bilious troubles use B. B. B.

A great many people hold theories who can't hold their tongues.

Mrs. Mary Thompson, of Toronto, was afflicted with Tape Worm, 8 feet of which was removed by one bottle of Dr. Low's Worm Syrup.

A Boston barber can speak five languages. His conversational ability places him in a high rank among tonsorial artists.

Be Prepared.

Many of the worst attacks of cholera morbus, cramps, dysentery, and colic come suddenly in the night, and the most speedy and prompt means must be used to combat their dire effects. Dr. Fowler's Extract of Wild Strawberry is the remedy. Keep it at hand for emergencies. It never fails to cure or relieve.

Prof. Low's Magic Sulphur Soap is highly recommended for all humors and skin diseases.

This is the law of benefits between men: The one ought to forget at once what he has given, and the other never to forget what he has received.

National Pills are a mild purgative, acting on the Stomach, Liver and Bowels, removing all obstructions.

From a Grateful Mother!

"My little child suffered from a severe cold upon the lungs, until she was like a little skeleton before she took Burdock Blood Bitters, after which she became fat and hearty, and was cured of weak lungs, constipation and debility or wasting of flesh from which two doctors had failed to relieve her." Mrs. Samuel Todd, Sturgeon Bay, Ont.

It is stated that Gladstone wears a thick overcoat in hot weather. It is his method of letting his opponents know that they can't make it hot enough for him.

Certain Cure.

A Cure for Cholera Morbus.—A positive cure for this dangerous complaint, and for all acute or chronic forms of bowel complaint incident to summer and fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from any druggist.

Freeman's Worm Powders are agreeable to take, and expel all kinds of worms from children or adults.

Flirtation is wicked, everyone knows, but somehow a man never realizes it quite so strongly as he does when he finds his wife flirting with some other fellow.

Grand Results.

For several years R. H. Brown, of Kincardine, suffered from dyspepsia, he says he tried several physicians and a host of remedies without relief. His druggist recommended B. B. B. which he declares produced "grand results," for which he gives it his highest recommendation.

Men are apt to mistake the strength of their feeling for the strength of their argument. The heated mind resents the chill touch and relentless scrutiny of logic.

An Old Time Favorite.

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus and bowel complaints generally prevail. As a safeguard Dr. Fowler's Extract of Wild Strawberry should be kept at hand. For 30 years it has been the most reliable remedy.

Digestion.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order. Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

Dr. Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

The Chinese giant, Chang, is eight feet, three inches high.

Garpolus tells of a young giantess who was ten feet high.

A giant eight feet high was exhibited at Rosen in 1735.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

Locat speaks of a Scotch giant eleven feet six inches in height.

Frosts have caused great damage to the tobacco crop in parts of the States.

Tuneless.

When so hoarse your voice seems unnatural. Get thee in your druggist for a bottle of Tamarac Elixir. It never fails to cure Hoarseness, Coughs, Colds, etc.

The Grecian giant, Anzenah, now 18 years old, is seven feet, eight inches tall.

And New Dentist Gilmore says that it is time there was a good Baking Powder, and that his Imperial Cream Tartar Baking Powder is far superior to all others.

The French Princes are making ready for their expected expulsion from France.

The dismissal of officers in high command has caused excitement in French military circles.

Mr. Henry Marshall, Reeve of Dunn, writes: "Some time ago I got a bottle of Northrop & Lyman's Vegetable Discovery from Mr. Harrison, and I consider it the very best medicine extant for dyspepsia." This medicine is making marvellous cures in Liver complaint, Dyspepsia, etc., in purifying the blood and restoring manhood to full vigor.

Premier Mercier is at Ottawa on his way to Toronto to have a consultation with Premier Mowat.

Doctors are just about driven to death these days. People are getting back from the health resorts.

Fabesh Snow, Gunning Cove, N. S., writes:—"I was completely prostrated with the asthma, but hearing of Dr. Thomas' Eclectric Oil, I procured a bottle, and it done me so much good that I got another, and before it was used, I was well. My son was cured of a bad cold by the use of half a bottle. It goes like wild-fire, and makes cures wherever it is used."

A constable serving Scott Act summonses received a severe beating from roughs in the Township of Adjala on Friday.

Mr. Chamberlain, in a speech at Birmingham on Friday night, approved the Government policy of suppression in Ireland.

PRIDE OF THE VALLEY

Yes. Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. I bought a sample package for 25c., then packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that was four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my hired man, who sprained his ankle so badly he could not bear his weight on it. After using Pride of the Valley Liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure! That is the greatest known remedy in the world for the cure of Catarrh, not an inhalant, but the Medicine to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify that have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them? At L. G. MATTHEWS', Acton, Ont. Also at all first-class Medicine dealers in Canada. Manufactured by Prof. A. M. Simmons, LONDON, ONT.
