—Several citizens have complained to the Reeve that the tossing of ball, practicing lacrosse, &c., on Mill street is not only annoying them, but is offensive to good taste. Under these circumstances the Reeve requests that parties desiring to practice ball will be kind enough to do it elsewhere than on the public streets.

A Move in the Right Direction.

At the last meeting of the Nelson township council Mr. Thomas Watson was appointed to look after the enforcement of the by-law regarding black knot on plum trees, yellows on peach trees, and thistles and other noxious weeds. The by-law was passed after a petition, signed by fifty electors, had been presented to the council asking for such a by-law, in accordance with the statute.

Residence Destroyed by Fire.

The residence of Rev. Wm. Wetherald, formerly pastor of the Congregational church, of St. Catharines, about a mile east of Fenwick P.O., was totally destroyed by fire on the 24th inst. The fire caught in the roof and probably from the chimney. The contents were partially saved, including a valuable library. Loss about $1,200. Mr. Wetherald was at one time Principal of the Rockwood Academy and is well known in this neighborhood.

—Gentlemen kindly call and examine Kelly Bros. spring suitings and pantings.

HOME GLEANINGS

Which are Mostly of a Local Character and all Interesting.

Death on the Track at Streetsville.

Joseph Key, an employee of the Streetsville woollen mills, was run over and killed on the C. V. R. track near there on Thursday night. The remains were not discovered until this morning. Several trains passed over them, mangling them in a horrible manner.

Trouble Over the Waterworks.

A meeting was called for Tuesday before Judge Miller for the purpose of appointing arbitrators to settle the dispute that now exists between the municipality and the farmers, who have been deprived of the water privilege, and which has been appropriated to the waterworks.—Milton *Sun.*

A Word of Spring Advice.

Don't stand with your hands in your pockets, and look like a knot on a log; tighten your "galluses" spit on your hands, and hump yourself out of the bog. Oh, never allow the spring breezes through your whiskers to mournfully rustle; remember that fortune, that downy old jade, smiles only on the people who hustle. Chopeordwood, dig drains or split rails, but don't sit around like a dumb thing; the spring is here, the summer is near, so go to work and do something.

Clean and Sanitarily Satisfactory.

The Sanitary Inspector has about completed his duties. He reports that in his canvass he has found the municipality in a clean and tidy condition generally, and that it is in a satisfactory sanitary condition. In a very few instances this does not apply, but in these the delinquents have been notified to comply with the provisions of the act. It is pleasing to note the general desire of our citizens to keep their town clean and free from all causes which would result in encouraging epidemic of any kind.

Removed to Campbellville.

Mr. Thos. Christie, formerly of the firm of Christie & Wilkinson, removed his family to Campbellville last week. Mr. Christie has gone into the quarrying business in company with his brother and brother-in-law, and will take charge of the quarries at Campbellville during the summer, and in the fall will remove to Toronto to manage the firm's business there. Mr. Christie proved himself a first-class citizen, and his many friends in Galt will be gratified to learn of his success in his new sphere.—Galt *Reformer.*

The Queen's Birthday.

The sixty-ninth birthday of her most gracious Majesty Queen Victoria was celebrated last Thursday with the same marked loyalty which characterizes Canadians generally. It was a holiday and the professional man, the merchant, the manufacturer and the toiler of several it as such, all spending it in the manner which he considered best suited to the recuperation of mind and body. It was a quiet day in Acton, but the bright and cheerful weather together with the sweetly perfumed air rendered the day pleasant to all.

Interesting Anniversary Services.

The anniversary services in the Methodist church last Sunday were marked with interest. Rev. Robt. Doyle, of Brampton, ex-President of the late Primitive Methodist Conference, occupied the pulpit morning and evening. His sermons were unusually able, impressive and appropriate. His exposition of the reading lessons was lengthy but so clear and interesting that all present paid marked attention throughout. The singing by the choir was very creditable and much enjoyed. The audiences both morning and evening were large and the collections of the day quite satisfactory.

Newspaper Advertising.

At the meeting of the Canadian Association, held at Toronto last week, the committee on advertising reported that they "would place at the head of the list newspaper advertising as the most effective and desirable." This theory is becoming daily more generally the accepted one. Although fence advertising may be somewhat profitable, and other kinds not undesirable, there is nothing that catches the public eye, and no place an advertisement can be put where it will be so generally read and show as many returns to the investor, as when it is attractively placed in the columns of a newspaper, as is always done in the Acton Free Press.

An Excellent Idea.

Here is a new idea for those whose churches are ornamented with a mortgage: At the Methodist Church in Johnsbury, Vt., a few Sundays ago a blackboard was displayed, upon which appeared a mountain divided off into geological strata, the upper one bearing the figures $50. Other sections were marked in smaller sums down to $1, the total representing the $708 of the church debt. This, the pastor said, he wanted to see wiped out, and as subscriptions were announced from the audience the corresponding figures and sections were erased from the board. In 25 minutes the whole mountain of debt had disappeared, and there was $50 to spare.

Light Bread of Guelph Bakers.

Guelph bakers have been anxious to earn a reputation for nice, light, palatable bread, but the following from the Guelph *Herald* would tend to give the public the impression that they had somewhat overdone the matter:—The Chief of Police made a raid on some of the bakers' wagons this morning. Geo. T. Webber's cart contained 18 loves under weight. The deficiency ranged from 1 to 4½ ounces per four pound loaf, and from 1 to 3 ounces per 2 pound loaf. W. T. Tanner lost 19 loaves in the search. The discrepancy was similar to the above. Jas. Keough forfeited one loaf that was two ounces too light. Geo. Williams lost an even dozen that were from 1 to 3 ounces short. Sole & Johnson contributed 4 to the list. Their shrinkage was from 1 to 3 ounces.

The Bloomsbury Picnic.

The picnic under the auspices of the Bloomsbury literary society, in McKinnon's grove, Nassagaweya, on the Queen's Birthday was in every respect satisfactory. The very fine weather brought out a large number of visitors and the attendance was fully larger than last year. Proceedings were opened with selections on the bagpipes by Mr. Geo. Dourless, piper for the 20th battalion Lorne rifles, after which the games and amusements provided on the programme were engaged in. The races created a good deal of amusement. In the potatoe race Geo. Storey, Jr., won first, Thos. Storey, Jr., second, and Donald McGregor, third. The smoking race by Alex. Waldie, Jr., A. Kannawin and John Socker. The egg race by H. Wallace, Jr., Matthew Job and J. A. Taylor. Large numbers enjoyed themselves at parlor and lawn croquet, foot ball, base ball, swings and dancing was a favorite pastime with many. Excellent music was discoursed during the day by violins and organ, and a feature of the programme was the remarkable whistling by Mr. Welsh, of Hamilton. His music was much enjoyed and wondered at. During the evening the grove was brilliantly illuminated, and the pleasantries were kept up to a late hour. The committee did their best to provide a good entertainment and all present apparently enjoyed themselves.

PERSONAL MENTION.

Paragraphs Respecting Visitors to and From Acton, With Whom Free Press Readers Are More or Less Acquainted.

Mr. Joseph Fyfe, of Barrie, was here last week.

Mrs. J. G. Wilson, of Georgetown, visited Acton friends on Tuesday.

Mr. C. L. Young, of Oakville, visited friends here on the Twenty-fourth.

Mrs. Peter McGregor, of Toronto, was the guest of Acton friends last week.

Mr. James and Miss Barbara Warren visited friends in Toronto and Aurora last week.

Mrs. J. M. Fernley, of Brantford, spent several days during the past week in her old home.

Miss Celia Stafford returned to Toronto on Monday after spending a week with friends here.

Miss Emma Tubby, of Toronto, has been a guest at the residence of Reeve Storey during the week.

Mrs. J. Smith, Miss Nora and Mr. Albert Smith were guests at the residence of Mr. Anson Smith last week.

Rev. A. G. E. Westmacott, incumbent St. Alban's church, is attending the annual meeting of the Synod of Niagara, at Hamilton.

Mr. Joseph Lang, editor of the Kincardine *Review*, had the misfortune to break his leg last week while jumping out of the buggy he was riding in.

Mr. C. W. Hill, photo artist, Monroe, Mich., is visiting his paternal home. When Charlie left Acton two or three years ago he left innumerable friends, all of whom welcome him home again. He will return to Monroe next week the better for a couple of weeks spent in social pleasures here and in breathing Acton's pure air again.

Our esteemed friend, Miss Jennie Steele, who has passed the winter and spring pleasantly among friends in Milton, Georgetown, Guelph, Toronto, Acton and vicinity, left last week on a visit to Pennsylvania to visit friends at Dr. Walters, Mountain Home, also to Youngstown, Ohio, where friends are anxiously awaiting her coming. Our best wishes follow her and we hope she may richly enjoy her visit.

ROCKWOOD NEWS.

From our Own Correspondent.

Rockwood was almost deserted on the 24th. Everybody except us old people and the children went out of town and stayed for tea.

A number of the members and friends of St. John's church, drove in to Guelph on Sunday evening to witness the confirmation services by Bishop Hamilton at St. George's church.

The I. O. F. picnic and demonstration at Eden Mills on the 24th was a grand success. Games and amusements of all kinds being indulged in and at five o'clock an excellent tea was provided. But what the lodge congratulates itself most on was the realization of the handsome sum of over $75 after paying all expenses.

There is trouble in the Salvation Army ranks. Certain of the rules are not observed by some of the young folks, one of which is, "The boys must not walk with the girls" and of course the girls rebel, thinking, and rightly so, that leap year with all its benefits and precedents such as talking and walking with proposing too, and otherwise generally encouraging the bashful and dilatory youth was an established fact long before the army with its rules came into existence.

LIMEHOUSE NEWS.

From our own Correspondent.

Miss Campbell and Miss Moore, Mr. Nelson Moore and Mr. Chas. Moore, of Acton, spent the 24th at the residence of Mr. John Moore.

Mr. and Mrs. A. E. Nicklin, of Acton, were visiting Mr. J. T. Ellis' on the 24th.

Messrs. W. Allison and John Taylor, lumbermen, spent Sunday in Toronto.

The Queen's birthday was rather a dull day around Limehouse, but a large number of the residents went to Georgetown to witness the base ball and lacrosse matches. The base ball match was between the "Arctics," of Toronto, and the Georgetown team, and resulted in the defeat of the home team by 25 runs to 15. There was very little good playing exhibited on either side; and we think they didn't deserve the few spectators they had. The lacrosse match between the Ætnas of Georgetown, and the Crescents of Acton, which began about 2.30 was something better. Although the Georgetown team were better players, there was good playing shown by the Acton boys. The Acton team seemed to be afraid to leave their goal, notwithstanding the fact that they had a first-class goal-keeper. We think if they would play centre field more, they would do better. The gate receipts amounted to about $34. We are informed that the Ætnas play the Young Torontos on June 6th, and a team from Richmond Hill on the 16th of June.

Miss Augusta Nicklin, of Acton, spent Sunday at J. T. Ellis'.

Mr. Roger Kelly was in town Saturday.

THE FIRE CRACKER EVIL.

Disastrous Fire on the Queen's Birthday from their Careless use.

Selby, Ont., May 24.—A serious fire, the result of firecrackers, occurred here to-day. It originated in a barn adjoining James Genus' hotel. Both buildings were soon in flames. The private residences of Mrs. Vandezen and Mr. Anderson next caught followed by the entire destruction of the two churches, English and Methodist, these last costing over $10,000. McKim's house and carriage and blacksmith shop next went. The total loss is $18,000, with $4,500 insurance.

A MODEL MAGAZINE.

Harper's Magazine for June is an example of what a magazine for early summer ought to be. It contains a judicious mixture of the best things in literature, and is thus suited to all the moods of a June day. Fiction is provided for lazy hours by W. D. Howells, Henry James, and William Black, and there is much charming poetry. Neither are solid articles for serious reading lacking, and the artistic features of the number are most delightful. Reinhart, Abbey, Charles Graham, E. P. Sanguinetti, Alfred Parsons, W. H. Hyde, and F. Barnard, all contribute specimens of their best work. The frontispiece is an excellent portrait of the late Mrs. Craik, and belongs to the article on "London as a Literary Centre," which abounds in good likenesses of English novelists.

OUR SPORTSMEN ON THE 24TH.

Acton takes a Back Seat in the Queen's Birthday Games.

Three teams of Acton's athletic youth—two base ball and the other lacrosse—entered the arena, each exuberant with the hope and expectation of winning in their respective contests. That evening neither base ballist or lacrosse player could be found in town anxious to talk about the victories of the day.

The junior base ball club played a game in the park here with the "Bellwoods" of Toronto. A very neat game was played but the home nine were worsted in the very creditable score of 7 to 9.

The Pastimes went to Milton to take part in the first match for the silver cup given by Milton Brass Band. Their opponents were the "Stars" of Oakville. Referring to the game the Milton *Sun* says:—Both clubs are good ones. The Oakville nine are sluggers, however, and made the ball hum many times to the tune of two and three base hits, while the Acton boys are possibly a little the neatest fielders. The game was a very interesting one, as was testified to by the attention given the game by the large crowd in attendance notwithstanding the intense heat which the sun fairly poured down upon the devoted heads of players and spectators alike. The score is as follows:

ACTON.	R.	O.	L.B.
Werner, c. f	0	2	0
Kelly, 2 b	1	5	0
White, c	0	1	1

Majority for Oakville 12 runs and one inning to spare. Scorers, Isaac Francis, Acton; C. Patterson, Oakville. Umpire—J. Mowat, Milton.

The Crescent Lacrosse club visited Georgetown to play their first association match for the season. When they reached the lacrosse grounds and were introduced to the Ætnas' men they were surprised to find that their team included five outside players. At this they of course demurred but were eventually induced to play on account of the large number of spectators who had gathered to witness the match. The game was, however, played under protest on the part of the Crescents. It resulted in a score of four goals to one in favor of the Ætnas. The next match will be played in the park here on the 16th prox. between the Crescents and the junior Ontarios of Toronto.

FIVE PERSONS BURNED TO DEATH.

Garthsmith, Ont., May 29.—A terrible fire occurred at Uffington, about twelve miles from here, last night. Frederick N. Doyle, township clerk, his wife and three children, were burned to death. One of the neighbors saw the flames and immediately ran to the assistance of the occupants but it was too late to be of any assistance. The wind was so strong that nothing could be done to save the unfortunate family. The fire is believed to have originated from a small mosquito smudge which had been placed near the corner of a small workshop adjoining the building of Mr. Doyle, and which was during the high wind fanned to a flame.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

Advice to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

The name of McCausland & Son, of Toronto, is directly associated with the best stained windows in the country. There are several offshoots from this veteran house, but experience tells the tale. Their equipments and personal knowledge make them peers in the Ornamental, Cut and Stained Glass trade, and we are glad to hear of the flattering success this firm has enjoyed during the past forty years.

The Favorite

Medicine for Throat and Lung Diffculties has long been, and still is, Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Fauces; strengthens the Vocal Organs; allays soreness of the Lungs; prevents Consumption, and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the fever, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton, Foreman *Headlight*, Merrillton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until entirely recovered."—Joel Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, followed by an persistent cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me."—Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 1257 Washington street, Boston, Mass.
