LIFE DEPARTMENT.
The Corporation has granted Assurances on Lives for nearly a Century and a Half, having issued its First Policy on the 7th June, 1721.
Two-thirds of the entire Profits, without any deduction for expenses of management, are allotted to the Assured. This arrangement will be found much more advantageous to the Policy-holders than an apparently larger proportion of the Profits, subject to the expenses of management. The Profits are declared at the end of every five years, and the share of the Policy-holders may be appropriated either in increase of the Sum Assured or as an immediate Cash payment.
