HAND-WORKED FIRE ENGINES
Of every description, and for all Climates.
Fire Escapes, Hose and Suction Pipes, Fire Buckets, Fire Cocks, Hose Reels, Hydrants, Firemen's Equipments,
And every article connected with the Extinction of Fire.
SHAND, MASON & CO'S Steam Fire Engines have been awarded all the Chief First Prizes, have been chosen by the Metropolitan (London) Fire Brigade for Sixteen years, and are come to be the most durable Engines yet constructed, also the most readily managed by inexperienced persons. The generative powers of the boiler are such that the Prescott Trials steam of 10 lb. was raised in six minutes and twenty-five seconds.
At the great Competitive Trial of Steam Fire Engines, held at Preston, England, May, 1871, the Judges, after a searching investigation, decided unanimously in favour of Shand, Mason & Co.'s Engine, which was accordingly purchased by the Authorities.

HALL'S
Vegetable Sicilian Hair Renewer
Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M. D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for its intended purposes." We publish a treatise on the hair, which we send free, by mail upon application, which contains commendatory notices from clergymen, physicians, the press, and others. We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and so acknowledged by the best Medical and Chemical Authority.
Sold by all Druggists and Dealers in Medicine.
Price one Dollar Per Bottle.

FAMILY GROCERS AND WINE MERCHANTS
Agents for St. George & Co's., Pure Wines and Brandies,
WINE as an ordinary beverage has been little known or used in this country, but there is the highest testimony to its value. Professor Liebig thus writes: "In no part of Germany do the apothecaries establishments bring so low a price as in such cities on the Rhine, for Claret wine is the universal medicine for the health as well as for the sick, and it is as milk to the aged." On the characteristics of wine compared with spirits, the same eminent authority remarks, "Wine as a restorative, as a means of refreshment when the powers of life are exhausted, as means of correction and compensation where minerals or herbs concerning nutrition, the organism is deranged in its operations, and as means of protection against transient organic disturbances, wine is surpassed by no product of natural or art." And of spirits, he who drinks them, retates, so to speak, a tax on his health, which must always be renewed for want of means to take it up. He consumes his capital instead of his interest, and the result is the inevitable bankruptcy of his body."—*St. George & Co's Circular.*
