DR. J. COLLIS BROWNE'S CHLORODYNE.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests the too often fatal diseases—Diphtheria, Fever, Croup, Ague.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Menstruation, &c.

FROM LORD FRANCIS CONYNGHAM, Mount Charles, Donegal, 11th Dec., 1868.

"Lord Francis Conyngham, who this time last year bought some of Dr. J. Collis Browne's Chlorodyne from Mr. Davenport, and has found it a most wonderful medicine, will be glad to have half a dozen bottles sent at once to the above address."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that Cholera has been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION.—BEWARE OF PIRACY AND IMITATIONS.

CAUTION.—Vice Chancellor Sir W. PAGE WOOD stated that Dr. J. COLLIS BROWN was, undoubtedly, the Inventor of CHLORODYNE; that the widow of the Defendant, FREEMAN, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 10th July, 1861.

Sold in Bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the word "DR. J. COLLIS BROWNE'S CHLORODYNE" on the Government Stamp. Overwhelming Medical Testimony accompanies each Bottle.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys is derived from its cures, many of which are truly marvellous. In virulent cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need be informed of the virtues of AYER'S SARSAPARILLA.

Scrofulous poison is one of the most destructive agencies of our race. Often, this unseen and unsuspected enemy undermines the constitution and renders the attack of trifling or fatal diseases without exciting a suspicion of its presence. Again it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develope itself in one of the fearfully dangerous forms, either in the lungs, or in the liver, or it shows its presence by eruptions on the skin, or foul ulcers rising in some part of the body. Hence the accompanying of a bottle of this *Sarsaparilla* is advisable, even when no pressing symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, a lasting cure, by the use of this *SARSAPARILLA*: *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions of visible forms of *Scrofulous disease.* Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Uterine* affections of the numerous female systems.

Scrofula or Venereal and Mercurial Diseases are cured by it, though a long time is required for eradication of obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulcerations,* and *Painful Diseases,* are speedily soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Pimples, Blotches, Blisters, Scaly Eruptions* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaint, Torpidity, Congestion or Inflammation of the Liver,* and *Jaundice,* when arising as they often do, from the rankling poisons in the blood. The *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Troubled* and *Distress, Desponden, Sleepless,* and troubled with *Nervous Apprehensions* or *Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine has anything won so widely and so deeply upon the confidence of mankind, as this excellent compound for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as its properties became better known. Its uniform character, and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given to incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden attacks of *Croup,* it should be kept on hand, every family, and indeed as all are liable to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral.* So complete is its mastery over the disorders of the lungs and Throat, that the most obstinate of them yield to it. When nothing else could touch them, then, the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure.

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from Malarious, marsh, or miasmatic poisons.

AYER'S name implies, it does Cure, and does not fail. Containing neither Arsenic, quinine, Bismuth, Zinc, nor any other mineral or noxious substance whatever, it is neither injurious any patient. The numbers and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Intermittent persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints,* arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

PRICE, $1.00 PER BOTTLE.

The New Remedy for Worms in Children or Adults

BARKER'S

WORM SYRUP

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, as many children refusing to eat them; hence the necessity of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an effectual medicine, has been long felt. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children take it readily. A large number of certificates have been received from persons who have used the Syrup with the utmost success; also from several Physicians, testifying to its efficacy.

The symptoms of worms are so well known that it is unnecessary here to detail them, as it is a well known fact that thousands of children are buried in early grave for want of proper attention.
