SHAND, MASON & CO'S Steam Fire Engines have been awarded all the Chief First Prizes, have been in use by the Metropolitan (London) Fire Brigade for Sixteen years, and are found to be the most durable Engines yet constructed, also the most readily managed by inexperienced persons. The negative powers of the boiler are such that at the Preston Trials steam of 10 lb. was raised in six minutes and forty-five seconds.
At the great Competitive Trial of Steam Fire Engines, held at Preston, England, May, 1871, the Judges, after a searching investigation, decided unanimously in favour of Shand, Mason & Co's Engine, which was accordingly purchased by the Authorities.

HALL'S
Vegetable Sicilian Hair Renewer
Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatory notices from clergymen physicians, the press, and others. We have made the study of the hair and its diseases a specialty for years, and know that we make the most effective preparation for the restoration and the preservation of the hair, extant, and is acknowledged by the best Medical and Chemical Authority.

Daniel Flank, of Brookfield, Lioga County, Pa., says: "I went thirty miles for a bottle of your Oil, which effected a WONDERFUL CURE of a CROOKED LIMB by six applications." Another, who has had ASTHMA for years, says: "I have half of a 50 cent bottle left, and $100 would not buy it if I could get no more."
Rufus Robinson, of Nunda, N.Y., writes: "One small bottle of your ECLECTRIC OIL restored the voice where the person had not spoken above a whisper in FIVE YEARS." Rev. J.
