"Lord Francis Conyngham, who this time last year bought some of Dr. J. Collis Browne's Chlorodyne from Mr. Davenport, and has found it a most wonderful medicine, will be glad to have half a dozen bottles sent at once to the above address."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that Cholera has been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION. BEWARE OF PIRACY AND IMITATIONS.

CAUTION.—Vice Chancellor Sir W. PAGE WOOD stated that Dr. J. COLLIS BROWNE was undoubtedly the inventor of CHLORODYNE; that the story of the Defendant, FREEMAN, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 10th July, 1864.

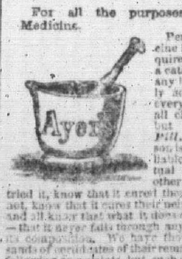
Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is more reliable and far more effectual remedy than any other. Those who have tried it, know that it cures them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its compounding. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. A laxative is all ages and conditions is all-healing, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable they harm no organ from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such disorganizations as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints which these *Pills* rapidly cure:—

For *Dyspepsia or Indigestion, Listlessness, Languor* and *Loss of Appetite*, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For *Liver Complaint* and its various symptoms, *Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic* and *Bilious Fevers*, they should be judiciously taken for each case, to overcome the action or restore an obstructed or sluggish action.

For *Dysentery or Diarrhœa*, but one mild dose is generally required.

For *Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins*, they should be continuously taken, as required, to obtain the different results in these cases. With such change these complaints disappear.

For *Dropsy* and *Dropsical Swellings* they should be taken in large and frequent doses to produce the effect of a drastic purge.

For *Suppression*, a large dose should be taken as it prevents the disease if not by another day.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, and thus removes obstructions and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels miserable generally, often finds that a dose of these *Pills* makes the feel decidedly better, from their stimulating and regulating effect on the digestive apparatus.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent compound enjoys is derived from its cures. Many of which are truly marvellous. Inveterate cases of scrofulous disease, where the system seemed saturated with corruption, have been purged and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, the seeds are sown in childhood, and the germ matures into the loathsome disease, or else it develops in some other form of disease, perhaps overlooked as the result of the scrofulous poison. Again, it seems to breed in the blood throughout the body, and then, on some favorable occasion, it may develop into one or other of the various forms of scrofulous disease, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions of the kind, or it may fix upon the lungs, producing Consumption, or upon the liver, or it shows its presence by eruptions on the skin, or foul ulcers on the surface of the body. Hence the necessity of a bottle of this *Sarsaparilla* to be ready, even when no active symptoms of disease appear. Persons affected with the following complaints generally find immediate relief, and a lasting cure, by the use of this *SARSAPARILLA*: *St. Anthony's Fire, Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions of the kind, *Scrofulous Tumors*. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Ulcerous* affections of the mucous and sympathetic systems.

Syphilis in *Venereal* and *Mercurial Diseases* is cured by it, though a long time is required for purging these obstinate maladies by any medicine. For long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulceration*, and *Female Diseases*, are cured gradually but surely relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Eruptions* and *Gout*, when caused by accumulations of extraneous matter in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation of the Liver*, and *Jaundice*, when arising, as they often do, from the cankerous poisons in the blood. The *SARSAPARILLA* is given to restore to the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions or Fears*, or any of the effects of a vitiated state of the blood, will find immediate relief and convincing evidence of its restorative power upon trial.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character for performing the various offerings of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, it should be provided with this antidote for them.

Although called *Consumption* is thought to remain, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, only so much as assure the public that its qualities are fully maintained.

Ayer's Ague Cure

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it is wholly harmless and perfect. The number and importance of its cures in the same districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our public is gratified to be the almoner of the benefits of the radical cures effected by its use in such cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

The New Remedy for Worms in Children or Adults

BARKER'S

WORM SYRUP

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to the preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.

The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.
