The Young Folks.

THE MAN WHO FISHES.

This man above, on fishing bent,
One Monday in spring left his tent.
The Chief.

He took his rod, and very quick
He dug his fish worms with a pick.
The Pick. The Worms.

In case some fish of size he'd get,
He took along his landing net.
The Landing Net.

As he commenced, he ran to toss,
Of pretzels he put in a few.
The Pretzels.

Some lines he took along on speed
To teach them to the funny schools.
The Schools.

He had some entertaining books,
Of highly respected Limerick books.
The Books.

And thus prepared he got a boat,
And set up the stream did float.
The Boat.

Soon there he straight began to sing,
It was the gladsome spring.
The gallinippers.

One of his lines spun off the reel,
He landed in the boat and eel.
The Eel.

A sudden shock the man felt,
For he mistook his sun in a fish.
The Catfish.

Then he roared the shoreline crashed,
And a frogman the lightning dashed.
The frog gigs.

The man then flew and the boat upset,
And the man went down into the wet.
The Upturned Boat.

And he went to the bottom of the sea,
Neither did another toward the close.
The Pickerel.

"Gallinippers—A species of mosquito.

THE PLAY CORNER.

We know that if we fill a goblet full of water and cover it with a piece of thin cardboard so as to entirely exclude the air, the paper will be held firmly enough to the sides of the goblet by the power of the atmospheric pressure, to enable us to reverse the goblet without spilling a drop of the water.

Pass a thread having a knot at the end through the centre of the piece of cardboard, then close the hole made by the thread with sealing wax so as to prevent any air from penetrating. Suspend the glass by the thread, from a hook in the ceiling, and you will then have a pendulum strong enough to oscillate without the glass falling. Not only can you oscillate a small glass for a whole day by this method, but you can also obtain a like result with a larger goblet containing pieces of money and other weights of that kind. The operators will do well to grease the edges of the goblet with a little tallow so as to increase the adherence of the cardboard.

The Only Thing.

Mr. James Bonner, 178 Yonge St., Toronto, Ont., writes:—"I cannot say too much praise to St. Jacobs Oil, and have great pleasure in recommending it as the only remedy I could get to relieve and effectually cure me of neuralgia of the head. I have also found it of great benefit for rheumatism, and am never without a bottle in my house."

P. M. Marshall, West Jeddore, N.S., writes:—"I wish to inform you of the wonderful qualities of Dr. Thomas' Eclectric Oil. I had a horse so lame that he could scarcely walk; the trouble was in the knee; and two or three applications completely cured him.

Grandpa—"Yes, it's a good thing for a boy to travel. Freddy, it develops him. If he has anything in him, travel will bring it out." Freddy (who is precocious)—"Yes I discovered that when I was crossing the Atlantic."

Messrs. C. C. Richards & Co.,

Gentlemen—In playing Tennis I wrenched my ankle, causing me much suffering and inconvenience, but by using MINARD'S LINIMENT I was not confined to the house a single day. After a few days I was able to continue training for the sports at the Halifax Carnival for which I had entered.

Mother Graves' Worm Exterminator has no equal for destroying worms in children and adults. See that you get the genuine when purchasing.

Mr. W. Thayer, Wright, P.Q., had Dyspepsia for 20 years. Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of, and immediately commenced taking Northrop & Lyman's Vegetable Discovery. The pains have left and he rejoices in the enjoyment of excellent health, in fact he is "quite a new man."

A Canadian Case

The case of Mrs. E. A. Storey, of Shetland, Ont., is remarkable proof, of the efficacy of Burdock Blood Bitters in headache. She writes: "For over 40 years I was a martyr to headache, having severe attacks about once a week. Have now used 3 bottles of B.B.B. and have not had an attack for 4 or 5 months."

Children Cry for Pitcher's Castoria.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

NOTES HERE AND THERE.

Items of General Interest to Free Press Readers.

Father (petulantly)—"Do you expect my daughter to be a party to a marriage for money, sir?" Suitor (bashfully)—"No sir, but it isn't for her. I really haven't got a cent."

When the Breath

Is tainted by catarrh it is an evidence that the disease has progressed to the throat, perhaps to the larynx, and the bronchial tubes. These are only stations on the road to the lungs. When catarrh has progressed and attacked the lungs, there can only be one result—consumption and death. Clark's Catarrh Cure will arrest the disease at any point before the lungs are seriously affected. It costs 50 cents of druggists, or sent to any address on receipt of price. Clark Chemical Co., Toronto, New York.

Client—"Y-you a-a-re-a-a-a scoundrel—s-s-sir!" Lawyer—"Take that word back, sir, or I'll—" Client—"N-n-no, s-s-sir, I'll not do anything of the kind. I'm glad to get it out!"

"Tired All the Time."

Say many men and women, who seem overworked, or are debilitated by change of season, climate or life. If you could read the hundred letters praising Hood's Sarsaparilla which come from people who it has restored to health, you would be convinced of its merits. As this is impossible, why not try Hood's Sarsaparilla yourself, and thus realize its benefit? It will tone and build up your system, give you a good appetite, overcome that tired feeling and make you feel, as one woman expressed it, "like a new creature."

At the party—Mr. Rusticus—"Miss Simper, shall we promenade?" Miss Simper—"Promenade? With pleasure!" Mr. Rusticus—"Shall we have a glass of—er—lemonade first?"

Ingrowing Nails.

A positive and permanent cure for Ingrowing Nails. No pain. Sent post paid for 15c. stamps or silver. Address, Hour Specific Co., Orillia, Ont.

The Third page of the Toronto *Daily Mail* is made for "Want" advertisements if you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, fittings, if you have lost or mislaid anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisement on the Third page of that paper. The charge is Two Cents a word, each insertion. Address *The Mail*, Toronto, Canada.

Hightoned Father—"Didn't I hear high words between you and your brother just now, Henry?" Henry—"Very likely father; but sure you wouldn't wish me to go low forgive."

When you notice unpleasant sensations after eating, at once commence the use of Northrop & Lyman's Vegetable Discovery, and your Dyspepsia will disappear. Mr. James Stately, merchant, at Gustance, writes:—"My wife has taken two bottles of Northrop & Lyman's Vegetable Discovery for Dyspepsia, and it has done her more good than anything she has ever used."

Bridgeter—"Dick, I think it's time little Dick went to bed." Little Dick (on Mr. Newfoundlands knee)—"Oh, it's all right, grandma said I should stay here until she came down stairs."

Pile Lightning.

The application of the "great pain cure," Polson's Nerviline, in relieving the most intense pain, is a matter of wonder to all who have used it. There is nothing surprising in its results, for it is made of the strongest, purest and most efficient remedies known in medicine. Nerviline cures toothache instantly; cramps in five minutes; neuralgia after two applications; rheumatism is at once relieved by its use, and the same may be said of all kinds of pains. Sample bottles, costing only 10 cents at any drug store. The large bottles only 25 cents. Polson's Nerviline sold by all druggists and country dealers.

"Were the costumes pretty?" asked Mrs. Peckham of her husband, who had been to the theatre without her the night before, and Mr. Peckham stammeringly replied: "I—I didn't see any."

Everybody Knows.

That at this season the blood is filled with impurities, the accumulations of months of close confinement in poorly ventilated stores, workshops and tenements. All these impurities and every trace of scrofula, salt rheum, or other diseases may be expelled by taking Hood's Sarsaparilla, the best blood purifier ever produced. It is the only medicine of which "100 doses one dollar" is true.

No discount—Maud—"How can I ever repay you for your kindness?" George—"With kisses." Maud—"How much do you value them at?" George—"I'll take them at their face value."

Owing to the unprecedented demand for plate glass it has advanced considerably in price. Messrs. McCausland & Son, Toronto, fortunately made a contract before the advance for a very considerable quantity, and are thus enabled to offer their patrons this season a very decided advantage in price, the quality being superior to any ever previously imported.

Mrs. Bingo (to the minister)—"Won't you have another piece of pie?" The minister—"Thank you, no." Tommy (who has been warned not to ask twice)—"I guess we are in the same boat."

Peter Kieffer, Buffalo, says:—"I was badly bitten by a horse a few days ago, and was induced by a friend who witnessed the occurrence to try Dr. Thomas' Eclectric It relieved the pain almost immediately and in four days the wound was completely healed. Nothing can be better for fresh wounds."

"Don't you ever tire of this drifting, objectless life you are leading?" asked the philanthropist. "Tire of it?" answered Weary Watkins. "Fact is, it makes me so tired I can't do nothin' else?"

Pole Scills.

$900.00 in cash given away to advertise Dr. Cole's Pills. We will give daily prizes for ninety days to the persons who correctly form the name of a popular remedy from the letters in the two words Pole Scills. For the first correct answer received each day $5.00 in cash, for the 2nd, $3.00 for the 3rd, $2.00—$10.00 in all. With your answer send 25c. in silver or 27c. in stamps, for a box of Dr. Cole's Perfect Blood and Liver Pills, sure cure for sick headache, very small and do not gripe. Remember these prizes are absolutely free. Prize money now on deposit at the Traders Bank here. Contest opens May 1st, 1891. Try it. Address *Home Specific Co.* Orillia, Ont., Canada.

Supplies of Horse Radish.

Considering how easily and cheaply horse radish can be grown, it is inexcusable for any family that has a square rod of ground to be without it. The plant thrives best in rich soil, and once rooted, it is seldom got rid of. The more freshly it is grated the better, or at least the stronger it is, but any one who has grated it can well believe it may be too strong. Horse radish is an excellent appetizer, and it is claimed by some that it has curative properties for diseases of throat and lungs.

Before Starting

On a journey, place a bottle of Clark's Lightning Liniment in your satchel. A few drops in water will prevent sickness or pain from change of water. It is better than spirits or bitters as a stimulant. Miners and lumbermen should always be provided with it. All druggists sell it; price fifty cents. If the druggist has not got it, ask him to get it for you. It will pay you to wait. Clark Chemical Co., Toronto, New York.

"John," said John's sister, "why don't you propose to Ethel, if you intend to, and have done with it?" "I would if Ethel would stop talking long enough to let me get in a word or two."

Fathers and Sons

Fathers and sons as well as wives and daughters need a purifying tonic medicine in Spring to prepare the system for the hot season and drive out the seeds of disease accumulated in Winter. B.B.B. has no equal as a spring purifier and costs less than a cent a dose. There is healing virtue in every drop.

Caught in a Shaft.

A frequent source of accident is found in shafting. Great care should be used and a supply of Hagyard's Yellow Oil kept on hand in case of wounds, bruises, sprains, burns, or scalds. It is the promptest pain reliever obtainable.

"Bridget, what is that child crying so wildly for?" "Shure, mum, he's just drinkeed all his soothin' syrup, and et the cork, and I don't know what ails him unless it's the bottle he wants to echwally."

The Single Tax.

The single tax may relieve poverty but as a remedy for painful ailments it cannot compare with Hagyard's Yellow Oil the old reliable cure for rheumatism, neuralgia croup, sore throat, lumbago, colds and inflammatory diseases.

One Dozen Bottles

Of the best known Blood Remedy will not work such a change in a case of Catarrh as one package of Clark's Catarrh Cure. All the wise talk about Catarrh being a constitutional or blood disease depends entirely upon what the advertiser has to sell. If you have Catarrh in any form, try Clark's Catarrh Cure, and you need not take a cartload of it before any benefit is derived. Druggists keep it and recommend it. Price 50 cents. Sent to any address by Clark Chemical Co. Toronto, New York.

Bickle's Anti-Consumptive Syrup is a combination of several medicinal herbs which exert a most wonderful influence in curing pulmonary consumption and all other diseases of the lungs, chest and throat It promotes a free and easy expectoration, and gives ease even to the greatest sufferer. Coughs, colds, shortness of breath and affections of the chest, attended with weakness of the digestive organs, or with general debility, seem to vanish under its use. No other remedy acts so readily in allaying inflammation or breaking up a severe cold, even the most obstinate cough is overcome by its penetrating and healing properties. When children are affected with coughs, colds, inflammation of the lungs, croup quinsey, and sore throat this Syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. It is so palatable that a child will not refuse it, and is put at such a price that will not exclude the poor from its benefits.

Stubborn Children readily take Dr Low's Worm Syrup. It pleases the child and destroys the worms.

The words must be written in ink on one side of the paper only, and numbered in rotation, 1, 2, 3 and so on to the end of the list, for facilitating in deciding the winners. The list containing the largest number of words will be awarded first prize, and so on in the order of merit. It is eminently THE paper for the home circle, and at $1 a year is the cheapest and best paper in the market. This competition will positively close on the above named date. Remember, you are paying $1 for six months subscription to one of the best home papers in Canada, and at the same time run a good chance of winning a valuable prize.
