

First Sixty Years

Mrs. Arthur Graves, a life member for thirty years, Mrs. Clarke Rea, Mrs. Frank Gamble, Mrs. William Wolfe, Mrs. Elmer Hillis, Mrs. John Byers, Mrs. Kenneth McKitick, Mrs. Oscar Irvine, Mrs. Wilson Hunter and Mrs. Norman Irvine.

At this time mention should also be made of our Tweedsmuir History. It was started in 1945 with the present book commencing in 1964. Many members have worked on this book through the years. The present curator is Mrs. Mervin McPherson.

So at this time let us reminisce with our old friends and enjoy the past. Let us also keep an eye on the future with the hope for Waldemar Women's Institute to strive for the motto 'For Home and Country'.
