THE NEWS AT HOME:

Mostly of a Local Character, and Every Item Interesting.

Wedding Bells.

A very interesting and pleasant event took place at the residence of Mrs. H. E. Martin, near Acton, on Wednesday evening, March 28th, the occasion being the marriage of her daughter, Augusta Angeline to Mr. Archibald Black, of Shelburne. The bride was attended by her sister Miss Lizzie Martin, of Acton, and the groom by his cousin, Mr. J. Barber, Hillsburg. The ceremony was performed by Rev. P. Baker, Everton. The esteem in which the young couple are held by their friends was evidenced by the beautiful and useful presents received. Their many friends join in wishing them a happy and prosperous life.

A Bright Young Life Cut Off.

For some months past Miss Fannie Robson, of Berlin, for a number of years a resident of Acton, has been gradually failing in health until Monday afternoon death came to her relief. In her death consumption claimed another victim. Fanny was a bright and pleasant young woman and won friends wherever she was. Early in life she decided to live for Christ, and in Him she daily trusted for strength and guidance. She was a comfort to her widowed mother and aided materially, when enjoying good health, in lightening her burdens in many ways. The remains were brought to Acton yesterday morning, and were followed to their last resting place in Fairview Cemetery by many Acton friends and former class mates in the church of her adoption. The services at the grave were conducted by Rev Joseph Edge.

Writing in Newspapers.

The Post Office authorities are pursuing an energetic campaign at present against those who violate the law by writing letters or brief notes on the margins of newspapers and posting them to their friends. The Free Press has noted a number of instances where fines were imposed for this offence, which appears to be a very common practice. Last week in Lindsay two cases of writing in newspapers were discovered. The fine in each case is from $20 to $40. When people want to write letters they should use an envelope and pay proper postage. The law, at present, is for postmasters to examine every newspaper. The public should act squarely and not try to send letters for newspaper rates. There must be no communication of any kind inside a newspaper except the name and address of the sender.

The Local Board of Health.

The members of the Board of Health met on Monday evening for organization; the members, Reeve Pearson, Clerk Moore, W. R. Kenney, Robt. Wallace and H. P. Moore were all present. Upon motion of W. R. Kenney, seconded by Robt. Wallace, H. P. Moore was elected chairman for the present year. Instructions were given for the usual notice to householders to have their premises put in a satisfactory sanitary condition. The inspector will commence his duties on the 10th May. Acton's citizens have complied with the provisions of the Public Health Act cheerfully in the past with the result that our municipality is highly regarded for its excellent sanitary and tidy condition, and no epidemic of disease has ever invaded our borders. Our residents will no doubt promptly comply with the request of the Board of Health this year as usual.

The Churches and the Pastors

The concert by the Canadian Jubilee Singers in Knox Church on Saturday evening was attended by a large audience. The programme contained many numbers which were well much enjoyed. There were six adult baptisms in the Methodist Church last Sunday morning and in the evening a reception service was held. The right hand of fellowship was extended to twenty six new members, eight by certificate and eighteen by profession of faith. Rev Mr Edge's first sermon of the series on "The Seven Sayings on the Cross," was an able discourse upon Christ's words, "Father, forgive them, for they know not what they do." The subject for Rev. S. B. Stephen's sermon at the Disciples' Church next Sunday morning will be "The Hotel." Rev Father Haley celebrated early mass in St. Joseph's Church last Sunday morning and then drove to Georgetown to conduct the usual semi monthly services there.

Will Not Leave the Conference

The Transfer Committee of the Methodist Church met in Toronto last Thursday. Owing to the fact that equitable exchanges could not be made in all cases the committee was unable to transfer twelve of the ministers who were recommended. This number included Rev J. Edge, pastor of the Methodist Church here, who was invited to New Richmond Church, Toronto. The members of Guelph Conference are well pleased that Rev Mr Edge is not to sever his connection with the conference, and that gentleman is well satisfied to continue present relations. Reviewing the Toronto charge the *Empire* of Tuesday says: "The board of New Richmond Church had invited Rev Joseph Edge, of Acton, but the Transfer Committee were unable to transfer Mr Edge from the Guelph into the Toronto Conference. Last night's meeting resulted in a unanimous invitation to Rev A. B. Chambers, now of Wesley Church, Dundas street." Rev W. Bryers, who resides in Acton, has been transferred from London to Guelph Conference.

Esquesing S. S. Convention.

A meeting of the executive of Esquesing Township Sunday School Association was held in St George's Parsonage at Georgetown, on Monday afternoon, to arrange for the annual Convention. The representation was larger than any at previous meeting. The following were present: Rev Jas Argo, President, Norval; W. Alexander, Secretary, Milton; Revs J. W. Rae, J. Edge, and Mr H. P. Moore, Acton; J. M. McLean, Ballinafad; Rev J. Fennell, A. E. de St Dalmas, D. A. Moir and Mr R. D. Warren, Georgetown. Messrs W. S. Hall, D. Campbell and W. Wilson, Hornby; John Lindsay, Limehouse; Rev. J. W. H. Milne, Maneswood; Rev. A. J. Irwin and Mr. A. L. Noble, Norval. The Convention will be held at Hornby on Thursday, 24th May. The following is an outline of the excellent programme arranged: Addresses, "Benefits of Teaching to the Teacher," Rev. J. Edge, Acton; "The Sabbath School the Nursery of the Church," Rev. L. Perrin, Georgetown; "The Sunday School an adjunct to the Home," Rev D. A. Moir, Georgetown; "The Sunday School and National Life," J. S. Deacon, Esq., P. S. I., Milton; "The True use of Ideals," Rev. Rural Dean Fennell, Georgetown; "A Bird's eye view of the International and World's Sunday School Conventions at St. Louis, Mo." H. P. Moore, Acton, and "Truths that Triumph," Rev. J. W. Rae, Acton. The friends at Hornby have assured the executive the warmest hospitality and will provide for all delegates at dinner and tea. The occasion will be one of interest to Sunday School workers and will afford a pleasant and profitable Queen's Birthday outing.

CREWSON'S CORNERS.

Fortune has favored Mr Richard Sherlock and family in many ways since their removal from Crewson's Corners to Toronto. A happy event was enacted in their home, 12 Garden Ave, last Wednesday evening, 4th inst. when their second daughter, Addie, was married to Mr Wesley Patterson, of Peterboro. The bride was attended by her sister Miss Maggie Watson, of Boston, Mass., while Messrs. Thomas Sherlock and Albert Strahm, of London, supported the groom. The bride was attired in a pretty dress of cream goods trimmed with silk lace and ribbon. The wedding presents were numerous and beautiful. After the wedding repast the happy young couple left for their new home on Northcote Avenue, Toronto.

After it had been despatched one young brother was heard to remark "that if his feelings did not undergo a change, he would never eat another." A number of visitors were present from Omagh and Huttonville. The recent frosts and high winds have been committing considerable havoc with the appearance of some of our members. The Canadian Jubilee Singers gave a concert in the Baptist Church on Monday evening. The concert was good. There was, however, not much profit in it for our Baptist friends.

Rev Father Haley has provided an unusual treat for the music loving community for next Thursday evening, 17th inst., in the town hall. Rosa D'Erma the great prima donna who has a world wide reputation and who has sung before kings, queens, potentates and critics with great success, will give one of her inimitable concerts. The Princess of Wales says: "The melodies of Moore are truly beautiful, and your singing of them I have never heard equalled." The Master in Chambers at Toronto made an order postponing the case until the fall assizes at Guelph, the defendant being ordered to pay all costs incurred by the postponement.

CAMPBELLVILLE.

The hotel here has changed hands, the new proprietor being Jackson Worthington, the price paid being $3,075. This is a great decrease in value. Felix Devlin sold the hotel about three years ago for $6,500, and since then an addition has been made which cost about $2,000. The drop in value has doubtless been caused by the removal of the Terra Cotta works, and also the present attitude of the Government regarding prohibition. Generally speaking, the better class of the community around here are desirous that the sale of liquors should cease, perhaps never so much so as now, since within the last few days we have been brought face to face with the misery, that is brought to homes otherwise happy by the demon strong drink.

The following officers elect of Acton Temperance Union took their places at the meeting last Friday evening: H. Jeans, Past Pres.; R. J. McNabb, Pres.; Hattie Thrasfon, Vice Pres.; Annie Smith, Sec't'y; A. E. Gurney, Assist. Sec't'y; C. Jenner, Treas.; G. Barnaby, Chaplain; R. J. Gurney, Sentinel; Clara Moore, Usher; Mrs A. "Four years ago while in the old country (England) my daughter Hannah was sent away from the hospital, in a very low condition with consumption of the lungs and bowels, and weak circulation of the heart. The trip across water to this country seemed to make her better for a while. Then she began to go worse, and for 14 weeks she was unable to get off the bed. She grew worse for five months; left the use of her limbs and lower part of her body, and if she sat up in bed had to be propped up with pillows. Physicians
