GLITTERING CHARIOTS, radiant with Gold and resplendent in decoration, drawn by
Teams of Asiatic Elephants,
with Camels and a great variety of Live Animals, the whole bringing into requisition
ONE HUNDRED & FORTY TANDEM GREY HORSES
in magnificent trappings and harness, and no less than
ONE HUNDRED ANDALUSIAN MULES.

Thousands of Curiosities
Interesting to the Student of History, the Man of Science, the Naturalist, and others, for a full list of which we refer to the Catalogue.
THE MENAGERIE.
Among the numerous RARE SPECIALTIES peculiar to this consolidation are
First:
A gigantic and ponderous living
RHINOCEROS,
the unicorn of "Leviathan" of Holy Writ, of whom it is written: "His scales are his pride, shut up together as with a close seal." "He esteemeth iron as straw and brass as rotten wood." This is the only full-grown monster of its kind ever imported into the United States. His weight is
OVER EIGHT THOUSAND POUNDS,
or *four tons*, requiring
A TEAM OF EIGHT IMMENSE HORSES
to draw the enormous den which confines him.
Second:
A TWO-HUMPED WHITE CAMEL,
the only one that ever left Arabia.
Third:
TWO ASIATIC ELEPHANTS,
"MOGUL" and "PRINCESS," whose training has been brought to a wonderful degree of perfection. And
Fourth:
THE CUNNING BABY ELEPHANT,
"LITTLE DOLLY," as gentle as a kitten and as full of funny antics as a monkey.
In addition to these may be seen in the various cages of the
GREAT MENAGERIE
Numidian and Asiatic Lions, Sneezal and Ceylon and Leopards, Black and Brazilian Tigers, African Quaggas and Zebras, Rocky Mountain Antelopes, The Great African Eland, Sacred Hippopotamus, Spotted and Striped Hyenas,
and 1,000 other Wild Animals, Birds, Beasts, and creeping things.
The Wild Beasts will be Performed in their Den by PROF. WITTLE,
besides many others that we cannot even mention within our limited space, as we wish to call especial attention to the
Perfection of the Equestrian Arena,
in its allotted sep rate tent. Foremost among the
TROUPE OF EXPERTS
may be classed
THE FAMILY OF BRAZILIAN ARTISTS,
INCLUDING
SIGNORITA CLARINDA LOWANDE,
the first Equestrienne of the age.
MARTINHO LOWANDE,
without equal in bare-back riding, and incomparable in his act of protean changes on horseback, and the dangerous and difficult feat of leaping through a balloon of daggers.
SR. ABELARDO LOWANDE,
upon two horses, will give a pleasing performance with MLLE. HENRIETTE, illustrating the classic legend of Orpheus and Eurydice.
SR. NATALI LOWANDE,
the terrific Somersault rider—backward and forward—upon his flying steed.
SR. ALEX. LOWANDE
personates upon his mounting horse, LE JONGLEUR HAMBLE, besides carrying, in a variety of graceful attitudes, the child rider, LITTLE ANTONIO.
AMILIO and THOMAS LOWANDE,
the most accomplished of gymnasts, will go through their extraordinary exercises.
Troupes of Gymnasts; Troops of Acrobats; Posturers, Athletes, Trapezists, and a full Company of Leapers, Somersaultists, and Tumblers.
MONS. D'ATALIE,
the MAN OF STEEL, with THE IRON JAW, lifts a 40 gallon cask, filled with liquid, besides a man holding two pails, weighed with his teeth alone.
MLLE. ANGELA,
the Female Samson and wonderful Artillerist, who will hold a CANNON, A SIX POUNDER, upon her shoulders, and discharge it before the audience.
The various scenes and acts being enlivened by the genial humor and eccentric ities of
SAM LONG, the "Old Reliable" Clown,
and his fellow-comedy,
THE VICTORELLI BROTHERS
In their wonderful Gymnastic and Horizontal Bar acts, also THE ZAZ TRIO, and in their novel HAT AND FINGER EXERCISES.
PRINCE SADI DJALMA

GOLDEN CHARIOT CREATION,

Digestive Cocoa.—Specially prepared for sufferers from Indigestion, Debility, and Pulmonary Complaints, is highly nutritious, easily digested, and palatable, and adapted for the most delicate stomach. Sold by all Chemists and Storekeepers, and by the Manufacturers, Savory & Moore, 143, New Bond Street, London, W.

We all consider Iron the embodiment of strength and power, but how few are aware that it is this same element in the system that gives us strength and vigor, and that an insufficiency of it causes weakness and debility. The Peruvian Syrup, a protoxide of iron, is prepared expressly to supply this vitalizing element.

☞ Coughs and colds, when left to themselves, frequently bring on pulmonary complaints, which lead to that distressing and fatal disease, consumption; but if attended to in time, "Bryan's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and soothe and strengthen the bronchial tubes, allaying all irritations and inflammation. They are also particularly adapted for the use of singers and public speakers. Sold by all druggists and country dealers. Price 25cts per box.

A Gentleman from Belle Isle Hill, says the Messrs. Allen Bros., proprietors of Philip Allen's Print Works, R.I., were down to Bryant's Pond recently, trouting, when one of them was attacked with sciatic rheumatism, so suddenly that he had to be carried from the pond to his hotel; a bottle of Johnson's Anodyne Liniment was resorted to, and he was out next day.

"How are you to-day?" "I'm not feeling well well, bilious and sick headache, have been looking around for a box of Parsons' Purgative Pills, but our traders are all sold out.—Country Paper.

"*Every pleasure has its necessary pain.*"—This maxim of the Greek philosopher is daily verified during the summer season; when our pleasure in eating delicious fruits is somewhat dulled by the doleful prospect of colics, cramps, diarrhea, dysentery, cholera, and other disagreeable consequences of an over-feed. But the pain of anticipation vanishes and the present pleasure alone remains, when we reflect that "every bane has its antidote" and that all diseases of the bowels are checked and cured by the timely use of ARNOTT'S ARNICA ANODYNE.

Mr. Henry Moudsley says:—"The full and healthy development of all the lower natural forces are indispensably pre-requisite to the existence of a sound and vigorous mind." Just so. Humanity requires the full equivalent of vital force, in order for the free and potent manifestations of the mind. When we consider that Fellows' Compound Syrup of Hypophosphites supplies the deficiency to unhealthy blood, restores the nervous element, and produces healthy action to the various organs and forces of the body necessary to sound mind, we wonder at the imbecility everywhere apparent.

As a deficiency of healthy blood, or a direct loss of this fluid, are causes for disorders for the senses, and also of the nervous system generally, we can safely calculate on the disappearance of such unpleasant and dangerous disturbances as the condition of the blood improves.

Physicing Horses.—Many persons physic their horses frequently—especially every spring. This is great error, and one which has caused the loss of many valuable horses, as physic as it is usually given often produces inflammation of the bowels which generally proves fatal; it also weakens the horse and thus renders him more liable to disease, or less able to throw it off—what is required is a medicine which will operate gently upon the bowels, and act upon the liver and lungs, removing all obstructions therefrom, purifying the blood and enabling all the organs to do their work without overtaxing any, which is accomplished by the use of "Darley's Condition Powders and Arabian Heave Remedy"—it is always safe and certain. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

A Chemical Food & Nutritive Tonic.
WITHOUT Phosphorus no thought, say the Germans, and they might add, no action, since Phosphorus and its compounds are known to be the motive power of the nervous and muscular system. They constitute more than half the material of the human body, being found in every tissue, and their presence is absolutely essential to nutrition, as they promote the conversion of albumen in the food into fibrine, which is the vitalizing agent of pure, healthy blood. They are now coming into universal use in Europe and America in the treatment of Scrofulous, Consumptive and Venereal diseases, which are caused by impoverished or poisoned blood; in pale, puny children, and that condition of nervous and physical prostration resulting from bad habits, excessive use of stimulants and tobacco, and all that train of evils known as fast life. The great reliability and promptness in its effects in immediately and permanently restoring the devitalized constitution has made DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA a great favourite with the Physicians and public. Sold at $1.00.
