THE NEW CANADIAN WEEKLY **"THE FAVORITE"** The Best and Cheapest Paper in America. **16 PAGES WEEKLY FOR $2 PER ANNUM.**

"THE FAVORITE" PLAN.—We have planned out a paper which gives more reading for less money than any paper in America. We propose to furnish a better, fuller, more interesting, more carefully edited paper, at $2 per annum, than any imported paper which costs $3.00. While giving the preference to Canadian productions, we will give from advance sheets, the best stories published in England and the United States. We will have the latest and most interesting items relative to the Farm, the Garden, the Household, Scientific and literary intelligence, a column of Wit and Humor, &c. Get a sample number at the Newsdealers, or write for one. It will be sent free.

"THE FAVORITE" SHAPE.—The elegant 16 page quarto form we have adopted, while more convenient for reading in sheets, is also better adapted for binding, and contains fifty per cent. more reading matter than the unwieldy 8-page folios heretofore in vogue. At the year's end, each subscriber will have a volume of 832 Pages, containing the equivalent of at least 30 fifty-cent Volumes, at a cost of

Only Two Dollars.

"THE FAVORITE" ISSUE.—"The Favorite" will be issued:—

1. In weekly numbers of 16 pages at 5 cents.
2. In monthly parts of 64 or 80 pages, in a handsome cover, at 20 cents.

N.B.—Subscribers at $2.00 will be served with the weekly issue for one year, unless they specify that they prefer the monthly

Some folks are very charming at evening parties, but surprise them in the morning when not looking for company, and the enchantment is gone. There is good sense in the following advice to young ladies

Your every day toilet is a part of your character. A little girl who looks like a "fury" or a "sloven," in the morning, is not to be trusted, however finely she may look in the evening. No matter how humble your room may be, there are eight things it should contain: a mirror, washstand, soap, towel, comb, hair brush, nail brush and tooth brush. These are just as essential as your breakfast, before which you should make good use of them. Parents who fail to provide their children with such appliances not only make a great mistake, but commit a sin of omission.

Look tidy in the morning, and after dinner work is over improve your toilet. Make it a rule of your daily life to "dress up" for the afternoon. Your dress may not, or need not, be anything better than calico; but with a ribbon or some bit of ornament, you can have an air of self respect and satisfaction, that invariably comes with being well dressed.

A girl with fine sensibilities cannot help feeling embarrassed and awkward in a ragged and dirty dress, with her hair unkempt, should a stranger or neighbor come.

Education in Japan.—This country, like India, will soon cease to be pagan; whether it become Christian or not depends on the efforts made for its evangelization. A system of common school education has already been adopted by the Government. According to Mr. Mori, the country has been divided for school purposes into 100 collegiate districts, each of these into 250 academical districts, and each of these again into 150 school districts. The Japanese indeed appear to have adopted the latest and most advanced views of the duties of a State in this matter, and we hear, with pleasure, that the compulsory system of education will be carried, and that every youth in the empire must be educated.

Death of a Veteran.—Mr. James Carpenter, one of the oldest residents of Chatham Township, County of Argenteuil, died last week at the advanced age of 101 years. He was one of the veterans of Copenhagen in 1801 at which battle he was a sergeant in the 8th Regiment. He afterwards fought at Lundy's Lane, the taking of Buffalo, at Black Rock, Stoney Creek and other memorable battles. Although a very old ma

The first approaches of consumption are so insidious that thousands remain unconscious of its presence until it has brought them to the verge of the grave. The immediate use of "Bryan's Pulmonic Wafers" upon the first appearance of the cough, pain or soreness of the throat or chest, would generally preclude a fatal result, therefore when you take a cold use "Bryan's Pulmonic Wafers," and thus prevent the necessity for taking them in more dangerous complaints. To be obtained of all Druggists and country dealers. Price 25 cts. per box.

Says a late issue of the Philadelphia City Item: "Ingenuity has been taxed to find the surest and most direct means of reaching the public, and the business man who would advertise a specialty, and get the greatest good out of the greatest number, in the shortest space of time, is compelled to go to Geo. P. Rowell & Co., of New York, for advice. Why to this house? because it is the head and front of the advertising business. It is prompt, methodical and clear in its transactions, and possesses the confidence of all the houses which advertise most.

Mannon House Hotel, Baltimore, Md., 20th June, 1871.—Mr. Jas. I. Fellows—Dear Sir: I have just finished the tenth and last bottle of your estimable Syrup of the Hypophosphites. To its use I ascribe cessation of cough, of sharp pains in my back and chest, and of copious expectoration; also, return of appetite, buoyancy of spirits, increase of flesh and strength to perform my daily duties with a degree of pleasure unknown to me for a long time. The good I have experienced from it is beyond description, and I advise all persons afflicted with consumption not to delay a day in taking it. Feeling sure that were it not for your Hypophosphites, I would now be in my grave. Yours truly, Geo. C. Fout.

CHEAP LIFE ASSURANCE, Premium 25 Cts. LIFE AND HEALTH may be insured at this marvellously low premium; that is, health may be preserved and life prolonged by investing a quarter in a bottle of A. A. A. With this invaluable medicine in your possession you may smile defiantly at most of the disorders human flesh is heir to; and unlike the ordinary mode of insurance, where you have to die or get damaged to reap any benefit from your investment, you enjoy comparative immunity from pain and disease everyday while you live and use ARNOT'S ARNICA ANODYNE.

A Really Good Article.—We would call attention of all interested to an article of undoubted merit, and which we would advise all in want of to give it a trial. We refer to 'Darley's Condition Powders and Arabian Heave Remedy' now being extensively used by many of the largest horse dealers in the country; these men have discovered that it improves the condition of the horse by purifying the blood and removing from the lungs and liver all that prevents their healthy action; its effect is soon apparent in the improved appearance of the animal, which is one great reason why horse dealers use it as they are thus enabled to get better prices and at the same time give their customers sound and healthy horses. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.
