Prospectus for 1873—6th Year.

THE "ALDINE,"

An Illustrated Monthly Journal, universally admitted to be the Handsomest Periodical in the World.

Not For Sale in Book or News Stores.

THE ALDINE is an elegant miscellany of pure, light, and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding numbers affords a fresh pleasure to its friends, the real value and beauty of the ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, the ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possesser of a complete Volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of Volumes for ten times its cost, and then there are the Chromos besides.

ART DEPARTMENT.

Notwithstanding the increase in the price of subscription last Fall, when the ALDINE assumed its present noble proportions and representative character, the edition was more than doubled during the past year; proving that the public appreciate, and will support a sincere effort in the cause of Art. The publishers, anxious to justify the ready confidence thus demonstrated have exerted themselves to the utmost to develop and improve the work; and the plans for the coming year, as unfolded by the monthly issues, will astonish and delight even the most sanguine friends of the ALDINE.

PREMIUM CHROMOS FOR 1873.

Every Subscriber to the ALDINE, who pays in advance for the year 1873, will receive, without additional charge, a beautiful pair of Oil Chromos, after J. J. Hill, the eminent English painter. The pictures, entitled "The Village Belle," and "Crossing the Moor," are 14x20 inches—are printed from 25 different plates, requiring 25 impressions and tints to perfect each picture. The same Chromos are sold for $30 per pair in the art stores.

THE LITERARY DEPARTMENT will continue under the management of Mr Richard Henry Stoddart, assisted by the best writers and poets of the day, who will strive to have the literature of "The Aldine" always in keeping with its artistic attractions.

TERMS.

Five Dollars per annum in advance with oil chromos free.

"The Aldine" will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local agent without responsibility to the publishers.

AGENTS WANTED.

Any person wishing to act permanently as a local agent, will receive full and prompt information by applying to JAMES SUTTON & CO., publishers, 58 Maiden Lane, New York.

Dr J. Collis Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and arrests those too often fatal diseases—Diphtheria, Fever, Croup, Ague.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Menstruation, &c.

From LORD FRANCIS CONYNGHAM, Mount Charles, Donegal, 11th Dec., 1868

"Lord Francis Conyngham, who this time last year bought some of Dr. J. Collis Browne's Chlorodyne from Mr. Davenport, and has found it a most wonderful medicine, will be glad to have half a dozen bottles sent at once to the above address."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla to the effect that Cholera was raging fearfully, and that the ONLY remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION.—BEWARE OF PIRACY AND IMITATIONS.

CAUTION.—Vice Chancellor Sir W. PAGE WOOD stated that Dr. J. COLLINS BROWN was undoubtedly the Inventor of CHLORODYNE; that the story of the Defendant, FREEMAN, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 10th July, 1864.

Sold in Bottles at 1s. 1½d. 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the word "Dr. J. COLLIS BROWNE'S CHLORODYNE" on the Government Stamp. Overwhelming Medical Testimony accompanies each Bottle.
