LITTLE LOCAL BRIEFLETS

Which Caught the Eyes or Ears of Free Press Reporters this Week.

—The rain on Monday settled the snow a good deal.

—General Booth is announced to be in Guelph to-day.

—Teaming has been lively since the sleighing came.

—Last Friday's snow storm insured sleighing for some time.

—"An overdose of sociability" is the latest apology for drunkenness.

—The Public School Board is advertising for thirty cords of wood, four feet long.

—A number of our citizens will likely go to Guelph to-day to hear General Booth.

—The annual meeting of Acton Horticultural and Agricultural Society was held yesterday afternoon.

—Halton County Council should hold healthy sessions this season, there being five doctors in the Council.

—Thousands of loads of wood, sawlogs, hemlock bark, hay, grain, etc., have been teamed into town the past week.

—Eddie Kelsler, Guelph, jumped from a freight train on his way from school the other day, and had his foot cut off.

—Guelph's assessment roll shows an increase of $50,000 in the city's assessment and 200 of an increase in population.

—The school trustees of the village of Otterville voted themselves each $25 as a remuneration for their services during the year.

—Messrs. Joseph Lasby, B. Watkins and James Quantic compose the School Board of the Lorne school section this year.

—The court for the final revision of the Dominion Voters List for Acton will be held in the town hall on Thursday, 31st January.

Saturday was an unusually lively day in town. The sleighing was good, the day fine and hundreds of farmers and their families drove in.

It is supposed that money communicated the disease to the smallpox patients in Guelph and Aylmer. Every due precaution has been taken in the Guelph case.

—Prof. Welsh made some clever phrenological readings during his stay in town. His lecture in the town hall Saturday evening was attended by a slim audience.

—Capt. T. H. Adams, of Toronto, preached in the Congregational Church, Churchill, last Sunday afternoon. His old parishioners heartily welcomed his visit. Brigadier De Barritt accompanied the Captain.

—A parlor concert will be held at the Manse on Friday evening, Feb. 1st, when Rev. R. Haddow, Milton, will sing and Mr. John Strachan, of Rockwood, will recite. Local talent will also take part. Full particulars next week.

—Messrs. Henderson & Co. announce a thirty-day clearing sale. This firm does not usually go into the special sale business, but when they do they mean their customers to receive bargains. Read their bill of fare and call to see the goods.

The Medicine Hat, N. W. T., News pays this compliment: "We are in receipt this week of the annual wall calendar of the Acton Free Press. It is unique in design, neatly and cleanly printed and thoroughly in keeping with the high standard of the Free Press' typographical productions."

—The illustrated lecture by Capt. Scobell, of the Salvation Army last Friday evening was very interesting. It depicted in an impressive manner the rescue work of the Army in the slums of London, as well as in Canadian and United States cities. The officers received considerable aid for this branch of work during their visit.

—The annual meeting of Halton Farmer's Mutual Fire Insurance Company was held in the Town Hall on Saturday. The business of the year was of an encouraging volume; but the losses have been the heaviest since organization. The rates were increased considerably but are still at a low point. The meeting decided to extend their territory to Nelson and Trafalgar township.

THE NEWS AT HOME.

Mostly of a Local Character, and Every Item Interesting.

The Chosen Friend's Officers.

The following are the officers of Acton Council, No. 210, of the Chosen Friends:—Chief Councillor, Adam Cook; Vice Councillor, Thos. Lee; Recorder, John Henderson; Asst. Recorder, George Adams; Treasurer, G. Agnew; Prelate, Wm. Perryman; Marshall, Wm. Melvin; Guard, Angus Johnson; Sentry, E. Matthews; Past Councillor, Henry Grindell.

Esquesing Again Honored.

The popularity of Dr. Webster, Reeve of Esquesing, seems to have been sufficient to nullify all precedent in the election of Warden of the County Council. In the election on Tuesday he secured the coveted honor and will preside with his well-known grace and dignity during the year. Mr. John Warren, Deputy Reeve, of Esquesing was Warden last year. Thus the same municipality is given the Wardenship two years in succession.

Sandbaggers at Glenwilliams.

It is reported that Albert Turner, a young man who went to Glenwilliams to attend church, while accompanying a lady home, was struck from behind just at the back of the skull. In falling he received another terrific crack in the face. He was conveyed to the hotel, where he laid for some time in an unconscious state. Joseph McMaster is suspected of being the assailant. A warrant has been issued for his arrest.

The Sons of Scotland.

At the last regular meeting of Camp Ivanhoe the following brethren were installed as officers for the current term:—Chief, A. McNabb; Chieftain, Joseph Lasby; Chaplain, W. McNabb; Rec. Sec., H. Swackhammer; Fin. Sec., T. H. Hardman; Mas. W. Smith; Stan. Bearer, Jas. McMillan; Physician, Dr. Tren; Inside Guard, T. Miller; Outside Guard, S. Saunders; Trustees, J. Currie, A. McMillan, D. Taylor; Auditors, J. Agnew, Wm. McNabb.

Runaway with Slight Damages.

On Monday evening a horse belonging to Samuel McGibbon, livery tender at the Clark House, ran away on Mill street, east of the G. T. R. It ran through town over Cheyne & Cheyne's mill dam across the pond and by a circuitous route to the home of Nathan Moore, of the Scotch Block. Notwithstanding all its wanderings the only damage was a broken whiffletree. The robes and cushions were all in the cutter when it reached Mr. Moore's at five o'clock next morning.

The Public School Board.

At the meeting of the Board of Education yesterday afternoon Mr. G. Hynds was elected chairman for the third time since he became a member of the Board. The standing committees were appointed and a resolution was passed requesting the Municipal Council to provide for the election of a member to fill the vacancy caused by the death of Rev. G. B. Cooke. A resolution touching the death of the late Mr. Cooke was passed and will appear in the next issue of the Free Press.

News of the Churches.

The new Presbyterian Church is likely to be opened for public worship about the end of February. Rev. W. Bryers preached missionary sermons at Orton on Sunday. Rev. J. E. Howell preached a stirring sermon Sunday evening from Matt. 26, 8—"To what purpose is this waste." Many points of value to young men were emphasized. Rev. W. E. Norton, of Owen Sound, will preach in the Baptist Church next Sunday afternoon at 3 o'clock. Mr. Norton's former friends will be pleased at the opportunity of hearing him again.

Whiskey Gains the Mastery.

One of Acton's business men, who has indulged too freely in the use of intoxicants for some time, became disorderly and was locked in the cells Friday night, charged with abusing his wife. During the night he broke out of his cell, smashed one of the windows in the town hall, and went home. Next morning he was arrested and tried before J. P's Storey and Pearson for his offences and sentenced to thirty days in the county gaol. The damages to the town hall will cost him $4.00. Constable Lawson took him to Milton on Saturday afternoon. In his sober hours this man was always of a peaceable and inoffensive disposition. His unnatural conduct is solely attributable to indulgence in intoxicating liquor.

Nearly a Fatal Accident.

Last Thursday afternoon while coasting home from school, Hilton, the seven year old son of ex-Councillor Jeans, was having fun with his schoolmates in jumping on passing sleighs. When opposite the new Presbyterian Church on Main Street he fell off and under the front bob of a farmer's sleigh with his head under the runner. The driver stopped his team immediately, and willing hands lifted the heavy weight off the poor little head. It was at first thought he had received fatal injuries. His jaw was fractured, also his left collar bone, a couple of teeth were knocked out and his left side and face were considerably bruised. The little fellow bore the pain of reducing the fractures like a hero and has been most patient under all his suffering. He is doing very well.

Smallpox in Guelph.

A case of smallpox developed in Guelph last week in the person of William Schwartz, who some days before came from near St. Thomas, to attend the dairy school at the Agricultural College. The sick man had mingled for several days with the students, and when too sick to work consulted a Guelph physician, who diagnosed smallpox and sent him to the Smallpox Hospital, where he is isolated. The college reopened on Tuesday but as the dairy school students do not board there the college buildings are wholly free from danger. The few students who have remained in residence during the holidays and who may accidentally come in contact with any dairy school students have been quartered in a large building at some distance from the college. All exposed students have been vaccinated.

KNATCHBULL.

Tuesday, January 22nd. It is our duty to chronicle the death of Mrs. Miller, wife of James Miller, of Nassagaweya, who died on Sunday morning. She has been suffering for a long time. She leaves a husband and family of two girls and two boys to mourn the loss of a wife and mother. She was buried to-day in the Presbyterian cemetery at Bodom. The Rev. Mr. Blair was her pastor and preaches the funeral sermon.

On Wednesday evening of last week the house of John Halpen, near Knatchbull, was destroyed by fire. His wife left the house and was as far as Allison's, while Johnny was having his time in Acton. How the fire originated remains a mystery as the house was almost down before it was noticed. The house and contents were burnt up.

CHURCHILL.

Tuesday, 22nd Jan. The home of Mr. and Mrs. Christopher Swackhamer a week ago last Saturday evening, was the scene of a very happy event, a real live surprise by which the people of the Congregational Church manifested their appreciation of the services rendered by Mr. and Mrs. Swackhamer in church work, as also the high esteem in which they are held as individual co-workers for the Master. Between eighty and one hundred members of said church and others arrived at their home and presented them with the follow address and two beautifully upholstered easy chairs. The remainder of the evening was occupied in the disposing of a sumptuous repast provided by the ladies, and in singing, &c. The following is the address.

Mr. and Mrs. Sam. Swackhamer:

We, the members of the Congregational Church, Churchill, having learned that you are both about to retire from the offices of caretaker and treasurer of the above named church, wish to express to you our appreciation of your services as members of this church and as co-workers with us in the service of the Master. Knowing, as we do, you were always ready to give kind advice and a helping hand in time of need, we beg you to accept these chairs as a small token of our love and esteem and unbounded confidence in you. We thank you heartily for past services, and tender you our very best wishes for your future welfare, hoping you may long be spared to enjoy the comforts of a happy home here, and when time shall be no more with you, you may have an abundant entrance into that happy home above.

Yours in Christ
Signed on behalf of the Church
ALEXANDER BLAIR, } Deacons
ALBERT SMITH,
HENRY GIBBONS, Secretary.

Mr. Swackhamer responded in effect as follows:—

My dear Christian people, this is a surprise to us indeed, and I cannot find words to properly express our feelings, but we thank you heartily for these beautiful and costly chairs. From the depths of our hearts, we thank you for the kind and loving words contained in the address you have presented us with. In performing the services alluded to we were only doing what we could do to help on the Master's cause in our feeble way, not deserving, and not looking for any such tangible recognition of what we have done. We would be very glad to keep on, but after upwards of fifty years in taking care of our "Church on the Hill," I feel that age prevents me from continuing. Mrs. Swackhamer has been Treasurer for about twelve years and has done her duty faithfully and to the best of her ability, and wishes to retire with me. Rest assured, dear friends, we appreciate the kind sentiments expressed in the address. We tender you the liberty of our home, and trust you may spend a pleasant evening, and we hope the good feelings existing amongst us heretofore may continue until we all meet around the throne above.
