I'll Never Forget.

Fond memory leads me back to the time,
To the years which have fled long ago,
And a feeling of joy which once was mine,
In its beautiful sweetness I know;
The sound of that voice I loved to hear,
The welcome which beamed from those eyes,
Nought else on earth to me half so dear,
Could afford such ecstatic joys.

Whilst memory lasts I'll never forget,
For my heart bears witness still,
With the purest love I love him yet,
Like the love which angels feel;
The long, long years have come and went,
And borne with them many a tale,
Of fond, loving hearts which grief has rent,
Till the time of sweet meeting again.

Tis a hope like this fills my weary soul
With visions of pure delight;
Though afflictions billows o'er me roll,
And my way be dark as night.
On the arm of Hope I will firmly lean,
He will pilot me through life's storms
Thus of bliss in the future I'll fondly dream,
And here realize part of its charms.

How sweet to commune with the one we love best;
Unheeded the hours pass swiftly away,
What thoughts of devotion fill each one's breast;
The future unclouded and bright as the day.
Oh, how doubly sad 'tis when our cares a act,
All the bliss from our lives at once can depart,
To feel that love's chain in an instant is snapped,
And those who have loved bid each other Farewell.

Kingston, Oct. 3rd, 1873.

Pond's Extract is not a mere advertised medicine, for it is acknowledged in medical writings.

Thousands have been changed by the use of the Peruvian Syrup (a protoxide of iron) from weak, sickly, suffering creatures, to strong, healthy, and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.

Is health worth having? If it is protect it—it is a jewel as easily lost as virtue, and in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are very apt to take cold and suffer from sore throat, coughs, spitting of blood and pulmonary complaints generally, which if not checked immediately lead to serious consequences. The question arises—which is the quickest and most effectual remedy? "Bryan's Pulmonic Wafers" have been before the public for twenty years, and have always given perfect satisfaction, and invariably effect permanent cures when taken in season. Sold by all Druggists and country dealers. Price 25 cts. per box.

A Secret Worth Knowing.—Some horse dealers have discovered that by the use of 'Darley's Condition Powders and Arabian Heave Remedy' their horses are so much improved in every respect that they will readily sell for from $25 to $60 each more than they would otherwise, and at a cost of not more than $1 each. We consider this a secret worth knowing, and one which all who own horses should not fail to profit by; it is unquestionably the best horse medicine ever sold. Remember the name and see that the signature of Hurd & Co., is on each package. Northrup & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

IMPORTANT CAUTION.—The wonderful success of SAVORY & MOORE'S Pancreatic Emulsion and Pancreatine in consumption, wasting, loss of the power of digestion and assimilation has firmly established these remedies in the estimation in the Medical Profession on both sides of the Atlantic. Imitations of them—made in U. States, Canada, and England—being in reality either saponaceous compounds or pomades, without a trace of the Pancreatic principle, are entirely useless. The efficacy of these preparations, made by Messrs. Savory & Moore from the first, under the direction of the Physician who introduced them, has been and can only be ensured by strict adherence to the original formulæ, and the medical profession recognize no other Pancreatic Emulsion and Pancreatine than those thus prepared, the purity and strength of which is guaranteed. See "Reports of the Experience and Opinions of Medical Men on the value of Savory & Moore's Pancreatic Emulsion and Pancreatine as remedies in Wasting Diseases." (Churchill & Sons, London), to be obtained of all the principal Chemists in the United States and Canada. SAVORY & MOORE, 143, New Bond Street, London, Chemists to the Queen, H.R.H. Prince of Wales.

IMPROVE NUTRITION.—The central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve the Digestion and Assimilation of Food, and the formation of healthy blood. DR. WHEELER'S COMPOUND Elixir of Phosphates and Calisaya contains the only agents known that act directly as excitants of nutrition, by imparting tone to the Stomach, Liver and Pancreas, the great tripod that prepares nourishment for building up the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strengthening and vitalizing the constitution, whether impaired by age, exhausted by excesses, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment. Being a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrate anæmic women and delicate children.

ELECTRICITY. THOMAS' EXCELSIOR ECLECTRIC OIL! *Worth Ten Times its Weight in Gold.* "Pain Cannot Stay Where It is Used." It is the CHEAPEST MEDICINE EVER MADE. One dose cures common Sore Throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old Standing Cough. It effectually cures Catarrh, Asthma, and Croup. Fifty cents' worth has cured Crick in the Back, and the same quantity Lame Back of eight years' standing. Twenty five cents' worth has cured bad cases of Chronic and Bloody Dysentery. One teaspoonful cures Colic in 5 minutes. It will cure any case of Piles that it is possible to cure.
