MY FATHER.

A correspondent thinks that sentiment has been expended too exclusively on mothers, and talks in this style of the other parent:

Who when I had a little fight,
Because Tom tore my paper kite,
And hit me, said I did just right?
My father.

When Tom licked me black and blue
Did not turn in and lick me too—
saying "'tis my duty so to do?"
My Father.

Who told me pluck and luck must win,
And taught me to "put up a fin,"
"Till I could trounce that Tom like sin?
My Father.

Who pennies never refused to plank,
Nor dropped them in that mine "bank"
Where I could only hear them clank?
My father.

Who when I wished to buy a toy
Never thought 'twould give me much more joy
To send tracts to some heathen boy?
My Father.

Who bought me ponies, guns and sich,
And gave me leave to fork and pitch,
While he raked up to make me rich?
My Father.

And when at last, when all was done,
Passed in his checks, and, noble one,
Left all he had to me, his son?
My Father.

Pond's Extract. Druggists will supply, free, Pond's Extract Book, containing useful information.

To a man needs a Bottle of Whiskey, let him buy it and take it home like a man and not sneak home with a bottle of "Bitters," or "Cordial," and pretend that it is medicine. If he wants a tonic that is something better than a temporary stimulant, he should get a bottle of Peruvian Syrup, (an Iron Tonic,) that will vitalize the blood and give durable strength to the system.

Every person thinking of advertising should send 25 cents to Geo. P. Rowell & Co., No. 41 Park Row, for one of their 128-page pamphlets. They have reduced advertising to a science. They are the leading advertising agents in New York City; responsible and perfectly reliable. *Journal*, Fort Wayne, Ind. This firm stands "firm" among all business men.—*The Shoal*, Long Branch, N.J.

General Debility.—James H. Johnston, Esq., Montreal, writes in August, as follows: It affords me great pleasure to bear testimony to the benefits received from using Fellows' Compound Syrup of Hypophosphites. I found it a nervous tonic of great power and efficacy, curing me in a short time from General Debility and Nervousness, and I have become robust and vigorous under its influence, and gained considerable in weight withal.

Horse Medicines.—It is gratifying to know that there is at least one which has stood the test and proved itself worthy the confidence reposed in it; we know of no other article which has proved so generally successful, or given such universal satisfaction; we are confident there is more of it used than all others combined, and that it will be ultimately supercede all others there can be no doubt. It is 'Darley's Condition Powders and Arabian Heave Remedy,' we advise all who require anything of the kind to give it a trial we know they will be satisfied with the result. Remember the name and see that the signature of Hurd & Co., is on each package. Northrup & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

BEECHER remarks that you often see a man with a little bullet head, having a vigorous stomach to drive his body and brain, accomplish more than the big-headed man who makes a small quantity of blood, and that poor and thin. To enable mind and body to endure protracted mental and physical exertion, there must be perfect digestion and assimilation of food, and the formation of pure blood to vitalize the organs and tissues. DR WHEELER'S COMPOUND Elixir of Phosphates and Calisaya perfects nutrition, and furnishes material for bone, muscle and nerve, to supply the waste of vital force going on from over-work, dissipation, bad habits, and all prostrating diseases.

ELECTRICITY. THOMAS' EXCELSIOR ECLECTRIC OIL! *Worth Ten Times its Weight in Gold.* "Pain Cannot Stay Where It Is Used." It is the CHEAPEST MEDICINE EVER MADE. One dose cures common Sore Throat; one bottle is a cure for Bronchitis. Fifty cents worth has cured an old hacking Cough. It positively cures Catarrh, Asthma and Croup. Fifty cents' worth has cured Crick in the Back, and the same quantity Lame Back of eight years' standing. It cures Swelled Neck, Tumors, Rheumatism, Neuralgia, Contraction of the Muscles, Stiff Joints, Spinal Difficulties and pain and soreness in any part, no matter where it may be, nor from what cause it may arise. A single dose will relieve. Twenty five cents' worth has cured bad cases of Chronic and Bloody Dysentery. One teaspoonful cures Cholera Morbus. It will cure any case of Piles that it possibly can. Six or eight applications will be sufficient to cure a very aggravated Nipple or Inflamed Breast. For Bruises it is positively and beyond cure. It will never the slightest blemish to the skin. It stops the pain of a burn as soon as applied. Cures Frosted Feet, Boils, Warts, Corns, and Wounds of every description on man or beast. Prepared by S. N. THOMAS, Phelps, N.Y., and NORTHROP & LYMAN, Newcastle, Ont., sole Agents for the Dominion. NOTE.—Eclectric—Selected and Electrized. Sold in Kingston by E. H. Parker, J. G. King, Heath & Gunn, H. Skinner, R. White, G. S. Hobart, McLean & Co., and all medicine dealers.

MARAVILLA COCOA.—The *Globe* says, "TAYLOR BROTHERS' Maravilla Cocoa has achieved a thorough success, and supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Invalids and Dyspeptics, we could not recommend a more agreeable or valuable beverage." For further favourable opinions vide *Standard, Morning Post, British Medical Journal* &c., &c.
