MONDAY EVEN'G, NOV. 24, 1873.

Signs of the Times.

The winds are brawling,
The leaves are falling,
The fact recalling,
That summer's ended.
The flowers are dying
The birds are flying,
The walks want drying,
The roads are mended.

The rose has faded,
The sky's pervaded
With vapors shaded,
The sun's not garish,
The green lawn yellows,
The late pear mellows,
And some poor fellows
Have sought the parish.

My corns are throbbing,
The rain is sobbing,
Umbrellas bobbing,
About, unheeding;
While mourns the dial
The sun's denial,
The Tichborne trial
Is still proceeding.

The roads are slimy,
The fogs are grimy,
The morning's rimy,
The chill's oppressing;
Though with its glories,
The summer o'er is,
We've licked the Tories,
And that's a blessing.

Pond's Extract. "Every disease has a cause. Many diseases arise from the same fundamental cause.

Cheerfulness, courage, and great activity of intellect are engendered by Fellows' Compound Syrup of Hypophosphites, and its capacity of imparting power of endurance to the brain and nervous system is shown in its property of sustaining persons through mental difficulties.

Caution.—Purchasers of the Peruvian Syrup (a protected solution of the protoxide of Iron are cautioned against being deceived by any preparations of Peruvian Bark, or Bark and Iron, which may be offered them. Every bottle of genuine has Peruvian Syrup (not Peruvian Bark) blown in the glass. Examine the Bottle before purchasing.

Says the Muscantine (Iowa) *Courier*: "We have done and are still doing business with quite a number of Advertising Agencies throughout the country, and have no fault to find with them, but Messrs. G. P. Rowell & Co., give us more business than any other. Furnishing a large amount of advertising, and paying promptly, has put this house at the very head of Agencies, and has made them a name for honesty, reliability and promptness, which of itself is worth a fortune.

For over twenty years "Bryan's Pulmonic Wafers" have maintained their reputation for curing coughs, colds, and pulmonary diseases. These suffering or threatened with any of the symptoms of bronchitis, or any of the pulmonary complaints, should at once give them a trial. They give almost immediate relief, and if taken in time generally effect a cure. Remember that a common cold or cough, if not attended to in time, often leads to that distressing and fatal disease—consumption. Sold by all druggists and country dealers. Price 25 cents per box.

The Compound Elixir of Phosphates and Calisaya has become a great favourite on account of its perfect reliability in treating derangements of the stomach, liver complaint, and disease of the kidneys, which are the cause of poor blood and breaking down of the general health. It restores vitality to all the organs, removing suppressions, irregularities, and exhausting discharges, and every description of humors which disfigure the body. It is adapted to all ages and conditions of life, being a blood food and nutritive tonic. Sold at $1.00.

Poor Horses.—There are thousands of poor horses dragging out a miserable existence, suffering from a variety of diseases, rendering them almost worthless, that would be restored to a healthy and sound condition, and a value given to them of which their owners never dreamed, would they but use the means within their reach. From one or three packages of "Darley's Condition Powders and Arabian Heave Remedy" will in all cases produce a satisfactory result; hundreds have testified to the fact. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

THE DRUGGISTS HAVE JUST RECEIVED a supply Dr. Wheeler's Celebrated Chemical Food and Nutritive Tonic, the Compound Elixir of Phosphates and Calisaya. This preparation has been in use in private practice for fifteen years, and is confidently recommended to the public as the most elegant and reliable tonic in use for building up constitutions that have for a long time been suffering from Chronic Wasting Diseases, depending upon poor blood. It perfects nutrition by aiding the digestion and assimilation of food, and thereby building up and vitilizing all the organs and tissues of the body. In disease peculiar to women, and in delicate children, it supplied a want long felt by the physicians, of as safe and agreeable remedy that may be taken for a protracted period without any possibility of injury, of becoming repugnant to the patient. Sold at $1.00.

THOMAS' ECLECTRIC OIL
Worth Ten Times its Weight in Gold.
Do you know anything of it?
If not, it is time you did.

There are but few preparations of medicine which have withstood the impartial judgment of the people for a very great length of time. One of them is Thomas' Eclectric Oil, purely a preparation of six of some of the best Oils that are known each one possessing virtues of its own. Scient fic physicians know that medicines may be formed of several ingredients in certain fixed proportions of greater or lower and modifying effect which could never result from the use of any of them, or in the different combinations. Thus in the preparation of this oil a chemical change takes place forming a compound which could not by any possibility be well from any other combination or proportions of the same ingredients, or any other ingredients, and entirely different from anything ever before made, one which produces the most astonishing results, and having a wider range of application than any medicine ever before discovered. It contains alcohol or other volatile oils in consequently loses nothing by evaporation. Where other medicines set the benefit of every drop, whereas with other preparations nearly all the alcohol is lost in that way, so you get only the small quantity of Oils which they contain.
Prepared by S. N. THOMAS, Pittsford, N.Y., and NORTHROP & LYMAN, Newcastle, Ont., sole Agents for the Dominion.
NOTE.—Eclectric—Selected and Electrized
Sold in Kingston by E. H. Parker, J. G. King, Heath & Gunn, H. Skinner, H. White, G. S. Hobart, McLean & Co., and all medicine dealers.
