THE NEWS AT HOME.

Montly of a Local Character, and Every Item Interesting.

New Time Table.

A new time table came into effect on the G. T. R. on Monday morning. The midnight train going west is now due at 1.09 a.m. instead of 12.36 a.m. and the morning mail has been changed to 9.51 a.m. Going east the Elmira train is due at 9.21 a.m. ten minutes earlier—and the 11 a.m. train now arrives at 10.52.

He Got the Rise.

A farmer in this vicinity who some time ago delivered about 2,500 bushels of wheat, when it was a low figure, on the condition that he could draw his money whenever the price suited him, last week took advantage of the rise, and settled the deal on the basis of $1 per bushel. He is holding on to a good many bushels yet, in the hope that it may go to $1.25, or even higher. Clinton *New Era.*

A Successful Lawn Social.

For several years in succession the home and grounds of Councillor Stalker, of Esquesing, have been opened for garden parties, under the auspices of Knox Church. The one held last Wednesday evening was largely attended and proved most enjoyable. In addition to the usual methods adopted to secure pleasure on such occasions an excellent programme of music was rendered by the Choir of the church and the Arthurs' Family of musicians.

The Oustic Pic-nic.

Rev. Father Haley is completing arrangements for the annual pic-nic of the R. C. Church at Oustic, which takes place in Oakes grove on Wednesday, June 19th. A very attractive programme has been prepared for the event. There will be a long list of games and sports, a choice musical programme, a prominent feature of which will be selections by a London orchestra, short speeches by prominent public men and many other attractions. All who go to Oustic on the 19th may depend on seeing a big pic-nic.

The Second League Match.

About half a hundred of our citizens who enjoy a base ball match went to Georgetown on Saturday afternoon to witness the second league match participated in by the Clippers. The match was a closely contested one throughout. Acton took the lead at the outset and retained it up to the ninth innings when the score stood 12 to 7 in their favor. In the last innings it is alleged that after two of Georgetown's men were out the club substituted one of their strongest batters for the man on deck and succeed in piling up a score one figure in advance of the visitors, making the total at the close of the game Georgetown 13, Acton 12. For this alleged unfairness a protest has been entered by the Clippers.

Epworth League Annual Meeting.

The annual meeting of the Epworth League of Christian Endeavor of the Methodist Church was held on Monday evening. The officers for the ensuing year were elected as follows:

The year just closing has been a most successful one and the membership has increased to 77. The weekly service is of a spiritual character and invariably helpful to the young people.

Acton Societies' Holiday Excursion

The success of Acton United Societies excursion to Orillia last year is remembered by hundreds of our citizens with pleasure. The second annual excursion of the United Societies will be held next Thursday and promises to be even more popular and successful than that of last year. Niagara Falls is the objective point and the fare from Acton to the Falls and return has been arranged at the low rate of $1.10, with half fare for children. A special train will leave Acton at 7.15 a.m. and returning will leave the Falls at 6 p.m. Tickets are good to return by any train the following day. This is the first excursion from this section this season; the time of the year is very pleasant and the committee anticipates a large number of excursionists. The rate from Limehouse is $1.10, from Georgetown $1.00. Tickets may be had from the agents at Acton, Limehouse and Georgetown, also on the train. The day will be observed as Acton Societies' Holiday.

"Curiosity and Curious People."

That Rev A. H. Ranton, evangelist has a strong hold upon the hearts of the people here was manifested on Tuesday evening when a well filled auditorium greeted him as he came to deliver his lecture on the above topic in the Methodist Church. His thirty five weeks of continuous labor in evangelistic work has evidently agreed with him and his splendid physique stands the strain well. The lecture was of a very interesting character. It had many eloquent periods and frequent passages of humor. Mr. Ranton has the faculty of discernment in the selection of his illustration and his numerous well told stories of curious people and the results of their curiosity kept the audience in good humor throughout. Rev J. E. Howell, M. A., presided and at its close on behalf of the Ladies Aid thanked the lecturer for his excellent lecture. Rev Mr Ranton has another lecture "The Rose, the Thistle and the Shamrock," which he has condition ally promised to give at some future visit. Many of his Acton friends were glad to have the opportunity of shaking hands with Mr Ranton again.

The bereaved husband and family have the sympathy of all in this sad bereavement. Though cast down yet not forsaken, though afflicted, yet not alone; thou did at give and thou hast taken, blessed Lord, "Thy will be done." An Inch of Fact... WORTH ...A Page of Fake.

We see that the papers are still debating the question as to whether a man sleeps better lying on the right side, or on the left side, but we could never understand why a man who is on the right side should LIE at all; if he does he may depend upon it he will sooner or later find himself on the LEFT side. If a merchant's goods are right and his prices are right, there is no reason why he should spread himself out in circus-bill ads., full of bombast and blow. An inch of fact is worth a page of fake.

We Want just to draw your attention to a few facts:

FACT No. 1. Our 85c Blouses are, to put it mildly, revolutionizing people's ideas of prices and styles.

FACT No. 2.—Our 8½c Indigo Prints are making it interesting for the public by giving them goods worth several cents more.

FACT No. 3.—Our range of Fancy Cotton Dress Goods are pronounced by interested parties as the best and cheapest in the city.

FACT NO 4.—We have just received another bale of Grey Cotton Remnants, which we sell at 4, 5, 6 and 7 cents.
