

The Frank Gamble Residence

The first residence on this lot (part of lot 3, con. 9) was moved to this location from lot 5, con. 10 by Angus Warden. Mr. and Mrs. Frank Gamble (Bertha Stinson) bought this home in 1932.

In 1948, the Gambles moved a house from the former George Johnston farm, then owned by Frank, on lot 16, con. 6 Amaranth. The original house was then moved down the hill to its present location. (the John Ball residence)

This house was later covered with aluminium. A new steel garage was built in the early seventies.

Frank and Bertha have three children - Donald, Leonard and Sharon (Mrs. Wayne Small). Mr. and Mrs. Gamble celebrated their fiftieth anniversary in August, 1980.
