

The John Ball Residence

This lot situated on Station Street is part of lot 3, Con. 9. The house was moved from the lot to the east, known as the Frank Gamble property. When moved, it was owned by Frank Gamble. Mrs. Moon and her two grandchildren, George Chamberlain and Iona (Mrs. Blade) lived here for many years.

In about 1965, John and Lois (McConnell) Ball bought the property from Frank Gamble. They have covered the house with aluminium and made several improvements through the years.

Mr. and Mrs. Ball have three children - Linda, Wayne and Tracy (Mrs. Kelly Brown).

Written in 1980 by Mrs. A. McPherson.
