THE GIFTS.

BY ROBERT BUCHANAN.

These are flowers for favors!
Wear them on my breast—
Red roses, red roses,
As bright as earth discloses,
Red roses with sweet savors,
Blown in the sleepy West.
These are flowers for favors,
These are flowers for favors,
Flowers of sweetest savors,
Wear them on my breast!

Flowers too cold for bosoms,
Take them in thy hand—
White lillies, white lillies,
And purest daffodillies;
These lillies are the blossoms,
Thine arm the lily wand—
Flowers too cold for bosoms,
Lily leaves and blossoms,
Take them in thy hand.

These are flowers for dreaming!
Wear them in thy hair—
Blue pansies, blue pansies,
As pure as maiden fancies;
Blooms like blue eyes beaming,
For golden locks to wear—
These are flowers for dreaming,
Blue, and bright, and beaming,
Wear them in thy hair.

These are flowers thy lover
Strews beneath thy feet;
Oxlips, bluebells, daisies,
Sweets the meadow raises—
Orchids, thyme and clover,
That trod upon scent sweet;
These are flowers thy lover,
Where thy footsteps hover,
Strews beneath thy feet.

Wear these flowers for favors,
Lady of them all—
White lillies, red roses,
Blue pansies, be thy posies
And countless flowers give savors
Beneath thy soft footfall.
Wear thy flowers for favors,
Drink their sweetest savors,
Lady of them all!

Pond's Extract. Every disease has a cause. Many diseases arise from the same fundamental cause.

Says the Muscatine (Iowa) *Courier*: "We have done and are still doing business with quite a number of Advertising Agencies throughout the country, and have no fault to find with them, but Messrs. G. P. Rowell & Co., give us more business than any other. Furnishing a large amount of advertising, and paying promptly, has put this house at the very head of Agencies, and has made them a name for honesty, reliability and promptness, which of itself is worth a fortune.

☞ *For* over twenty years "Bryan's Pulmonic Wafers" have maintained their reputation for curing coughs, colds, and pulmonary diseases. Those suffering or threatened with any of the symptoms of bronchitis, or any of the pulmonary complaints, should at once give them a trial. They give almost immediate relief, and if taken in time generally effect a cure. Remember that a common cold or cough, if not attended to in time, often leads to that distressing and fatal disease—consumption. Sold by all druggists and country dealers. Price 25 cents per box.

Asthma.—Commercial School, Harbor Grace, N.F.—Mr. Jas. I. Fellows—Dear Sir: I am very happy to acknowledge the benefit I have received from the use of your Compound Syrup of Hypophosphites. For upwards of twelve months I suffered most acutely from a severe Cough and a most violent Asthma, for the relief of which I tried everything I could hear of. At last I commenced the use of your Syrup, and after taking one bottle was able to attend to my avocation. I continued, according to directions, till I had used nine bottles, which effected a perfect cure. With much gratitude, truly yours, M. SCULLY, Teacher.

The Compound Elixir of Phosphates and *Calisaya* has become a great favourite on account of its perfect reliability in treating derangements of the stomach, liver complaint, and disease of the kidneys, which are the cause of poor blood and breaking down of the general health. It restores vitality to all the organs, removing suppressions, irregularities, and exhausting discharges, and every description of humors which disfigure the body. It is adapted to all ages and conditions of life, being a blood food and nutritive tonic. Sold at $1.00.

Poor Horses.—There are thousands of poor horses dragging out a miserable existence, suffering from a variety of diseases, rendering them almost worthless, that would be restored to a healthy and sound condition, and a value given to them of which their owners never dreamed, would they but use the means within their reach. From one or three packages of "Darley's Condition Powders and Arabian Heave Remedy" will in all cases produce a satisfactory result: hundreds have testified to the fact. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

THE DRUGGISTS HAVE JUST RECEIVED a supply of Dr. Wheeler's Celebrated Chemical Food and Nutritive Tonic, the Compound Elixir of Phosphates and Calisaya. This preparation has been in use in private practice for fifteen years, and is confidently recommended to the public as the most elegant and reliable tonic in use for building up constitutions that have for a long time been suffering from Chronic Wasting Diseases, depending upon poor blood. It perfects nutrition by aiding the digestion and assimilation of food, and thereby building up and vitilizing all the organs and tissues of the body. In disease peculiar to women, and in delicate children, it supplied a want long felt by the physicians, of a safe and agreeable remedy that may be taken for a protracted period without any possibility of injury, of becoming repugnant to the patient. Sold at $1.00.

THOMAS' ECLECTRIC OIL

Worth Ten Times its Weight in Gold.
Do you know anything of it?
If not, it is time you did.

There are but few preparations of medicine which have withstood the impartial judgment of the people for any great length of time. One of them is Thomas' Eclectric Oil, purely a proprietary preparation, some of the best testimonials that we know each one possessing virtues of its own. Scarcely the physicians know that medicines may be formed of several ingredients, in certain fixed proportions of great power and producing effects which could never result from the use of any of them, or in the different combinations. Thus in the preparation of this oil a chemical change takes place, forming a compound which could not by any possibility be made from any other combination or proportions of the same ingredients, or any of its ingredients, and entirely different from anything ever before made, one which produces the most astonishing results, and having a wider range of application than any medicine ever before discovered. It contains no alcohol or other volatile quid, consequently loses nothing by evaporation. Where one drop has been sent the benefit of every drop, whereas with other preparations nearly all the alcohol is lost in that way, and you get only the small quantity of Oil which they contain.

Prepared by S. N. THOMAS, Phelps, N.Y., and NORTHROP & LYMAN, Newcastle, Ont., sole Agents for the Dominion.

NOTE.—Eclectric—Selected and Electrized.

Sold in Kingston by E. H. Parker, J. G. King, Heath & Gunn, H. Skinner, R. White, G. S. Hobart, McLean & Co., and all medicine dealers.
