FRIDAY EVEN'G, NOV. 28, 1873.

TO-DAY.

Ah, real Thing of bloom and breath,
I cannot love you while you stay.
Put on the dim, still charm of death,
Fade to a phantom, float away,
And let me call you yesterday!

Let empty flower-dust at my feet
Remind me of the buds you wear;
Let the birds' quiet show her sweet
The far-off singing made the air;
And let your dew thru' frost look fair.

In mourning you I shall rejoice.
Go: for the bitter word may be
A music—in the vanished voice;
And on the dead face I may see
How bright its frown has been to me.

Then in the haunted grass I'll sit,
Half tearful in your withered place,
And watch your lovely shadow flit
Across to-morrow's sunny face,
And vex her with your perfect grace.

So, real Thing of bloom and breath,
I weary of you while you stay;
Put on the dim, still charm of death,
Fade to a phantom, float away,
And let me call you Yesterday!

WHALLEY IN HIS SHIRT SLEEVES.—Mr. Whalley, M.P., has determined, if he cannot get funds from the workingmen of England to carry on the Tichborne case to sell not only his carriage, but "everything he possesses, down to his coat." This touching announcement was made by the hon. member for Peterborough in an after-dinner speech in that city. The thought of Mr. Whalley without a coat, and that, too, as the result of "a Jesuit or Popish conspiracy"—is excruciating.

Pond's Extract. Every disease has a cause. Many diseases arise from the same fundamental cause.

Caution.—Purchasers of the Peruvian Syrup (a protected solution of the protoxide of Iron) are cautioned against being deceived by any preparations of Peruvian Bark, or Bark and Iron, which may be offered them. Every bottle of genuine has Peruvian Syrup (not Peruvian Bark) blown in the glass. Examine the Bottle before purchasing.

Without reflecting upon other Advertising Agencies, we may say that Geo. P. Rowell & Co., No. 41 Park Row, New York, are deserving of success, and have achieved success. They do business on true business principles, pay on demand all that they agree to pay, and combine untiring energy with promptness, system and carefulness in details. From a small beginning they now stand head and front above all competitors.—*Iron World and Manufacturer*, Pittsburgh, Pa.

For over twenty years "Bryan's Pulmonic Wafers" have maintained their reputation for curing coughs, colds, and pulmonary diseases. Those suffering or threatened with any of the symptoms of bronchitis, or any of the pulmonary complaints, should at once give them a trial. They give almost immediate relief, and if taken in time generally effect a cure. Remember that a common cold or cough, if not attended to in time, often leads to that distressing and fatal disease—consumption. Sold by all druggists and country dealers. Price 25 cents per box.

Asthma.—Commercial School, Harbor Grace, N.F.—Mr. Jas. I. Fellows—Dear Sir: I am very happy to acknowledge the benefit I have received from the use of your Compound Syrup of Hypophosphites. For upwards of twelve months I suffered most acutely from a severe Cough and a most violent Asthma, for the relief of which I tried everything I could hear of. At last I commenced the use of your Syrup, and after taking one bottle was able to attend to my avocation. I continued, according to directions, till I had used nine bottles, which effected a perfect cure. With much gratitude, truly yours, M. SCULLY, Teacher.

The Compound Elixir of Phosphates and Calisaya has become a great favourite on account of its perfect reliability in treating derangements of the stomach, liver complaint, and disease of the kidneys, which are the cause of poor blood and breaking down of the general health. It restores vitality to all the organs, removing suppressions, irregularities, and exhausting discharges, and every description of humors which disfigure the body. It is adapted to all ages and conditions of life, being a blood food and nutritive tonic. Sold at $1.00.

Poor Horses.—There are thousands of poor horses dragging out a miserable existence, suffering from a variety of diseases, rendering them almost worthless, that would be restored to a healthy and sound condition, and a value given to them of which their owners never dreamed, would they but use the means within their reach. From one or three packages of "Darley's Condition Powders and Arabian Heave Remedy" will in all cases produce a satisfactory result. Hundreds have testified to the fact. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

THE DRUGGISTS HAVE JUST RECEIVED a supply Dr. Wheeler's Celebrated Chemical Food and Nervine Tonic, the Compound Elixir of Phosphates and Calisaya. This preparation has been in use in private practice for fifteen years, and is confidently recommended to the public as the most elegant and reliable tonic in use for building up constitutions that have for a long time been suffering from Chronic Wasting Diseases, depending upon poor blood. It perfects nutrition by aiding the digestion and assimilation of food, and thereby building up and vitilizing all the organs and tissues of the body. In disease peculiar to women, and in delicate children, it supplies a want long felt by the physicians, as a safe and agreeable remedy that may be taken for a protracted period without any possibility of injury, of becoming repugnant to the patient. Sold at $1.00.

THOMAS' ECLECTRIC OIL

Worth Ten Times its Weight in Gold.
Do you know anything of it?
If not, it is time you did.

There are but few preparations of medicine which have withstood the unanimous judgment of the people for a great length of time. One of these is Thomas Eclectric Oil, proving a popular favorite, some of the best testimonials being each one possessing virtues of its own. Scarcely a family but knows that medicines may be formed of several ingredients in certain fixed proportions of greater power and producing effects which could never result from the use of any of them, or in the different combinations. Thus in the preparation of this oil a chemical change takes place, forming a compound which could not by any possibility be made from any other combination or proportions of the same ingredients, or any other ingredients, and entirely different from anything ever before made, one which produces the most astonishing results, and having a wider range of application than any medicine ever before discovered. It contains no alcohol or other volatile gas, consequently loses nothing by evaporation. Wherever applied, it gets the benefit of every drop, whereas with other preparations nearly all the alcohol is lost in that way, and you get only the same quantity of oil which they contain.

Prepared by S. N. THOMAS, Phelps, N.Y., and NORTHROP & LYMAN, Newcastle, Ont., sole Agents for the Dominion.

NOTE.—Eclectric—Selected and Electrized.

Sold in Kingston by E. H. Parker, J. G. King, Heath & Gunn, H. Skinner, H. White, G. E. Hebart, McLean & Co., and all medicine dealers.
