THE MAPLE.

Hurrah! for the maple, the wide-spreading maple
The green-growing maple is the emblem for me!
Give Britain her oak
By the wild winds unbroke,
The green-growing, wide spreading maple for me!

Hurrah for the maple—it spreads o'er the glade
And the tired worn and weary creep under its shade;
Where the free air brings joy to the care-fevered brow
And the hopeless and sadden'd are happy enow.
Hurrah for the maple, the wide spreading maple, &c.

Hurrah! for the maple, by frost unassailed,
Long, long may it bourgeon with vigour unfailed,
Nor the storm of the winter o'ercome it at all,
Till each leaf of the maple dyed scarlet shall fall.
Hurrah for the maple, the wide-spreading maple, &c.

Hurrah! for the maple, the breath of the spring,
The fountain's white camp from our forests shall fling,
Soon in rout shall his torrent sweep o'er the plain,
And our wide spreading maple shall bourgeon again.
Hurrah for the maple, the wide-spreading maple, &c.

Amherst Island, Dec. 1873.

Pond's Extract is used to stop all bleedings, and flow of blood from any part of the system.

Without reflecting upon other Advertising Agencies, we may say that Geo. P. Rowell & Co., No. 41 Park Row, New York, are deserving of success, and have achieved success. They do business on true business principles, pay on demand all that they agree to pay, and combine untiring energy with promptness, system and carefulness in details. From a small beginning they now stand head and front above all competitors.—*Iron World and Manufacturer*, Pittsburgh, Pa.

Coughs and Colds, when left to themselves, frequently bring on pulmonary complaints, which lead to that distressing and fatal disease, consumption; but if attended to in time, "Bryant's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and so cure and strengthen the bronchial tubes, allaying all irritations and inflammation. They are also particularly adapted for the use of singers and public speakers. Sold by all druggists and country dealers. Price 25 cents per box.

Asthma.—Commercial School, Harbor Grace, N.F. Mr. Jas I. Fellows. Dear Sir—I am very happy to acknowledge the benefit I have received from the use of your Compound Syrup of Hypophosphites. For upwards of twelve months I suffered most acutely from a severe Cough and a most violent Asthma, for the relief of which I tried everything I could hear of. At last I commenced the use of your Syrup, and after taking one bottle was able to attend to my avocation. I continued, according to directions, till I had used nine bottles, which effected a perfect cure. With much gratitude, truly yours, M. Scully, Teacher.

The Compound Elixir of Phosphates and Calisaya has become a great favourite on account of its perfect reliability in treating derangements of the stomach, liver complaint, and disease of the kidneys, which are the cause of poor blood and breaking down of the general health. It restores vitality to all the organs, removing suppressions, irregularities, and exhausting discharges, and every description of humors which disfigure the body. It is adapted to all ages and conditions of life, being a blood food and nutritive tonic. Sold at $1.00.

To Owners of Horses.—It is a well attested fact confirmed by the experience of "Darley's Condition Powders and Arabian Heave Remedy" for horses is superior to anything of the kind now or ever known. We know that it has been used in many cases where the horse has been considered almost worthless, with the most satisfactory result, the horse having been restored to perfect soundness or so much benefitted that the complaint could scarcely be observed. Many such horses have afterwards been sold for from $50 to $100 more than they would have previously brought, and were well worth the difference, let all interested consider this. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle Ont., proprietors for Canada. Sold by all medicine dealers.

PHOSPHATES are Nature's great fertilizers and restoratives. They are equally essential to the growth of the animal vegetable kingdoms. Under their use grass, herb and tree, bone, muscle and nerve, attain a full and complete development. Every intelligent farmer employs them to fertilize the soil, and every scientific physician prescribes them to energize and vitalize the human system. Of these valuable medicinal agents the most elegant and agreeable is DR. WHEELER'S Compound Elixir of Phosphates and Calisaya. By taking it for a few weeks chronic wasting diseases of a Scrofulous, Consumptive or Venereal character rapidly improve, the whole constitution becoming renovated and purified, and all the organs restored to a vigorous action. Sold by all druggists.

MARAVILLA COCOA.—Taylor Brothers (the biggest Manufacturers of Cocoa in Europe), having the exclusive supply of this unrivalled Cocoa, invite comparison with any other Cocoa for Purity—fine Aroma—Sanative, Nutritive and Sustaining Power—Easiness of Digestion—and especially, high delicious flavour. One trial will establish it as a favourite Beverage for breakfast, luncheon, and a soothing refreshment after a late evening. N.B. Caution—"Maravilla" is a registered Trade Mark.

MARAVILLA COCOA.—The *Globe* says, "Taylor Brothers' Maravilla Cocoa has achieved a thorough success, and supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Invalids and Dyspeptics, we could not recommend a more agreeable or valuable beverage." For further favourable opinions vide *Standard*, *Morning Post*, *British Medical Journal* &c., &c.

HOMŒOPATHIC COCOA.—This original preparation, which has attained such a world wide reputation, is manufactured by Taylor Brothers, under the ablest homœopathic advice, aided by the skill and experience of the inventors, and will be found to combine in an eminent degree the purity, fine aroma, and nutritious property of the fresh nut.

SOLUBLE CHOCOLATE, made in one minute without boiling. The above articles are prepared exclusively by Taylor Brothers, the largest manufacturers in Europe, and sold in tin-lined Packets, only by Storekeepers and others all over the world. Steam Mills, Brick Lane, London; Export Chicory Mills, Bruges Belgium.
